

CME Course Offerings

Course Subject	Course Title	Course Description	Provider
Anesthesiology	<i>Comprehensive Anesthesiology Review</i>	This 6-day course is designed to be a comprehensive review of Anesthesiology, including clinical anesthesia and subspecialties such as cardiothoracic, obstetric and pediatric anesthesiology, critical care, acute and chronic pain medicine, and perioperative medicine.	Cleveland Clinic www.clevelandclinicmeded.com
Anesthesiology	<i>Mayo Clinic Symposium on Anesthesia and Perioperative Medicine</i>	Four-day symposium on current information and trends.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Anger Management	<i>Anger Busting</i>	The online course accredited by the National Association of Alcohol and Drug Abuse Counselors consists of 24 lessons divided into reading assignments, short quizzes and short exercises. The course is equivalent to 16 hours of classroom instruction.	Anger Management Training Institute, LLC 2215 Avalon Place Houston, TX 77019 (830) 693-2620
Anger Management	<i>Anger Management</i>	8-hour online course offering four modules, Fundamentals of Anger Management, Emotional Competence, Communication Skills, and Anger & The Body.	Conflict Coaching & Consulting, PLLC www.masteringanger.com
Billing (Medical)	<i>Conducting Internal Chart Audits</i>	One day course designed for coding and compliance professionals who have experience with E&M coding and billing and are ready to advance into the analysis process.	Ohio State Medical Association www.osma.org
Billing (Medical)	<i>Health Care Compliance and Governance Course</i>	Four-day course that will discuss the importance of corporate compliance programs that address compliance with laws and regulations applicable to corporations in general (such as employment rules) and non-profits (such as tax exemption issues). Many of the legal principles will have relevance to other regulated industries with the focus in healthcare fields.	University of Toledo College of Law

Cardiology	<i>Cardiovascular CT Training Program</i>	This 8-day program will provide for Level I and Level II clinical competency in Cardiovascular CT as outlined by the American College of Cardiology Foundation (ACCF) and American Heart Association (AHA) Clinical Competence Statement on Cardiac Imaging with Computed Tomography and Magnetic Resonance.	Cleveland Clinic www.clevelandclinicmeded.com
Cardiology	<i>Intensive Review of Cardiology</i>	5-day seminar - current thinking and management in all of the major cardiovascular disciplines relevant to those cardiologists and cardiology fellows preparing for the Cardiovascular Board Certification and Re-certification Examination.	Cleveland Clinic www.clevelandclinicmeded.com
Cardiology	<i>Arrhythmias and The Heart</i>	Four-day course on management and prevention of rhythm disorders, diagnosis and treatment of patients with CHF, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Mayo Echocardiography Review Course</i>	Four-day course designed for Echo Board as well as review for practicing clinicians, latest information, sessions on specific diseases, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Coronary Artery Disease: Prevention, Detection, and Treatment</i>	Three-day course on risk factors, new technologies, surgery, disease management, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Mayo Interventional Cardiology Board Review</i>	Three-day course to prepare for Boards as well as to update on latest knowledge and advances.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Update on Heart Failure and Transplantation Issues</i>	One-day course on treatment of CHF.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Putting Prevention into Practice: Preventing Cardiovascular Disease in the Clinical Setting</i>	Two-day course focusing on preventative cardiology using evidence-based medicine and "best practice consensus" where evidence is solid.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Annual Cardiovascular Conference</i>	Five-day course on latest trials, updates on new techniques and technologies, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Controversies in Cardiovascular Disease</i>	Two-day course on end stage heart disease, congenital heart disease, hypertrophic cardiomyopathy, aortic disease, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Cardiology	<i>Annual Cardiovascular Symposium</i>	One-day symposium providing new concepts in diagnosis, treatment and management of patients with heart disease.	The University of Toledo, CME Dept. Cme.utoledo.edu
Clinical Research	<i>Current Issues in Clinical Research</i>	Two-day course on general interest topics as well as specific clinical research and management issues in breakouts.	Mayo Clinic School of Continuing Medical Education 800-323-2688

