STEP II
CONSENT AGREEMENT
BETWEEN
WILLIAM L. SCHLOTTERER, D.O.
AND
THE STATE MEDICAL BOARD OF OHIO

This Consent Agreement is entered into by and between William L. Schlotterer, D.O., [Dr. Schlotterer], and the State Medical Board of Ohio [Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Schlotterer enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

BASIS FOR ACTION

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

- A. The Board is empowered by Section 4731.22(B)(26), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for "impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice."
- B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(26), Ohio Revised Code, as set forth in Paragraph E, below, and expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Consent Agreement.
- C. Dr. Schlotterer admits that his license to practice osteopathic medicine and surgery in Ohio, license # 34.003224, is currently indefinitely suspended, but not less than 90 days, pursuant to the Step I Consent Agreement between William L. Schlotterer, D.O., and the State Medical Board of Ohio [March 2007 Step I Consent Agreement], effective March 14, 2007, a copy of which is attached hereto and incorporated herein.
- D. Dr. Schlotterer states that he is not licensed to practice osteopathic medicine and surgery in any other state or jurisdiction.

- E. Dr. Schlotterer admits that after entering residential treatment for alcohol dependence on or about February 12, 2007, at Shepherd Hill Hospital, a Board-approved treatment provider in Newark, Ohio, he was discharged, treatment complete, on or about April 20, 2007. Dr. Schlotterer states, and the Board acknowledges receipt of information to support, that since being discharged from Shepherd Hill Hospital, he has remained compliant with the physician's aftercare contract he entered into with The Toledo Hospital Alcohol and Drug Treatment Center on or about April 23, 2007, as amended on or about July 23, 2007, including attending Caduceus, participating in three or more 12-step meetings per week, and having regular contact with a Certified Chemical Dependency Counselor. Further, Dr. Schlotterer states, and the Board acknowledges receipt of information to support, that said physician's aftercare contract also provides that he abstain from the use of alcohol and drugs, except those prescribed, administered or dispensed by another person authorized to do so by law and with knowledge of Dr. Schlotterer's history; that Dr. Schlotterer will be subject to periodic, random, unannounced screens conducted by his Supervising Physician pursuant to Ohio Physician's Health Program protocols; and that Dr. Schlotterer has remained complaint with these terms of the physician's advocacy contract. Dr. Schlotterer admits that the aforementioned physician's aftercare contract remains in effect.

Dr. Schlotterer further states, and the Board acknowledges, that Richard N. Whitney, M.D., of Shepherd Hill Hospital, a physician approved by the Board to conduct an assessment of Dr. Schlotterer, has provided a written reporting indicating that Dr. Schlotterer's ability to practice has been assessed and that he has been found capable of practicing according to acceptable and prevailing standards of care, so long as certain treatment and monitoring conditions are in place.

Dr. Schlotterer further states, and the Board acknowledges, that Gregory Collins, M.D., of the Cleveland Clinic Foundation, a physician approved by the Board to conduct an assessment of Dr. Schlotterer, has provided a written report indicating that Dr. Schlotterer's ability to practice has been assessed and that he has been found capable of practicing according to acceptable and prevailing standards of care, so long as certain treatment and monitoring conditions are in place.

Accordingly, Dr. Schlotterer states, and the Board acknowledges receipt of information to support, that Dr. Schlotterer has fulfilled the conditions for reinstatement of his certificate to practice osteopathic medicine and surgery in the State of Ohio, as established in the above-referenced March 2007 Step I Consent Agreement between Dr. Schlotterer and the Board.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, the certificate of Dr. Schlotterer to practice

osteopathic medicine and surgery in the State of Ohio shall be reinstated, and Dr. Schlotterer knowingly and voluntarily agrees with the Board to the following PROBATIONARY terms, conditions and limitations:

1. Dr. Schlotterer shall obey all federal, state, and local laws, and all rules governing the practice of medicine in Ohio.
2. Dr. Schlotterer shall submit quarterly declarations under penalty of Board disciplinary action and/or criminal prosecution, stating whether there has been compliance with all the conditions of this Consent Agreement. The first quarterly declaration must be received in the Board's offices on the date his quarterly declaration would have been due pursuant to his March 2007 Step I Consent Agreement with the Board. Subsequent quarterly declarations must be received in the Board's offices on or before the first day of every third month.
3. Dr. Schlotterer shall appear in person for an interview before the full Board or its designated representative. The first such appearance shall take place on the date his appearance would have been scheduled pursuant to his March 2007 Step I Consent Agreement with the Board. Subsequent personal appearances must occur every three months thereafter, and/or as otherwise requested by the Board. If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled.
4. Dr. Schlotterer shall obtain permission from the Board for departures or absences from Ohio. Such periods of absence shall not reduce the probationary term, unless otherwise determined by motion of the Board for absences of three months or longer, or by the Secretary or the Supervising Member of the Board for absences of less than three months, in instances where the Board can be assured that probationary monitoring is otherwise being performed.
5. In the event Dr. Schlotterer is found by the Secretary of the Board to have failed to comply with any provision of this Consent Agreement, and is so notified of that deficiency in writing, such period(s) of noncompliance will not apply to the reduction of the probationary period under this Consent Agreement.

