**BEFORE THE STATE MEDICAL BOARD OF OHIO**

**IN THE MATTER OF**

**BENJAMIN GOLDBERG, D.O.**

**FINDINGS, ORDER AND JOURNAL ENTRY**

This matter came on for consideration after a citation letter was mailed to Benjamin Goldberg, D.O., by the State Medical Board of Ohio on July 15, 1993.

By letter dated July 14, 1993, notice was given to Benjamin Goldberg, D.O., that the State Medical Board intended to consider disciplinary action regarding his license to practice osteopathic medicine and surgery in Ohio, and that he was entitled to a hearing if such hearing was requested within thirty (30) days of the mailing of said notice. In accordance with Section 119.09, Ohio Revised Code, said notice was sent via certified mail, return receipt requested, to the last known address of Benjamin Goldberg, D.O., that being 13281 McGregor Blvd., Ft. Myers, FL, 33919. Said notice is attached hereto and fully incorporated herein.

No request for hearing has been received from Dr. Goldberg, and more than thirty days have elapsed since the mailing of the aforesaid notice.

**WHEREFORE,**

- I. Based on "the limitation, revocation or suspension by another state of a license or certificate to practice issued by the proper licensing authority of that state, the refusal to license, register, or reinstate an applicant by that authority, or the imposition of probation by that authority, for an action that would also have been a violation of this chapter, except for nonpayment of fees," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code, to wit: Section 4731.22(B)(26), Ohio Revised Code, it is hereby ORDERED that:
  - A. The certificate of Benjamin Goldberg, D.O., to practice osteopathic medicine and surgery in the State of Ohio shall be **SUSPENDED** for an indefinite period of time.
  - B. The State Medical Board shall not consider reinstatement of Dr. Goldberg's certificate to practice unless and until all of the following minimum requirements are met:
    1. Dr. Goldberg shall submit an application for reinstatement accompanied by appropriate fees.
    2. Dr. Goldberg shall submit to the Board and receive its approval for a plan of practice in Ohio which, unless and until otherwise determined by the Board,

shall be limited to a supervised structure environment in which Dr. Goldberg's activities will be directly supervised and overseen by another physician approved by the Board.

3. Dr. Goldberg shall provide the Board with written reports of evaluation by two physicians acceptable to the Board indicating that Dr. Goldberg's ability to practice has been assessed and that Dr. Goldberg has been found capable of practicing in accordance with acceptable and prevailing standards of care. Each report shall describe with particularity the bases for this determination and shall set forth any recommended limitations upon Dr. Goldberg's practice.
4. Dr. Goldberg shall provide the Board with certification from an approved treatment provider that Dr. Goldberg has successfully completed any required inpatient treatment and is in continuing full compliance with regard to any required outpatient treatment and/or aftercare.
5. In the event that Dr. Goldberg has not been engaged in the active practice of medicine and surgery for a period in excess of two (2) years prior to application for reinstatement, the Board may exercise its discretion under Section 4731.222, Ohio Revised Code, to require additional evidence of Dr. Goldberg's fitness to resume practice.

C. Upon reinstatement, Dr. Goldberg's certificate shall be subject to the following PROBATIONARY terms, conditions and limitations for a period of at least two (2) years:

1. Dr. Goldberg shall obey all federal, state and local laws, and all rules governing the practice of medicine in Ohio;
2. Dr. Goldberg shall submit quarterly declarations under penalty of BOARD disciplinary action or criminal prosecution, stating whether there has been compliance with all the conditions of probation;
3. Dr. Goldberg shall appear in person for quarterly interviews before the Board or its designated representative, or as otherwise directed by the Board;
4. In the event that Dr. Goldberg should leave Ohio for three (3) continuous months, or reside or practice outside the State, Dr. Goldberg must notify the Board in writing of the dates of departure and return. Periods of time spent outside Ohio will not apply to the reduction of this probationary period, unless otherwise determined by motion of the Board in instances where the Board can be assured that probationary monitoring is otherwise being performed;
5. In the event Dr. Goldberg is found by the Secretary of the Board to have failed to comply with any provision of probation, and is so notified of that deficiency in writing, such period(s) of noncompliance will not apply to the reduction of this probationary period;
6. Dr. Goldberg shall not prescribe, order, dispense, administer, or possess (except as prescribed for Dr. Goldberg's use by another so authorized by law) any controlled substances, and shall be ineligible to reapply for or to hold registration with the United States Drug Enforcement Administration without prior Board approval;