Clinical Research	<i>Annual Clinical Reviews</i>	Three-day course updating physicians on latest recommendations of medical subspecialties.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Coding (Medical)	<i>Professional Medical Coding</i>	2 1/2 month, one day a week class geared toward certification as an AAPC coder.	OSMA 800-766-6762 or www.osma.org
Coding (Medical)	<i>Specialty-Specific Coding and Documentation Classes</i>	5 1/2 session on coding for specific disciplines	OSMA 800-766-6762 or www.osma.org
Coding (Medical)	<i>2008 Code Changes</i>	5 1/2 hour session on the changes that go into effect January 1, 2008.	OSMA 800-766-6762 or www.osma.org
Communication	<i>Managing Difficult Communications in Medical Practice</i>	Three-day course offering 25.25 Category 1 CME on medical interviewing techniques, communication skills, listing multiple strategies to minimize physician demonstration of anger and disruptive behavior. Cost - \$1,000	Case Western Reserve University, CME Program, 800-274-8263 or http://cme.case.edu
Depression	<i>The Interface of Medical Illness and Depression: A Clinical Review for Primary Providers</i>	Three-day course focusing on practical clinical issues that arise with medical illnesses complicated by co-morbid depression.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Dermatology	<i>Annual Practical Course in Dermoscopy and Update on Malignant Melanoma</i>	Three-day course on melanoma epidemiology, prevention, pathology, dermoscopy, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Dermatology and Pathology	<i>Dermatopathology: Self Assessment Course</i>	This 1-day workshop will be devoted to the study of 50 unknown microscopic slides using a self-assessment approach. A discussion will follow, which will include the case description, diagnosis, differential considerations, and pertinent comments about each disease. Emphasis will be placed on benign and malignant skin tumors, bullous diseases and inflammatory dermatoses.	Cleveland Clinic www.clevelandclinicmeded.com
Diastology	<i>Diastology and New Echo Technologies Summit</i>	3 days for Cardiologists, Sonographers, Fellows, Nurses, and Basic Scientists	Cleveland Clinic www.clevelandclinicmeded.com
Electrophysiology	<i>Electrophysiology Review for Boards and Recertification</i>	Three-day course offering an overview of all aspects of cardiovascular electrophysiology from basic arrhythmia and pharmacology to catheterization and therapy.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Emergency Medicine	<i>Emergency Medicine: Moving Forward</i>	Four-day course covering topics beyond what is learned in residency.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Endoscopy	<i>ERCP A-to-Z: A Live Case Course</i>	Three-day course on the latest knowledge and innovations.	Mayo Clinic School of Continuing Medical Education 800-323-2688
ENT	<i>ENT for the Primary Care Provider</i>	One-day symposium to update PCPs on diagnosis and treatment of ENT problems.	Mayo Clinic School of Continuing Medical Education 800-323-2688

Ethics	<i>Professional Ethics and the Therapeutic Relationship: Boundary Crossings and Violations</i>	15 credit hours; 3 hour online module and 12 instructor-learner classroom modules with didactic lecture, case analyses, literature review and discussion	Northeast Ohio Medical University
Ethics	<i>Medical Ethics, Boundaries, and Professionalism</i>	Two-day course on medical professionalism, boundary issues and limits, confidentiality, informed consent, prescribing, etc.	Case Western Reserve University 216-844-5050 http://cme.case.edu
Ethics	<i>The Program for Professionals</i>	Course tailored for clients. Ethical principles, boundary violations, abstinence rule, etc.	Case Western Reserve University Center for Marital and Sexual Health 216-831-2900
Ethics	<i>Ethical Challenges in Surgical Innovation</i>	2-day conference.	Cleveland Clinic www.clevelandclinicmeded.com
Ethics	<i>Medical Ethics Course-Massotherapy</i>	4.5 hours either in person or online via instructional modules that will address the definition of basic clinical ethics within the provider-patient relationship; distinguishing ethics, morality and law relative to medical care; the basic steps of a decision process for situations arising in the workplace including documentation, conflict of interests, boundaries, etc.	Donna F. Homenko, PhD, Tri-C, Cleveland 216-390-7818
Ethics	<i>Ethics Across the Medical Professions</i>	10-hour course on professional ethics, physician-patient relationships, accountability in medical profession, ethical sensitivity, etc.	Donna F. Homenko, PhD, Tri-C, Cleveland 216-390-7818
Ethics	<i>The Ethical Treatment of Female Patients</i>	Gender and the doctor/patient relationship; feminist ethics--theoretical beginnings; AMA's code of ethics, etc.	Furman University, South Carolina 864-294-3302
Ethics	<i>Biomedical Ethics</i>	Ethical dimensions of patient care, analyzing complex bioethics dilemmas, personal and professional values	Northeastern Ohio Universities College of Medicine, Human Values in Medicine Program 330-325-2511
Ethics	<i>Introduction to Ethics</i>	Full course to include a mid-term and final exam that will cover a variety of ethical issues ranging from concrete to highly abstract; Are ethical standards objectively justified or a matter of personal taste.	Ohio State University Department of Philosophy (614) 292-7914
Ethics	<i>Coping with Stress and Burnout in Medicine</i>	Online course offering 2 AMA credits that educates participants on how to cope effectively with stress encountered in the practice of medicine.	Texas Medical Association Committee on Physician Health and Rehab 800-880-1300