MONITORING OF REHABILITATION AND TREATMENT

Drug Associated Restrictions

6. Dr. Schlotterer shall keep a log of all controlled substances prescribed. Such log shall be submitted, in the format approved by the Board, thirty days prior to Dr. Schlotterer's personal appearance before the Board or its designated representative, or as otherwise directed by the Board. Further, Dr. Schlotterer shall make his patient

records with regard to such prescribing available for review by an agent of the Board upon request.

7. Dr. Schlotterer shall not, without prior Board approval, administer, personally furnish, or possess (except as allowed under Paragraph 8 below) any controlled substances as defined by state or federal law. In the event that the Board agrees at a future date to modify this Consent Agreement to allow Dr. Schlotterer to administer or personally furnish controlled substances, Dr. Schlotterer shall keep a log of all controlled substances prescribed, administered or personally furnished. Such log shall be submitted in the format approved by the Board thirty days prior to Dr. Schlotterer's personal appearance before the Board or its designated representative, or as otherwise directed by the Board. Further, Dr. Schlotterer shall make his patient records with regard to such prescribing, administering, or personally furnishing available for review by an agent of the Board upon request.

Sobriety

8. Dr. Schlotterer shall abstain completely from the personal use or possession of drugs, except those prescribed, dispensed or administered to him by another so authorized by law who has full knowledge of Dr. Schlotterer's history of chemical dependency.
9. Dr. Schlotterer shall abstain completely from the use of alcohol.

Drug and Alcohol Screens/Supervising Physician

10. Dr. Schlotterer shall submit to random urine screenings for drugs and alcohol on a weekly basis or as otherwise directed by the Board. Dr. Schlotterer shall ensure that all screening reports are forwarded directly to the Board on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the Board.

Dr. Schlotterer shall abstain from consumption of poppy seeds or any other food or liquid that may produce false results in a toxicology screen.

Dr. Schlotterer and the Board agree that the person or entity previously approved by the Board to serve as Dr. Schlotterer's supervising physician pursuant to the March 2007 Step I Consent Agreement is hereby approved to continue as Dr. Schlotterer's designated supervising physician under this Consent Agreement, unless within thirty days of the effective date of this Consent Agreement, Dr. Schlotterer submits to the Board for its prior approval the name and curriculum vitae of an alternative supervising physician to whom Dr. Schlotterer shall submit the required urine specimens. In approving an individual to serve in this capacity, the Board will give preference to a physician who practices in the same locale as Dr. Schlotterer. Dr. Schlotterer and the supervising physician shall ensure that the urine specimens are obtained on a

random basis and that the giving of the specimen is witnessed by a reliable person. In addition, the supervising physician shall assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

The Board expressly reserves the right to disapprove any person or entity proposed to serve as Dr. Schlotterer's designated supervising physician, or to withdraw approval of any person or entity previously approved to serve as Dr. Schlotterer's designated supervising physician, in the event that the Secretary and Supervising Member of the Board determine that any such supervising physician has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

Dr. Schlotterer shall ensure that the supervising physician provides quarterly reports to the Board, in a format acceptable to the Board, as set forth in the materials provided by the Board to the supervising physician, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, whether all urine screens have been negative, and whether the supervising physician remains willing and able to continue in his or her responsibilities.

In the event that the designated supervising physician becomes unable or unwilling to so serve, Dr. Schlotterer must immediately notify the Board in writing, and make arrangements acceptable to the Board for another supervising physician as soon as practicable. Dr. Schlotterer shall further ensure that the previously designated supervising physician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

All screening reports and supervising physician reports required under this paragraph must be received in the Board's offices no later than the due date for Dr. Schlotterer's quarterly declaration. It is Dr. Schlotterer's responsibility to ensure that reports are timely submitted.

11. The Board retains the right to require, and Dr. Schlotterer agrees to submit, blood or urine specimens for analysis at Dr. Schlotterer's expense upon the Board's request and without prior notice. Dr. Schlotterer's refusal to submit a blood or urine specimen upon request of the Board shall result in a minimum of one year of actual license suspension.

Monitoring Physician

12. Before engaging in any medical practice, Dr. Schlotterer shall submit the name and curriculum vitae of a monitoring physician for prior written approval by the Secretary or Supervising Member of the Board. In approving an individual to serve in this capacity, the Secretary and Supervising Member will give preference to a physician

who practices in the same locale as Dr. Schlotterer and who is engaged in the same or similar practice specialty.