7. Dr. Goldberg shall abstain completely from the personal use or possession of drugs, except those prescribed, dispensed or administered to him by another so authorized by law who has full knowledge of Dr. Goldberg's history of chemical dependency;
8. Dr. Goldberg shall abstain completely from the use of alcohol;
9. Dr. Goldberg shall submit to random urine screenings for drugs and alcohol on a weekly basis or as otherwise directed by the Board. Dr. Goldberg shall ensure that all screening reports are forwarded directly to the Board on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the Board. Within thirty (30) days of the effective date of the reinstatement of his certificate, Dr. Goldberg shall submit to the Board for its prior approval the name of a supervising physician to whom Dr. Goldberg shall submit the required urine specimens. The supervising physician shall ensure that the urine specimens are obtained on a random basis, that the giving of the specimen is witnessed by a reliable person, and that appropriate control over the specimen is maintained. In addition, the supervising physician shall immediately inform the Board of any positive screening results. Dr. Goldberg shall ensure that the supervising physician provides quarterly reports to the Board, on forms approved or provided by the Board, verifying whether all urine screens have been conducted in compliance with this Order, whether all urine screens have been negative, and whether the supervising physician remains willing and able to continue in his responsibilities. In the event that the designated supervising physician becomes unable or unwilling to so serve, Dr. Goldberg must immediately notify the Board in writing, and make arrangements acceptable to the Board for another supervising physician as soon as practicable;
10. Dr. Goldberg shall submit blood or urine specimens for analysis without prior notice at such times as the Board may request;
11. Within thirty (30) days of the effective date of the reinstatement of his certificate, Dr. Goldberg shall submit for the Board's prior approval the name of a monitoring physician, who shall review Dr. Goldberg's patient charts and shall submit a written report of such review to the Board on a quarterly basis. Such chart review may be done on a random basis, with the frequency and number of charts reviewed to be determined by the Board. It shall be Dr. Goldberg's responsibility to ensure that the monitoring physician's quarterly reports are submitted to the Board on a timely basis. Further, the monitoring physician shall otherwise monitor Dr. Goldberg and provide the Board with quarterly reports on the doctor's progress and status. Dr. Goldberg shall ensure that such reports are forwarded to the Board on a quarterly basis. In the event that the designated monitoring physician becomes unable or unwilling to serve in this capacity, Dr. Goldberg must immediately so notify the Board in writing, and make arrangements acceptable to the Board for another monitoring physician as soon as practicable;
12. Dr. Goldberg shall maintain participation in an alcohol and drug rehabilitation program, such as A.A., N.A., or Caduceus, approved in advance by the Board specifically for Dr. Goldberg, no less than three (3) times per week or as otherwise directed by the Board. Substitution of any specific program must receive prior Board approval. At his appearances before the Board or its

designated representative, Dr. Goldberg shall submit acceptable documentary evidence of continuing compliance with this program;

13. Within thirty (30) days of the effective date of the reinstatement of his certificate, Dr. Goldberg shall submit to the Board for its prior approval the name and qualifications of a psychiatrist or psychologist of his choice. Upon approval by the Board, Dr. Goldberg shall undergo and continue psychiatric or psychological treatment no less than once per week, or as otherwise directed by the Board. Dr. Goldberg shall ensure that reports are forwarded by his treating psychiatrist or psychologist to the Board on a monthly basis, or as otherwise directed by the Board;
  14. Dr. Goldberg shall obtain the approval of the Board for any medical practice or employment related to the health care fields. The Board shall consider, among other factors, the adequacy and continuity of supervision and the feasibility of restricted access to controlled substances, which will ensure the protection of the public, prior to approval or disapproval of the proposed employment;
  15. Dr. Goldberg shall maintain continued compliance with the terms of the aftercare contract entered into with his treatment provider, provided that where terms of the aftercare contract conflict with terms of this probation, the terms of this probation shall control;
  16. Dr. Goldberg shall provide continuing authorization, through appropriate written consent forms, for disclosure by his treatment provider to the Board, to treating and monitoring physicians, and to others involved in the monitoring process, of information necessary for them to fulfill their respective duties and obligations;
  17. Dr. Goldberg shall provide a copy of this Order to all employers or entities with which he contracts to provide physician services or receive training; and the Chief of Staff at each hospital where he has, applies for, or obtains privileges or appointments.
- D. If Dr. Goldberg violates the terms of this probation in any respect, the Board, after giving Dr. Goldberg notice and the opportunity to be heard, may institute whatever disciplinary action it deems appropriate.
- E. Upon successful completion of probation, Dr. Goldberg's certificate will be fully restored.

