Dear Doctor Twine:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

(1) On or about September 19, 1991, the Commissioner of Education of the State of New York, on behalf of the Board of Regents, issued an Order implementing the September 13, 1991 vote of the Board of Regents revoking your license to practice as a physician in the State of New York. A copy of this Order is attached hereto and fully incorporated herein. This revocation was based upon a finding that you had practiced medicine while your ability to practice was impaired by mental disability.

The Order revoking your license to practice medicine in New York, as alleged in Paragraph (1) above, constitutes "the limitation, revocation or suspension by another state of a license or certificate to practice issued by the proper licensing authority of that state, the refusal to license, register, or reinstate an applicant by that authority, or the imposition of probation by that authority, for an action that would also have been a violation of this chapter, except for nonpayment of fees," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code, to wit: Section 4731.22(B)(19), Ohio Revised Code.

(2) On or about February 10, 1991, in the course of your renewal process, you signed a document in which, in response to the question "(a)t any time since signing your last application for renewal of your certificate have you had any disciplinary action taken or initiated against you by any state licensing board?" you stated "No."

Mailed 9/11/92

In fact, on or about January 3, 1991, you were personally served with notice that the New York State Board for Professional Medical Conduct had initiated formal action against you.

(3) On or about June 22, 1992, you signed an application for renewal of your certificate to practice medicine and surgery in Ohio for the 1992-1993 renewal period. In response to the question "(a)t any time since signing your last application for renewal of your certificate have you had a license denied by or had any disciplinary action taken or initiated against you by any state licensing board other than the State Medical Board of Ohio?", you stated "No."

In fact, on or about September 19, 1991, the Commissioner of Education of the State of New York, on behalf of the Board of Regents, issued an Order implementing the September 13, 1991 vote of the Board of Regents revoking your license to practice as a physician in the State of New York.

Your acts, conduct, and/or omissions as alleged in paragraphs (2) and (3) above, individually and/or collectively, constitute "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the board," as that clause is used in Section 4731.22(A), Ohio Revised Code.

Further, your acts, conduct, and/or omissions as alleged in paragraphs (2) and (3) above, individually and/or collectively, constitute "publishing a false, fraudulent, deceptive, or misleading statement," as that clause is used in Section 4731.22(B)(5), Ohio Revised Code.

Further, your acts, conduct, and/or omissions as alleged in paragraphs (2) and (3) above, individually and/or collectively, constitute "obtaining of, or attempting to obtain money or anything of value by fraudulent misrepresentations in the course of practice," as that clause is used in Section 4731.22(B)(8), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation.

Copies of the applicable sections are enclosed for your information.

Very truly yours,

Carla S. O'Day, MD/jmb