The monitoring physician shall monitor Dr. Schlotterer and his medical practice, and shall review Dr. Schlotterer's patient charts. The chart review may be done on a random basis, with the frequency and number of charts reviewed to be determined by the Board.

Further, the monitoring physician shall provide the Board with reports on the monitoring of Dr. Schlotterer and his medical practice, and on the review of Dr. Schlotterer's patient charts. Dr. Schlotterer shall ensure that the reports are forwarded to the Board on a quarterly basis and are received in the Board's offices no later than the due date for Dr. Schlotterer's quarterly declaration.

In the event that the designated monitoring physician becomes unable or unwilling to serve in this capacity, Dr. Schlotterer must immediately so notify the Board in writing. In addition, Dr. Schlotterer shall make arrangements acceptable to the Board for another monitoring physician within thirty days after the previously designated monitoring physician becomes unable or unwilling to serve, unless otherwise determined by the Board. Furthermore, Dr. Schlotterer shall ensure that the previously designated monitoring physician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

Rehabilitation Program

13. Dr. Schlotterer shall maintain participation in an alcohol and drug rehabilitation program, such as A.A., N.A., C.A., or Caduceus, no less than three times per week. Substitution of any other specific program must receive prior Board approval.

Dr. Schlotterer shall submit acceptable documentary evidence of continuing compliance with this program which must be received in the Board's offices no later than the due date for Dr. Schlotterer's quarterly declarations.

Aftercare

14. Dr. Schlotterer shall contact an appropriate impaired physicians committee, approved by the Board, to arrange for assistance in recovery or aftercare.
15. Dr. Schlotterer shall maintain continued compliance with the terms of the aftercare contract entered into with his treatment provider, provided that, where terms of the aftercare contract conflict with terms of this Consent Agreement, the terms of this Consent Agreement shall control.

Releases

16. Dr. Schlotterer shall provide authorization, through appropriate written consent forms, for disclosure of evaluative reports, summaries, and records, of whatever nature, by any and all parties that provide treatment or evaluation for Dr. Schlotterer's chemical dependency or related conditions, or for purposes of complying with this Consent Agreement, whether such treatment or evaluation occurred before or after the effective date of this Consent Agreement. The above-mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. Dr. Schlotterer further agrees to provide the Board written consent permitting any treatment provider from whom he obtains treatment to notify the Board in the event he fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this Consent Agreement.

Required Reporting by Licensee

17. Within thirty days of the effective date of this Consent Agreement, Dr. Schlotterer shall provide a copy of this Consent Agreement to all employers or entities with which he is under contract to provide health care services or is receiving training; and the Chief of Staff at each hospital where he has privileges or appointments. Further, Dr. Schlotterer shall provide a copy of this Consent Agreement to all employers or entities with which he contracts to provide health care services, or applies for or receives training, and the Chief of Staff at each hospital where he applies for or obtains privileges or appointments.
18. Within thirty days of the effective date of this Consent Agreement, Dr. Schlotterer shall provide a copy of this Consent Agreement by certified mail, return receipt requested, to the proper licensing authority of any state or jurisdiction in which he currently holds any professional license. Dr. Schlotterer further agrees to provide a copy of this Consent Agreement by certified mail, return receipt requested, at time of application to the proper licensing authority of any state in which he applies for any professional license or for reinstatement of any professional license. Further, Dr. Schlotterer shall provide this Board with a copy of the return receipt as proof of notification within thirty days of receiving that return receipt.
19. Dr. Schlotterer shall provide a copy of this Consent Agreement to all persons and entities that provide Dr. Schlotterer chemical dependency treatment or monitoring.

FAILURE TO COMPLY

If, in the discretion of the Secretary and Supervising Member of the Board, Dr. Schlotterer appears to have violated or breached any term or condition of this Consent Agreement, the Board

reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including, but not limited to, alleged violations of the laws of Ohio occurring before the effective date of this Consent Agreement.

If the Secretary and Supervising Member of the Board determine that there is clear and convincing evidence that Dr. Schlotterer has violated any term, condition or limitation of this Consent Agreement, Dr. Schlotterer agrees that the violation, as alleged, also constitutes clear and convincing evidence that his continued practice presents a danger of immediate and serious harm to the public for purposes of initiating a summary suspension pursuant to Section 4731.22(G), Ohio Revised Code.

DURATION/MODIFICATION OF TERMS

Dr. Schlotterer shall not request termination of this Consent Agreement for a minimum of five years. In addition, Dr. Schlotterer shall not request modification to the probationary terms, limitations, and conditions contained herein for at least one year. Otherwise, the above-described terms, limitations and conditions may be amended or terminated in writing at any time upon the agreement of both parties.