II. Further, based on Dr. Goldberg's commission of "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the board," as that clause is used in Section 4731.22(A), Ohio Revised Code, and on the basis of Dr. Goldberg's having published "a false, fraudulent, deceptive, or misleading statement," as that clause is used in Section 4731.22(B)(5), Ohio Revised Code, it is hereby ORDERED that:

- A. The certificate of Benjamin Goldberg, D.O. to practice osteopathic medicine and surgery in the State of Ohio shall be SUSPENDED for a period of one (1) year.
- B. Upon reinstatement, Dr. Goldberg's certificate shall be subject to the PROBATIONARY terms, conditions and limitations set forth in paragraphs C.1., C.2., C.3., C.4., C.5. and C.17., above, for a period of at least five (5) years.

- C. If Dr. Goldberg violates the terms of this probation in any respect, the Board, after giving Dr. Goldberg notice and the opportunity to be heard, may institute whatever disciplinary action it deems appropriate.
  - D. Upon successful completion of probation, Dr. Goldberg's certificate will be fully restored.
- III. Each of the periods of suspension set forth above shall run concurrently, and each of the probationary terms, conditions and limitations set forth above shall run concurrently. This ORDER shall become effective immediately upon mailing of notification of approval by the State Medical Board of Ohio.

This ORDER is hereby entered upon the Journal of the State Medical Board of Ohio for the 8th day of December, 1993, and the original thereof shall be kept with said Journal.

Benjamin D. Goldberg, D.O.  
13281 McGregor Blvd.  
Ft. Myers, FL 33919

Dear Doctor Goldberg:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

- (1) On or about August 19, 1992, the Secretary of the Department of Professional Regulation, State of Florida, issued an Order summarily suspending your license to practice osteopathic medicine in that State. The above-mentioned Order is attached hereto and incorporated herein.

The Order of Emergency Suspension of your license to practice osteopathic medicine in the State of Florida as alleged in paragraph (1) above, individually and/or collectively, constitutes "the limitation, revocation or suspension by another state of a license or certificate to practice issued by the proper licensing authority of that state, the refusal to license, register, or reinstate an applicant by that authority, or the imposition of probation by that authority, for an action that would also have been a violation of this chapter, except for nonpayment of fees," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code, to wit: Section 4731.22(B)(26), Ohio Revised Code.

- (2) On or about June 29, 1992, you completed and signed your application for renewal of your certificate to practice osteopathic medicine and surgery in the State of Ohio for this biennium.

On the above-mentioned renewal application you answered "no" to question number one (1.) which asks,

"AT ANY TIME SINCE SIGNING YOUR LAST APPLICATION FOR RENEWAL OF YOUR CERTIFICATE HAVE YOU: Been addicted to or dependent upon alcohol or any chemical substance; or been treated for, or been diagnosed as suffering from, drug or alcohol

*Mailed 7/15/93*

dependency or abuse? You may answer "no" to this question if you have successfully completed treatment at a program approved by this board and have subsequently adhered to all statutory requirements as contained in section 4731.224, O.R.C., and related provisions, or you are currently enrolled in a board approved program. Any questions concerning approval can be directed to the board offices.

In fact, you had not successfully completed treatment at a program approved by this board and had not subsequently adhered to all statutory requirements as contained in section 4731.224, O.R.C., and related provisions, and you had not been currently enrolled in a board approved program at the time you completed and signed your application for renewal of your certificate to practice osteopathic medicine and surgery in the State of Ohio for this biennium.

