**Certificate to recommend medical marijuana.**

(A) Eligibility for a certificate to recommend medical marijuana requires that all of the following requirements be met:

- (1) The applicant holds an active, unrestricted license to practice medicine and surgery or osteopathic medicine and surgery under section 4731.14 or 4731.29 of the Revised Code;
- (2) The applicant has been granted access to and is not under any prohibition for access to the drug database established and maintained by the board of pharmacy pursuant to section 4729.75 of the Revised Code.
- (3) The applicant holds an active registration with the drug enforcement administration
- (4) The applicant has not been denied a license to prescribe, possess, dispense, administer, supply, or sell a controlled substance by the drug enforcement administration or appropriate issuing body of any state or jurisdiction, based, in whole or in part, on the applicant's inappropriate prescribing, personally furnishing, dispensing, administering, supplying or selling a controlled substance or other dangerous drug.
- (5) The applicant has not held a license issued by the drug enforcement administration or a state licensing administration in any jurisdiction, under which the person may prescribe, personally furnish, dispense, possess, administer, supply or sell a controlled substance, that has ever been restricted, based, in whole or in part, on the applicant's inappropriate prescribing, dispensing, administering, supplying, or selling a controlled substance or other dangerous drug.
- (6) The applicant has not been subject to disciplinary action by any licensing entity that was based, in whole or in part, on the applicant's inappropriate prescribing, personally furnishing, dispensing, diverting, administering, supplying or selling a controlled substance or other dangerous drug.
- (7) The applicant has completed at least two hours of continuing medical education in a course or courses certified by the Ohio state medical association or the Ohio osteopathic association that assist physicians in both of the following:
  - (a) Diagnosing qualifying medical conditions as defined in section 3796.01 of the Revised Code;
  - (b) Treating qualifying medical conditions with medical marijuana, including the characteristics of medical marijuana and possible drug interactions.
- (8) The applicant has no ownership or investment interest in or compensation agreement with any medical marijuana entity licensed or applicant seeking

licensure under Chapter 3796. of the Revised Code.

(B) An applicant for a certificate to recommend medical marijuana shall file an application under oath with the board in compliance with section 4731.30 of the Revised Code.

(1) An application shall be considered complete when all the following requirements are met:

(a) Evidence of all the requirements in paragraph (A) are received by the board.

(b) The board is not conducting an investigation pursuant to section 4731.22 of the Revised Code of evidence appearing to show that the applicant has violated section 4731.22 or 4731.30 of the Revised Code or applicable rules adopted by the board.

(2) The application shall be processed in accordance with the following:

(a) All application materials submitted to the board will be thoroughly investigated. The board may contact individuals, agencies, or organizations for information about applicants as the board deems necessary. As part of the application process, an applicant may be requested to appear before the board or a board representative to answer questions or provide additional information.

(b) Any applicant to whom the board proposes to deny certificate issuance shall be entitled to a hearing on the issue of such proposed denial in compliance with the provisions of Chapter 119. of the Revised Code and the rules in chapter 4731-13 of the Administrative Code.

(c) No application for a certificate to recommend medical marijuana may be withdrawn without the approval of the board.

(3) The following processes apply when an application is not complete within six months of the date the application is received by the board:

(a) If the application is not complete because required information, facts, or other materials have not been received by the board, the board may notify the applicant that it intends to consider the application abandoned if the application is not completed.

(i) The notice shall specifically identify the information, facts, or other materials required to complete the application and inform the applicant that the information, facts, or other materials must be received by the specified deadline date. The notice shall also inform the applicant that if the application remains incomplete at

the close of business on the deadline date the application may be deemed to be abandoned.

(ii) If all of the information, facts, or other materials are received by the board by the deadline date and the application is determined to be complete, the board shall process the application and may require updated information as it deems necessary.

(b) If the application is not complete because the board is investigating, pursuant to section 4731.22 of the Revised Code, evidence appearing to show that the applicant has violated Chapter 4731. of the Revised Code or applicable rules adopted by the board, the board shall do both of the following:

(i) Notify the applicant that although otherwise complete, the application will not be processed pending completion of the investigation; and

(ii) Upon completion of the investigation and the determination that the applicant is not in violation of statute or rule, process the application, including requiring updated information as it deems necessary.

