- (1) On or about June 9, 1999, the Alabama State Board of Medical Examiners (hereinafter the "Alabama Board") accepted the voluntary surrender of your certificate of qualification, license and Alabama Controlled Substances Certificate.

In your voluntary surrender dated May 20, 1999, you acknowledged that this action was taken by you while under investigation by the Alabama Board for alleged violations of Ala. Ala. Code §34-24-360(19)(1997). A copy of the voluntary surrender and the Alabama Board acceptance of that surrender is attached hereto and fully incorporated herein.

The Alabama Board acceptance of your voluntary surrender of license, as alleged in paragraph (1) above, constitutes "[a]ny of the following actions taken by the state agency responsible for regulating the practice of medicine and surgery, osteopathic medicine and surgery, podiatry, or the limited branches of medicine in another state, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;" as that language is used in Section 4731.22(B)(22), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery or to reprimand or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, effective March 9, 1999, provides that "[w]hen the board refuses to grant a certificate to an applicant, revokes an individual's certificate to practice, refuses to register an applicant, or refuses to reinstate an individual's certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate."