Your acts, conduct, and/or omissions as alleged in paragraph (2) above, individually and/or collectively, constitute "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the board," as that clause is used in Section 4731.22(A), Ohio Revised Code.

Further, your acts, conduct, and/or omissions as alleged in paragraph (2) above, individually and/or collectively, constitute "soliciting patients or publishing a false, fraudulent, deceptive, or misleading statement," as those clauses are used in Section 4731.22(B)(5), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

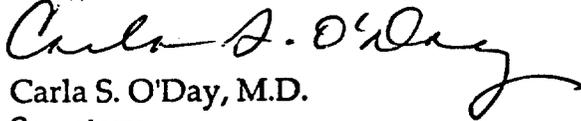

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery or to reprimand or place you on probation.

IN RE: The Emergency Suspension of the License of  
BENJAMIN D. GOLDBERG, D.O.  
License Number: OS 0004352

CLERK

DATE

8-19-92

ORDER OF EMERGENCY SUSPENSION OF THE LICENSE

George Stuart, Secretary of the Department of Professional Regulation, hereby ORDERS the Emergency Suspension of the license to practice osteopathic medicine of Benjamin Goldberg, D.O., (hereinafter referred to as "Dr. Goldberg"). Dr. Goldberg holds license number OS 0004352 and his last known address is 13281 McGregor Blvd., Ft. Myers, Florida 33919. The Emergency Suspension of Dr. Goldberg's license to practice osteopathic medicine is supported by the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. The Department of Professional Regulation is the state agency charged with regulating the practice of osteopathic medicine pursuant to Sections 20.30, 455, and 459, Florida Statutes.

2. Section 455.225(8), Florida Statutes, empowers the Secretary of the Department of Professional Regulation to summarily suspend Dr. Goldberg's license to practice osteopathic medicine in the State of Florida, in accordance with Section 120.60(8), Florida Statutes.

3. Dr. Goldberg is and has been at all times pertinent to this Order a duly licensed osteopathic physician, licensed

JUN 14 1993

pursuant to Chapter 459, Florida Statutes.

4. On April 3, 1991, the Department of Professional Regulation ("the Department") received a report that Dr. Goldberg was writing prescriptions for Demerol for patients and having them filled for his own use. This information was sent to the Physician's Recovery Network (hereinafter "PRN"), but neither PRN or the Department were able to verify the complaint.

5. On July 8, 1991, another complaint was filed against Dr. Goldberg for allegedly writing illegal scripts. PRN was again contacted. PRN contacted Dr. Goldberg, who denied writing the prescriptions for his personal use. Again, the complaint could not be verified.

6. On March 30, 1992, PRN received a report from Dr. John Prater, a psychiatrist, who evaluated Dr. Goldberg on March 28, 1992, when he was admitted through an Emergency Room due to use of intravenous Demerol.

7. On April 10, 1992, PRN staff spoke to Dr. Goldberg. He stated that he was leaving inpatient treatment and wanted to begin outpatient treatment with Dr. Krone. Dr. Krone told PRN that Dr. Goldberg needed three to four weeks inpatient treatment and was not safe to practice at that time. PRN staff informed Dr. Goldberg that he must complete inpatient (primary) treatment and that he must not practice until it was determined that he could do so safely.

8. On April 10, 1992, Dr. Krone reported to PRN that Dr. Goldberg had left inpatient treatment against instructions from PRN.

9. On April 11, 1992, PRN staff spoke to Dr. Goldberg who confirmed that he had left treatment and that he had plans to check into another inpatient facility on April 13, 1992. PRN staff instructed Dr. Goldberg that he was not to practice and that he must be checked into inpatient treatment within twenty-four hours.

10. On April 17, 1992, PRN confirmed with Dr. Zfaz at Mt. Sinai hospital (an inpatient treatment facility) that Dr. Goldberg had been assessed and that he was diagnosed as having a Demerol addiction.

11. On April 20, 1992, Dr. Goldberg was told by PRN to withdraw from practice immediately and enter inpatient treatment within forty-eight hours.

12. On April 21, 1992, PRN staff told Dr. Goldberg's attorney, Diane Tremor, that it was necessary for Dr. Goldberg to enter treatment within forty eight hours from April 20, 1992.