(C) The certificate to recommend shall be renewed when the holder's license to practice as a physician or osteopathic physician is renewed or restored, conditioned upon the holder's certification of having met the requirements in paragraph (A) of this rule and having completed annually at least two hours of continuing medical education in medical marijuana approved in accordance with paragraph (A)(7) of this rule.

(D) The board shall notify the board of pharmacy if a physician's certificate to recommend is lapsed, surrendered, suspended, revoked or otherwise not renewed.

**Standard of care.**

In order to practice within the minimal standards of care when recommending treatment with medical marijuana, a physician shall comply with all of the following requirements:

- (A) The physician shall establish and maintain a bona fide physician-patient relationship with the patient for the provision of medical services that is established in an in-person visit that complies with this rule and for which there is an expectation that the physician will provide care to the patient on an ongoing basis.
- (B) The physician shall create and maintain a medical record that documents the provision of medical services. The documentation shall include all of the following:
- (1) Patient's name and date or dates of office visits or treatments;
  - (2) A description of the patient's current medical condition;
  - (3) Documented assessment of the patient's medical history, including relevant prescription history and any history of substance use disorder;
  - (4) Documented review of any available relevant diagnostic test results;
  - (5) Documented review of prior treatment and the patient's response to the treatment;
  - (6) Documented review of the patient's current medication to identify possible drug interactions, including benzodiazepines and opioids.
  - (7) Documented review that standard medical treatment has been attempted or considered. If standard medical treatment is not attempted, the physician must document the reasons that standard medical treatment is not appropriate for this patient;
  - (8) Based on evidence or behavioral indications of addiction or drug abuse, the physician may obtain a drug screen on the patient. It is within the physician's discretion to decide the nature of the screen and which type of drug to be screened;
  - (9) The physician's performance of a physical examination relevant to the patient's current medical condition;
  - (10) The physician's diagnosis of the patient's medical condition; and
  - (11) If the patient has been previously diagnosed with a qualifying medical condition as defined in section 3796.01 of the Revised Code, by a physician licensed to practice medicine under section 4731.14 or 4731.29 of the Revised Code, the physician may confirm the diagnosis so long as the physician obtains a copy of the medical records or a detailed written summary

indicating the diagnosis and the physician is satisfied that he or she can rely on those records to confirm diagnosis of a qualifying condition. The practitioner shall maintain a copy of any record or report of any physician on which the physician relied for purposes of meeting the requirements under this paragraph.

(C) If the physician diagnoses or confirms the diagnosis of a qualifying medical condition, as that term is defined in section 3796.01 of the Revised Code, the physician shall document in the medical record compliance with all of the following actions when recommending treatment with medical marijuana:

(1) Development of a treatment plan, including consideration of whether treatment with medical marijuana is complementary to standard medical treatment.

(2) The review of the report concerning the patient obtained from the drug database established and maintained by the board of pharmacy pursuant to section 4729.75 of the Revised Code. The report shall cover at least the twelve months immediately preceding the date of the report.

(3) Discussion with the patient regarding any indicators of possible abuse or diversion of controlled substances that are reflected on the drug database report obtained from the board of pharmacy.

(4) The explanation of the risks and benefits of treatment with medical marijuana as it pertains to the patient's qualifying medical condition and medical history and the physician's opinion that the benefits of medical marijuana outweigh the risks.

(5) The patient's consent prior to completing a recommendation for treatment with medical marijuana. If the patient is a minor, the physician shall obtain the consent of the patient's parent or legal representative prior to completing a recommendation for treatment with medical marijuana for the patient.

(6) Whether the patient needs a caregiver to assist in the use or administration of medical marijuana. If the patient needs a caregiver, the physician shall document the name of the caregiver designated by the patient or the patient's legal representative.

(D) In recommending treatment with medical marijuana, the physician or the physician's delegate shall determine from the medical marijuana patient registry established and maintained by the board of pharmacy whether the patient has an active registration for medical marijuana.

(1) If the patient is not registered or if the patient's registration will expire within thirty days, the physician or physician's delegate shall submit the patient's application for registration or renewal in compliance with the requirements of section 3796.04 of the Revised Code and the rules of the board of pharmacy

adopted under section 3796.06 of the Revised Code.