Ethics	<i>Challenges: Professional Boundaries and Patient Encounters</i>	Online course offering 2 AMA credits on importance of boundaries; consequences of boundary violations; treatment, etc.	Texas Medical Association Committee on Physician Health and Rehab 800-880-1300
Ethics	<i>ProBE Ethics Course</i>	ProBE contains seven 22 hour sessions; 14 of them face to face <input type="checkbox"/> The Good Doctor <input type="checkbox"/> Infractions, Sanctions and Discipline <input type="checkbox"/> Clinician - Patient Relationship: Models <input type="checkbox"/> Clinician – Patient - Social Relationship: Boundaries <input type="checkbox"/> Accountability Within the Profession <input type="checkbox"/> Holding Professions Accountable <input type="checkbox"/> Summing Up: Conceptual Resources and Overview	CPEP – the Center for Personalized Education for Physicians 7351 Lowry Boulevard, Suite 100 Denver, CO 80230 Tel- 303-577-3232 Fax - 303-445-3863 www.cpepdoc.org
Ethics	<i>Medical Ethics for Disciplined Professionals</i>	PBI provides interactive education for ethics violations	Professional Boundaries, Inc./University of Alabama School of Medicine 888-724-2224
Ethics	<i>Medical Ethics and Professionalism: An Ethics Protection Course</i>	Two-day live course held 2 times a year in Irvine, CA and Sacramento, CA, and 4 times a year in Atlanta, GA. The course is limited to 12 participants only and offers 22 CME hours, with optional 6 and 12 month follow ups	Professional Boundaries, Inc./University of Alabama School of Medicine 888-724-2224
Ethics	<i>PBI Professional Boundaries and Ethics</i>	Two-day course on underlying causes of boundary violations; warning signs; betrayal of trust; preventive measures, monitoring, etc.	Professional Boundaries, Inc./University of Alabama School of Medicine 888-724-2224
Ethics	<i>Professional Boundaries & Boundary Violations: A Primer</i>	Readings, writings, and teleconference discussions with faculty consistine of 16 CME hours.	Professional Boundaries, Inc./University of Alabama School of Medicine 888-724-2224
Ethics	<i>Professional Boundaries & Ethics: Maintenance & Accountability Seminars</i>	Hour-long teleconference seminar discussions are held weekly for 12 weeks focusing on ethical and boundary dilemma resolution utilizing a supportive peer group format. 12 CME credits or non-credit basis.	Professional Boundaries, Inc./University of Alabama School of Medicine 888-724-2224

