Dear Doctor Kratz:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

- (1) On or about August 19, 1994, the Texas State Board of Medical Examiners (hereinafter "Texas Board") entered an Agreed Order which restricted your license to practice osteopathic medicine for five years under certain specified terms and conditions. This action was based, in part, upon the Texas Board's conclusion that you failed to keep complete and accurate records of purchases and disposals of the controlled substance acetaminophen with codeine. A copy of the aforementioned Agreed Order is attached hereto and fully incorporated herein.

The Agreed Order, as alleged in paragraph (1) above, constitutes "(t)he limitation, revocation, or suspension by another state of a license or certificate to practice issued by the proper licensing authority of that state, the refusal to license, register, or reinstate an applicant by that authority, or the imposition of probation by that authority, for an action that also would have been a violation of this chapter, except for nonpayment of fees," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code, to wit: Section 4731.22(B)(20), to wit: Rule 4731-11-02(E), Ohio Administrative Code, to wit: Section 3719.07, Ohio Revised Code.

In accordance with paragraph (F) of Rule 4731-11-02, Ohio Administrative Code, a violation of any provision of this rule, as determined by the Board, shall also constitute "failure to use reasonable care discrimination in the administration of drugs," as that clause is used in Division (B)(2) of Section 4731.22 of the Revised Code; and "a departure from, or the failure to conform to, minimal standards of care of similar

practitioners under the same or similar circumstances, whether or not actual injury to a patient is established," as that clause is used in Division (B)(6) of Section 4731.22 of the Revised Code.

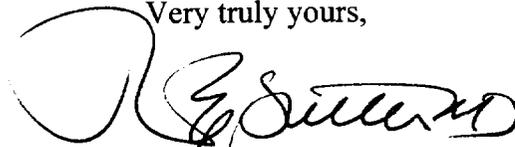

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery or to reprimand or place you on probation.

Copies of the applicable sections are enclosed for your information.

Very truly yours,

Thomas E. Gretter, M.D.
Secretary
