Dear Doctor Jamieson:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery or to reprimand or place you on probation for the following reasons:

1. On or about July 1, 1985 you were convicted in the U. S. District Court, Wichita, Kansas of twenty-two (22) counts of violating Title 21 U.S.C. Section 841(a)(1), the unlawful manufacturing, distributing, dispensing, or possessing with intent to distribute or dispense, a controlled substance, each said count constituting a felony.

The convictions described in the above paragraph (1) constitute "conviction of violation of any federal or state law regulating the possession, distribution, or use of any drug", as that clause is used in Section 4731.22(B)(3), Ohio Revised Code.

Further, the acts committed by you upon which said conviction was based constitute "selling, prescribing, giving away, or administering drugs for other than legal and legitimate therapeutic purposes", as that clause is used in Section 4731.22(B)(3), Ohio Revised Code.

Said conviction further constitutes "conviction of a felony whether or not committed in the course of his practice", as that clause is used in Section 4731.22(B)(9), Ohio Revised Code.

2. On or about July 3, 1985, you submitted an application for registration to practice osteopathic medicine in the State of Ohio for the 1985-86 biennium. You failed to answer the questions on the application card inquiring whether, since you last renewed your license, you have been convicted of or pled nolo contendere to a felony, a misdemeanor committed in the course of practice, or a federal or state law regulating the possession, distribution, or use of any drug. At the time said application was submitted you had in fact been convicted in federal court as described in the above paragraph (1).

Your failure to report your criminal conviction, as described in the above paragraph (2), constitutes a violation of Section 4731.281, Ohio Revised Code, for which the Board may impose sanctions pursuant to Section 4731.22 (B)(16), Ohio Revised Code.

Further, your failure to report your criminal conviction as described in the above paragraph (2), constitutes "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the Board", as that clause is used in Section 4731.22(A), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, that request must be made within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing made within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery or to reprimand or place you on probation.

A copy of the Medical Practice Act is enclosed for your information.

Very truly yours,

Henry G. Cramblett, M. D.