(2) The recommendation for treatment with medical marijuana shall include a statement from the physician certifying the following:

(a) A bona fide physician-patient relationship exists between the physician and patient;

(b) The patient has been diagnosed with at least one qualifying medical condition;

(c) Description of the qualifying medical condition(s) and indication whether the qualifying condition is a terminal illness for which the patient has a life expectancy of six months or less;

(d) The physician or physician's delegate has requested from the drug database a report of information related to the patient that covers at least the twelve months immediately preceding the date of the report;

(e) The physician has informed the patient of the risks and benefits of medical marijuana as it pertains to the patient's qualifying medical condition and medical history; and

(f) The physician has informed the patient that it is the physician's opinion that the benefits of medical marijuana outweigh its risks.

(E) A physician who recommends treatment with medical marijuana shall be available to provide follow-up care and treatment to the patient, including physical examinations relevant to the patient's condition to determine the efficacy of medical marijuana in treating the patient's qualifying medical condition. If the qualifying condition was indicated as a terminal illness in the prior six months, the physician shall confirm whether the patient's condition continues to be a terminal illness.

(F) The physician shall terminate or decline to issue a new recommendation for medical marijuana under any of the following circumstances:

(1) The physician has determined that the benefits of medical marijuana no longer outweigh the risks.

(2) The patient no longer has the diagnosis of or symptoms of the qualifying medical condition.

(3) The physician no longer has a valid certificate to recommend medical marijuana.

(4) Based on the physician's clinical judgement, the patient or caregiver is abusing

or diverting medical marijuana.

(5) The patient is deceased.

(G) The records required for the recommendation of medical marijuana may be kept with the patient's other medical records and shall be retained for at least three years following the last office visit by the patient.

(H) The physician shall submit to the board an annual report describing the physician's observations regarding the effectiveness of medical marijuana in treating patients. The report shall not contain patient-identifying information.

**Petition to request additional qualifying condition or disease.**

(A) A petition to request the approval of a condition or disease to be designated as a qualifying medical condition shall be submitted to the board in the manner required by the board.

(B) No later than October fifteenth of each year, the board shall designate a period during which petitions will be accepted in the next calendar year. Petitions will not be accepted after the expiration of the acceptance period.

(C) A petition shall include all of the following information:

(1) The name and contact information for the person submitting the petition.

(2) The specific disease or condition requested to be added as a qualifying condition;

(3) Information from experts who specialize in the study of the disease or condition;

(4) Relevant medical or scientific evidence pertaining to the disease or condition;

(5) Consideration of whether conventional medical therapies are insufficient to treat or alleviate the disease or condition;

(6) Evidence supporting the use of medical marijuana to treat or alleviate the disease or condition, including journal articles, peer-reviewed studies, and other types of medical or scientific documentation;

(7) Letters of support provided by physicians with knowledge of the disease or condition. This may include a letter provided by the physician treating the petitioner, if applicable.

(D) The state medical board shall not consider a petition seeking to add a broad category of diseases or conditions.

(E) In making its decision, the board shall review the petitions and supporting material.

(1) The board may consolidate the review of two or more petitions submitted for the same or similar diseases or conditions.

(2) The board may establish a limit on the number of petitions to be considered in a calendar year.

(3) The board shall consult with one or more experts who specialize in the disease or condition.

(4) The board shall review any relevant medical or scientific evidence pertaining to

the disease or condition.

(5) The board shall consider whether conventional medical therapies are insufficient to treat or alleviate the disease or condition.

(6) The board shall review evidence supporting the use of medical marijuana to treat or alleviate the disease or condition.

(7) The board shall review any letters of support provided by physicians with knowledge of the disease or condition, including any letter provided by a physician treating the petitioner, if applicable.

(8) The board shall review any other relevant evidence regarding the disease or condition.

(F) The board will issue a written decision no later than one hundred eighty days after the acceptance period closes unless the board determines that good cause exists to allow an extension. The board shall notify the petitioner of its decision and publish the decision on the medical marijuana control program website.

(G) Any petition for a condition that has been previously reviewed by the board and rejected will not be considered by the board unless new scientific research that supports the request is offered.