Ethics	<i>PRIM-E, Professional Renewal in Medicine through Ethics</i>	A weekend intensive CME course offered five to six times a year in professional ethics and boundaries for physicians. 20 Category 1 credits	Center for Continuing and Outreach Education at Rutgers Biomedical and Health Sciences P.O. Box 1709 Newark, NJ 07101-1709 (800) 227-4852 http://web.rwjms.rutgers.edu/ethicweb/PRIMEHome.html
Ethics	<i>Sexual Addiction</i>	1-day course offering 4 CME credits that will provide an introduction to sexual addiction, as well as a discussion of the impact on the family. Difficult therapeutic situations will be address such as faciltating the couple disclosure process and appropriate interventions.	RSVP to Carrie Artman at (440) 710-3244 or carrie.artman@glenbeigh.com
Ethics	<i>Maintaining Proper Boundaries</i>	3-day course on ethical standards and sexual boundary issues in healthcare relationships, personality factors, health sexuality, etc.	Vanderbilt University Medical Center in Texas 800-258-4250
Gastroenterology	<i>Gastroenterology and Hepatology: Advances and Case Discussions</i>	Three-day course on cutting-edge information and clinical impact, new procedures and techniques, interactive sessions on specific topics, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Gastroenterology	<i>Mayo Clinic Gastroenterology and Hepatology Board Review</i>	Four-day course designed to prepare for certifying and recertifying exams.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Gastroenterology	<i>Update in Gastroenterology and Hepatology</i>	Three-day course on advances in management of patients with gastroenterological disorders.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Gastroenterology and Hepatology	<i>Gastroenterology and Hepatology Linked to Endoscopy: Mayo Clinic Annual Winter Course</i>	Five-day symposium on new approaches to each discipline.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Geriatrics	<i>Geriatric Update for the Primary Care Provider</i>	One-day course on current information, clinical evaluation, management strategies and innovative models.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Geriatrics	<i>Annual Geriatric Medicine Symposium</i>	One-day course providing lastest info on assessment and screening in older patients.	University of Toledo and Ohio Geriatrics Society www.cme.utoledo.edu
Hematology	<i>Mayo Clinic State of the Art Symposium on Hematologic Malignancy</i>	Four-day course on acute and chronic myeloid and lymphoid leukemias, dysproteinemias, lymphomas, stem cell transplantation, coagulation and disease issues, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688

Hematology	<i>Mayo Clinic Hematology Review</i>	One-day program on most current advances in various malignancies.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Hematology/ Oncology	<i>State-of-the-art Multidisciplinary Update in Breast Disease</i>	Three-day overview of diagnosis and treatment of benign and malignant breast disease.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Hematology/ Oncology	<i>Molecular Predictive Markers of Breast Cancer: Risk and Benefits of Therapy</i>	One-day course on most recent data and impact on patient care and clinical trials	Mayo Clinic School of Continuing Medical Education 800-323-2688
Hepatology	<i>Hepatology: State-of-the-Art</i>	Three-day course on the current trends in management of liver disease.	Mayo Clinic School of Continuing Medical Education 800-323-2688
HIV	<i>Advanced Management Issues in HIV Medicine</i>	2 day conference.	Cleveland Clinic www.clevelandclinicmeded.com
Internal Medicine	<i>Internal Medicine Board Review Course</i>	Five-day prep for certification.	Drexel University College of Medicine, Philadelphia PA 215-762-8695
Internal Medicine	<i>Internal Medicine Review for Nurse Practitioners, Physician Assistants and Primary Care Physicians</i>	Three-day annual interdisciplinary offering an overview of current internal medicine thought including case studies.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Internal Medicine	<i>Selected Topics in Internal Medicine</i>	Five-day post graduate course on various topics and common problems.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Internal Medicine	<i>Annual Practice of Internal Medicine</i>	Five-day course on management of variety of issues seen in internal medicine.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Internal Medicine	<i>Internal Medicine-Certification and Maintenance of Certification</i>	Intensive seven-day course to prepare for boards.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Internal Medicine	<i>Clinical Reviews - A Primary Care and Internal Medicine Update</i>	Four-day course on medical updates and current management strategies on various diseases.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Internal Medicine	<i>Annual Intensive Review of Internal Medicine</i>	Six-day course and prep for certification covering current concepts and Board related issues using an organ system approach.	The Cleveland Clinic, www.clevelandclinicmeded.com
Internal Medicine	<i>The Washington Manual Comprehensive Internal Medicine and Board Review Course</i>	Five-day course on the latest in diagnosis and treatment of medical and selected non-medical diseases and clarification of confusing areas.	Washington University School of Medicine CME Dept. 800-325-9862, http://cme.wustl.edu/internalmedicine
Medicare and Medicaid	<i>Medicare and Medicaid Update</i>	4 1/2 hour session offered many times throughout the year to provide policy and procedure updates.	OSMA 800-766-6762 or www.osma.org
Menopausal Medicine	<i>Menopausal Medicine: Care for the Mature Female</i>	Three-day course on changing concepts in care of mature woman. Integration of metabolic, hormonal, neuropsychological aspects of aging.	Mayo Clinic School of Continuing Medical Education 800-323-2688