13. On April 21, 1992 PRN was notified by Talbott Recovery Systems in Atlanta, Georgia that Dr. Goldberg had contacted them for preliminary workup, but that he had not committed to entering treatment.

14. On April 21, 1992, PRN spoke with Dr. Goldberg's new attorney, Sal Carpino, concerning urging Dr. Goldberg to enter treatment immediately.

15. On April 22, 1992, a DPR investigator contacted Dr. Goldberg's former employer. Between January 16, 1992 and March 25, 1992, Dr. Goldberg had written and had filled at least nineteen prescriptions for Demerol for eight different patients. Dr. Goldberg's employer confirmed that the patients for whom Dr. Goldberg had filled the prescriptions were past patients at the clinic, but that the patient records did not reflect Demerol orders at any time.

16. Demerol is a Schedule II Controlled Substance pursuant to Chapter 895, Florida Statutes. It is a narcotic analgesic with multiple actions qualitatively similar to those of morphine. It is prescribed to relieve moderate to severe pain.

17. On April 22, 1992, Dr. Goldberg stated to PRN staff that he would be entering Palmview Hospital in Lakeland, Florida for treatment.

18. On April 23, 1992, Palmview Hospital staff confirmed that Dr. Goldberg had been admitted for treatment.

19. On May 22, 1992, Dr. Goldberg arrived for treatment at Talbott Recovery Systems in Atlanta, Georgia.

20. On July 10, 1992, PRN staff spoke with Dr. Goldberg regarding the recommendation of Talbott Recovery Systems staff of his possibly returning to Florida with the following conditions: no working until he is reassessed; and monitoring by PRN.

21. On August 4, 1992, PRN received a letter from Barry Lubin, M.D. of Talbott Recovery Systems, stating that Dr. Goldberg

had been administratively discharged without successful completion of treatment.

22. On August 13, 1992, Dr. Roger Goetz, Director of PRN, and Consultant to the Department, sent a letter to the Department of Professional Regulation, states that Dr. Goldberg has not progressed satisfactorily in the Board's approved impairment program. Dr. Goetz states that all appropriate measures have been exhausted on Dr. Goldberg's behalf and that he recommends that Dr. Goldberg's license be suspended by emergency order due to the fact that Dr. Goldberg's impairment affects his ability to practice medicine and constitutes an immediate serious danger to the public health, safety or welfare.

23. Dr. Goldberg has committed acts in violation of the statutes governing the practice of osteopathic medicine. Dr. Goldberg presents an immediate and serious danger to the health, safety and welfare of the public.

#### CONCLUSIONS OF LAW

1. The Secretary of the Department of Professional Regulation has jurisdiction over this matter pursuant to Section 455.225(8), Florida Statutes.

2. Based on the foregoing Findings of Fact, the Secretary concludes that Dr. Goldberg has violated Section 459.015(1)(x), Florida Statutes, by being unable to practice osteopathic medicine with reasonable skill and safety to patients by reason of illness or use of alcohol, drugs, narcotics,

chemicals, or any other type of material or as a result of any mental or physical condition.

3. The Secretary finds that Dr. Goldberg's continued practice of osteopathic medicine constitutes an immediate and serious danger to the health, safety and welfare of the public and that this summary suspension procedure is fair under the circumstances to adequately protect the public.

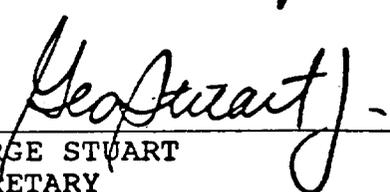

WHEREFORE, in accordance with Sections 120.54(9) and 120.60(8), Florida Statutes, it is

THEREUPON ORDERED THAT:

1. The license of Benjamin Goldberg, D.O., license number OS0004352 is hereby immediately suspended.

2. A proceeding seeking formal suspension or revocation of the license to practice medicine of Benjamin Goldberg, D.O., will be promptly instituted and acted upon in compliance with Section 120.60(8), Florida Statutes, and this order shall be filed in accordance with Section 120.54(9), Florida Statutes.

DONE and ORDERED this 19<sup>th</sup> day of August, 1992.
