

NOTICE

Beginning September 29, 2015 the board will no longer be issuing wallet cards at the time of initial licensure or renewal pursuant to HB 64. The board's website will be the sole source of verifying the status of an individual license.

The current status of your license (whether active, inactive, lapsed, etc.) will be available online at the Board's website: <http://www.med.ohio.gov>. The web site will also show the date your license expires. For employers and payor plans to verify the status of the license, they will go online (just as they do now) to do so. The list of licenses that you hold will be displayed under your personal information. It will contain your license number, status, issue date, and expiration date. You may also use the website for address updates, letters of good standing requests, online renewals, etc. This service is available 24 hours a day—7 days a week.

(Pursuant to ORC 4731.071, the state medical board shall develop and publish on its internet web site a directory containing the names of, and contact information for, all persons who hold current, valid certificates or licenses issued by the board under this chapter or Chapter 4730., 4760., 4762., 4774., or 4778. of the Revised Code. Except as provided in section 4731.10 of the Revised Code, the directory shall be the sole source for verifying that a person holds a current, valid certificate or license issued by the board.)