Microbiology	<i>Real-time PCR for the Clinical Microbiology Laboratory</i>	Two-day course offering latest information including rapid thermocycling, quality control, quantitation of microorganisms, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Nephrology	<i>Annual Update in Nephrology a and Kidney/Pancreas Transplantation</i>	Three-day on cutting-edge information including lectures and interactive discussion.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Neurology	<i>Neuromuscular Disorders, Epilepsy, and Sleep Disorders: Diagnostic and Therapeutic Update</i>	Yearly seven-day conference.	Cleveland Clinic www.clevelandclinicmeded.com
Neurology	<i>Parkinson's Disease and Other Movement Disorders for the Practitioner</i>	Three-day course emphasizing diagnosis and management issues for clinic-based practice.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Neurology	<i>Update in EEG, EMG, and Neurophysiology</i>	Seven-day review course on basic and patho-physiology, EEG, EMG, movement disorders, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Neuroradiology	<i>Neuroradiology: Practice to Innovation</i>	Five-day course on common diseases involving the brain, head/neck, etc. Overview of common imaging strategies and new modalities.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Nicotine Dependence	<i>Annual Mayo Clinic Nicotine Dependence Conference</i>	Three-day conference	Mayo Clinic School of Continuing Medical Education 800-323-2688
Nutrition	<i>Mayo Clinic Nutrition in Health and Disease</i>	Two-day course on common and challenging nutrition issues encountered in ambulatory hospital settings.	Mayo Clinic School of Continuing Medical Education 800-323-2688
OB/GYN	<i>Advances in Gynecologic Surgery</i>	3 day conference.	Cleveland Clinic www.clevelandclinicmeded.com
OB/GYN	<i>OB/GYN Clinical Reviews</i>	Two-day course offering a review of relevant topics including specific information for operating room and delivery room.	Mayo Clinic School of Continuing Medical Education 800-323-2688
OB/GYN	<i>Robotic Surgery in Gynecology</i>	Four-day course in laparoscopic and endoscopic gyn surgery as well as latest techniques and complications.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Oncology	<i>Emerging Diagnostic and Screening Strategies in Breast Cancer</i>	1 day seminar for PCPs, Internists, Family Practitioners, OBGYNs, NPs and PAs	Cleveland Clinic www.clevelandclinicmeded.com
Oncology	<i>Annual Moll Pavilion Cancer Symposium</i>	Annual 1 day conference.	Cleveland Clinic www.clevelandclinicmeded.com
Oncology	<i>Therapy and Stereotactic Radiosurgery</i>	Faculty and participants will have 3 days to discuss advances in the treatment of benign and malignant tumors involving multiple organ sites. A broad range of organ-specific technical and clinical experience will be presented with hands-on opportunities to interact with faculty and system vendors	Cleveland Clinic www.clevelandclinicmeded.com

Ophthalmology	<i>Annual Innovations in Ophthalmology</i>	Annual 4-day conference.	Cleveland Clinic www.clevelandclinicmeded.com
Ophthalmology	<i>Upper Mississippi Valley Retina Cases Conference</i>	Half-day program sharing interesting, rare, difficult or unknown cases.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Optometry	<i>Current Concepts in Primary Eye Care</i>	One-day course including strabismus, age-related macular degeneration, visual regs for driving privileges, surgeries, orbital tumors, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Orthopaedics	<i>Annual Orthopaedics: Excellence Through Education</i>	1 day annual seminar for PAs, RNs, LPNs, technologists.	Cleveland Clinic www.clevelandclinicmeded.com
Orthopedic Surgery	<i>Mayo Clinic Orthopedic Surgery: Lower Extremity Reconstruction</i>	Four-day course with an intensive overview of advances using best techniques.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Orthopedics	<i>Bread and Butter Orthopedics: How to Expand and Enhance Your Primary Care Practice</i>	One-day course on current topics as well as injection techniques, splinting and casting.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Otolaryngology	<i>Rhinofest</i>	Four-day course on endoscopic mgmt. of sinus diseases, nasal tumors, surgery, septorhinoplasty, cosmetic surgery, chronic rhinosinusitis, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pain Management	<i>Pain Management for the PCP</i>	This one-day course focuses on the concept that chronic pain should be considered a disease and not just a symptom. Various chronic pain conditions and state-of-the-art approaches in diagnosis and management will be discussed.	Cleveland Clinic www.clevelandclinicmeded.com
Pain Management	<i>Update in Headache Management</i>	1 day conference for those involved with care of headache, neck pain, and other related chronic pain disorders	Cleveland Clinic www.clevelandclinicmeded.com
Pain Management	<i>Annual Pain Management Symposium</i>	5 day conference to promote a better understanding of the pathophysiology of acute and chronic pain and to enhance knowledge of various chronic neuropathic pain conditions and of the novel state-of-the-art interventional and non-interventional techniques in the diagnosis and management of chronic pain, cancer pain, and headache.	Cleveland Clinic www.clevelandclinicmeded.com
Pain Management	<i>Pain Medicine: A State-of-the-art Course in Pain Management for the Pain Specialist</i>	Three-day course on the integration of pain services across disciplines.	Mayo Clinic School of Continuing Medical Education 800-323-2688

