On May 21, 2001, the Summit County Child Support Enforcement Agency issued a "Notice to Suspend Professional License" to the State Medical Board of Ohio stating that Fredric Lax, M.D. (Dr. Lax) had been found by a Court or Child Support Enforcement Agency to be in default of a Support Order or had failed to comply with a warrant/subpoena. Pursuant to R.C. 2301.373 and R.C. 4731.76, the State Medical Board of Ohio issued a "Notice of Suspension" to Dr. Lax indicating that his license to practice had been suspended pending further notification from the Summit County Child Support Enforcement Agency.

On May 30, 2001, the Summit County Child Support Enforcement Agency subsequently issued a "Notice to Reinstate/Reissue Professional License" to the State Medical Board and Dr. Lax's license was reinstated.

The Court has determined that the Summit County Child Support Enforcement Agency erred by sending its May 21, 2001, "Notice To Suspend Professional License" and the license should not have been suspended. The State Medical Board's actions regarding the suspension and subsequent reinstatement of Dr. Lax's professional license, however, were in compliance with its statutory obligations. The documents maintained by the State Medical Board regarding this situation are public documents and cannot be destroyed outside of statutory guidelines.

It is, therefore, ORDERED, ADJUDGED AND DECREED that the Court's "Order to the State Medical Board of Ohio to Remove all Derogatory Information Involving Plaintiff's Name from its Suspension List" issued May 31, 2002, is hereby VACATED.

The State Medical Board shall place a copy of this Order in its files to clarify the public record regarding this situation.

IT IS SO ORDERED.

NOTICE OF SUSPENSION
PURSUANT TO R.C. 2301.373 & 4731.76

The State Medical Board of Ohio has received notice from the Summit County Child Support Enforcement Agency that you have been determined in default under a child support order. Pursuant to Ohio Revised Code Sections 2301.373 and 4731.76, this Board is prohibited from issuing a license, permit, certificate or other authorization as a result of this determination. The Board is also required to suspend any license that has been issued. This decision to suspend, or refusal to issue a new license, will remain in effect until the Board receives notice from the Summit County Child Support Enforcement Agency that you are no longer determined to be in default.

When will the Board issue or reinstate my license?
Before a license can be issued or reinstated, the Board must receive notice from the Summit County Child Support Enforcement Agency that you are no longer in default. The Summit County Child Support Enforcement Agency will issue such a notice when payment of the determined arrearage has been paid in full, or when a new, or appropriate, order has been issued for the collection of current support and arrearage.

Once I am determined not to be in default, how long will it take to get my license?
The Board will issue or reinstate your license within seven days of receiving the notice from the Summit County Child Support Enforcement Agency that you are no longer in default. A fee of up to $50 may be assessed to issue or reinstate the license.

Can I appeal this decision to the Board?
This suspension or refusal to issue a license is not subject to any hearing or review process of the Board. You must be determined not in default by the Summit County Child Support Enforcement Agency. Once they make this determination, they will notify the Board and your license will be reinstated or issued.

What do I do now?
You need to contact the Summit County Child Support Enforcement Agency. They will be able to tell you what you need to do in order to bring your child support payments up to date.

Pursuant to Section 2301.373, Ohio Revised Code, you are hereby notified that your license to practice medicine and surgery in the state of Ohio is immediately suspended. Continued practice after this suspension shall be considered practicing medicine without a certificate in violation of Section 4731.41, Ohio Revised Code.

Sincerely,

Anand G. Garg, MD /TAD
