Dear Doctor Monta:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation for the following reason:

1. On or about March 21, 1985 you entered a plea of "Guilty" to the charge of sale of a controlled substance in the Circuit Court of Franklin County, Mississippi. Said charge of sale of a controlled substance is a felony. Pursuant to said plea of guilty you were sentenced to: Serve a term of twenty (20) years, suspended to five (5) years probation upon payment of a fine of $20,000.00 and all costs on each indictment to be paid by April 15, 1985; Revocation of your Mississippi Medical License; and prohibited from ever possessing a DEA license.

Pursuant to Ohio Revised Code, Section 4731.22(B)(9), said conviction as stated in paragraph 1 constitutes grounds for this Board to limit, revoke, or suspend a certificate, refuse to register or refuse to reinstate an applicant, or reprimand or place on probation the holder of a certificate.

Such acts resulting in said conviction constitute a violation of Section 4731.22 (B)(2), to wit: failure to use reasonable care discrimination in the administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease.

Further, such acts resulting in said conviction constitute a violation of Section 4731.22(B)(3), Ohio Revised Code, to wit: selling, prescribing, giving away, or administering drugs for other than legal and legitimate therapeutic purposes or conviction of violation of any federal or state law regulating the possession, distribution, or use of any drug.

Further, such acts resulting in said conviction constitute a violation of Section 4731.22(B)(6), Ohio Revised Code, to wit: a departure from or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established.

August 14, 1985

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you may request a hearing on this matter. If you wish to request such hearing, that request must be made within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for hearing made within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, reprimand, revoke, place on probation, refuse to register, or reinstate your certificate to practice medicine or surgery.

A copy of the Medical Practice Act is enclosed for your information.

Very truly yours,

Henry G. Cramblett, M. D.