Pain Management	<i>Pain Medicine for the Non-Pain Specialist</i>	Three-day course to provide an update on critical issues in the management of chronic pain. Targeted to PCP and other medical professionals who are non-pain specialists.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pain Management	<i>Mayo Health System Regional Rehabilitation Providers Conference</i>	Yearly one-day conference to update on current evaluation and management of spine pain patients.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pain Management	<i>Addiction-Free Pain Management Certification School</i>	Three-day course on learning the skills to successfully work with people with chronic pain and potential or actual addictive disorders.	Institute of Chemical Dependency Studies Anne (866) 523-2669 or Anne@cdstudies.com
Pain Management	<i>Pain Management Series</i>	12 learning modules worth 12 credit hours	American Medical Association www.ama-cmeonline.com
Palliative Medicine	<i>Palliative Medicine 2008</i>	Annual 3-day conference.	Cleveland Clinic www.clevelandclinicmeded.com
Pathology	<i>A Hands-On Approach to Diagnostic Pathology</i>	2 day conference.	Cleveland Clinic www.clevelandclinicmeded.com
Patient Safety	<i>Human Factors in Health Care: Practical Applications to Improve Patient Safety</i>	Three-day course examining the core elements of human factors science and how it influences system safety; utilization of tools and teamwork to improve patient care.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pediatrics	<i>Minnesota Memorial Pediatric Orthopedic Symposium</i>	One-day symposium on current approaches to challenging cases.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pediatrics	<i>Mayo Clinic T. Denny Sanford Pediatric CME Conference</i>	One-day symposium on recent breakthroughs, and working with subspecialists.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pediatrics	<i>Mayo Clinic Pediatric Days</i>	Two-day conference providing info on variety of medical issues affecting children and adolescents.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Perioperative Medicine	<i>An Overview of Perioperative Medicine</i>	Three-day course to update health-care professionals on perioperative assessment and postoperative management.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Phlebotomy	<i>Quality Phlebotomy: Beyond the Basics</i>	One-day course on needle stick injuries, drawing samples through catheters, preventing collection errors, etc.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Practice Mgmt.	<i>Practice Management Symposium</i>	One day symposium on new skills and strategies to keep bottom line healthy.	OSMA 800-766-6762 or www.osma.org
Practice Mgmt.	<i>The Front Office's Role in the Revenue Cycle</i>	3 hour session on communication, teamwork, and the revenue cycle.	OSMA 800-766-6762 or www.osma.org

Practice Mgmt.	<i>Chart Auditing the E&M Services</i>	5 1/2 hour session on conducting periodic chart reviews for accuracy in coding as well as preparing for an audit	OSMA 800-766-6762 or www.osma.org
Practice Mgmt.	<i>Practice Management Bootcamp</i>	Two day seminar focusing on practice management issues	American Academy of Medical Management webmaster@epracticemanagement.org (770) 649-7150
Prescribing	<i>The PBI Prescribing Course: Opioids, Pain Management and Addiction</i>	At the end of the course, prescribers will apply into clinical practice the prescribing laws and regulation of their state for the safe and effective use of opioids and controlled substances; produce and maintain medical records documenting compliance with the prescribing laws and documenting appropriate management and treatment of chronic pain; and differentiate opioid dependency and addiction to minimize abuse potential and maximize pain management. 21 CME Category 1 AMA PRN Credits (5 hours pre-course, 16 hours live).	Professional Boundaries, Inc./University of Alabama School of Medicine 888-724-2224
Prescribing	<i>Prescribing Controlled Substances: Challenges and Pitfalls</i>	This course offers healthcare providers a working knowledge of chronic pain and addiction challenges. It instructs in safe and knowledgeable use of opioids and other medications for treating pain.	University of Texas Southwestern Medical Center - 800-258-4250 www.santecenter.com
Prescribing	<i>Intensive Course in Controlled Substance Management</i>	3-1/2 day course on controlled drug profiles, diagnosis and mgmt of abuse, case mgmt strategies, diagnostic criteria for substance abuse, etc.	Case Western University Office of CME - 216-368-2409 or 800-274-8263
Prescribing	<i>Appropriate Prescribing of Controlled Substances</i>	5-day course on in-depth knowledge of drug misuse and abuse, and dependence etiologies, pharmacology of substances, prescribing laws, etc.	Mercer Univ (Atlanta) Center for Substance Abuse Education and Research, 404-986-3174
Prescribing	<i>Appropriate Prescribing Workshop</i>	Two day course on use/misuse of drugs, addiction recognition and treatment, mgmt of chronic pain, medical ethics, medical records, etc.	Oregon Board of Medical Examiners 513-229-5873 X-220
Prescribing	<i>Opiate Maintenance Treatment Programs</i>	Four-day course designed for OMTP or Buprenorphine certified physicians who seek to enhance their ability to effectively, efficiently and safely provide OMT, while minimizing abuse and limiting liability. CME - 39.0 Cat I Cost - \$950	Case Western University Office of CME - 216-368-2409 or 800-274-8263

Prescribing	<i>The Prescribing and Use of Controlled Substances</i>	4-day course on identifying addiction potential, selecting drugs, behavioral changes, selecting a treatment for abuser, etc.	Univ of Kentucky College of Pharmacy - 606-257-3170
Prescribing	<i>Clinical, Legal, and Ethical Issues in Prescribing Abusable Drugs</i>	2-day course on pharmacokinetic principles relating to drugs, need and proper use of abusable drugs, record keeping, enforcement etc.	Univ of South Florida School of Medicine, 800-852-5362, www.cme.hsc.usf.edu
Prescribing	<i>The Proper Prescribing of Controlled and Dangerous Substance Seminar</i>	Current controlled substance laws, pharmacology and toxicology, warning signs of drug seeking, interviewing, record keeping, etc.	Univ. of New Jersey Medical Center 800-973-0590
Prescribing	<i>Prescribing Controlled Drugs</i>	3-day course on proper prescribing, identifying risk behaviors and dependence, treatment resources, and info on State Physicians Health Programs	Vanderbilt Center for Professional Health, 615-936-0678
Prescribing	<i>Prescribing and Pharmacology of Controlled Drugs: Critical Issues and Common Pitfalls</i>	2-day course designed to increase knowledge and ability to effectively prescribe and control medications without the potential for abuse	Medical Association of the State of Alabama 800-468-3571
Professionalism	<i>Professionalism at Academic Medical Centers: Challenges and Opportunities</i>	Two-day course on promoting, teaching, learning and assessing professionalism at academic centers.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Psychiatric Prescribing	<i>Psychiatric Pharmacogenomics</i>	Three-day course on using new biotechnological research to assist in using right medicine and dosing of psychotropic drugs.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Psychiatry	<i>Psychiatric Genomics: Applications for Clinical Practice</i>	Five-day course on genomics progressing to clinical applications.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pulmonology	<i>Pulmonary Hypertension Update</i>	One-day evaluation and management of pulmonary arterial hypertension and lung transplant issues.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Pulmonology	<i>A Multidisciplinary Update in Pulmonary and Critical Care Medicine</i>	Four-day course in current evaluation and management of various respiratory diseases.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Radiology	<i>Advanced Radiology Life Support Course</i>	One-day course focusing on unique emergencies that occur in radiology dept. Basic and Cardiac Life Support certifications are offered.	Mayo Clinic School of Continuing Medical Education 800-323-2688
Radiology	<i>Tutorials in Diagnostic Radiology</i>	Five-day course on new trends, relevant techniques and diagnostic imaging.	Mayo Clinic School of Continuing Medical Education 800-323-2688