ACKNOWLEDGMENTS/LIABILITY RELEASE

Dr. Schlotterer acknowledges that he has had an opportunity to ask questions concerning the terms of this Consent Agreement and that all questions asked have been answered in a satisfactory manner.

Any action initiated by the Board based on alleged violations of this Consent Agreement shall comply with the Administrative Procedure Act, Chapter 119., Ohio Revised Code.

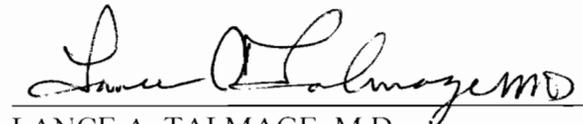

Dr. Schlotterer hereby releases the Board, its members, employees, agents, officers and representatives jointly and severally from any and all liability arising from the within matter.

This Consent Agreement shall be considered a public record as that term is used in Section 149.43, Ohio Revised Code. Further, this information may be reported to appropriate organizations, data banks and governmental bodies. Dr. Schlotterer acknowledges that his social security number will be used if this information is so reported and agrees to provide his social security number to the Board for such purposes.

EFFECTIVE DATE

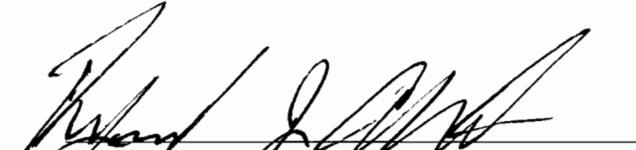

It is expressly understood that this Consent Agreement is subject to ratification by the Board prior to signature by the Secretary and Supervising Member and shall become effective upon the last date of signature below.

CONSENT AGREEMENT
BETWEEN
WILLIAM L. SCHLOTTERER, D.O.,
AND
THE STATE MEDICAL BOARD OF OHIO**

OHIO STATE MEDICAL BOARD

MAR 01 2007

RECEIVED

This Consent Agreement is entered into by and between William L. Schlotterer, D.O., [Dr. Schlotterer], and the State Medical Board of Ohio [Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Schlotterer enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

BASIS FOR ACTION

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

- A. The Board is empowered by Section 4731.22(B)(26), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for "impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice."
- B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(26), Ohio Revised Code, as set forth in Paragraph E below, and expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Agreement.
- C. Dr. Schlotterer is licensed to practice osteopathic medicine and surgery in the State of Ohio, License # 34-003224.
- D. Dr. Schlotterer states that he is not licensed to practice osteopathic medicine and surgery in any other state or jurisdiction.
- E. Dr. Schlotterer admits that on or about February 5, 2007, as ordered by the Board, he entered Shepherd Hill Hospital, a Board-approved treatment provider in Newark, Ohio, for the purpose of undergoing a three-day evaluation to determine whether he is in

violation of Section 4731.22(B)(26), Ohio Revised Code. Dr. Schlotterer admits he was ordered to the evaluation due to reports that he appeared at his private practice with alcohol on his breath, that he failed to appear for appointments in a timely manner, and that in or about 1995, he was previously evaluated and treated for alcohol dependence at the Cleveland Clinic and monitored through the Ohio Physicians Effectiveness Program. Dr. Schlotterer further admits that he returned to the regular use of alcohol thereafter.

Dr. Schlotterer admits that as a result of his three-day evaluation at Shepherd Hill Hospital, Richard Whitney, M.D., Medical Director, opined that Dr. Schlotterer has the diagnosis of alcohol dependence and that he is currently impaired in his ability to practice osteopathic medicine according to acceptable and prevailing standards of care due to the habitual or excessive use or abuse of alcohol. Dr. Schlotterer further admits said examination revealed an elevation of liver enzymes GGTP and AST, suggestive of hepatic damage from excessive use of alcohol.

Dr. Schlotterer admits that on or about February 12, 2007, he entered Shepherd Hill Hospital, a Board-approved treatment provider in Newark, Ohio, for further treatment, to include a minimum of 28 days of residential treatment.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, Dr. Schlotterer knowingly and voluntarily agrees with the Board to the following terms, conditions and limitations:

SUSPENSION OF CERTIFICATE

1. The certificate of Dr. Schlotterer to practice osteopathic medicine and surgery in the State of Ohio shall be **SUSPENDED** for an indefinite period of time, but not less than 90 days.

Releases; Quarterly Declarations and Appearances

4. Dr. Schlotterer shall provide authorization, through appropriate written consent forms, for disclosure of evaluative reports, summaries, and records, of whatever nature, by any and all parties that provide treatment or evaluation for Dr. Schlotterer's chemical

The above-mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. Dr. Schlotterer further agrees to provide the Board written consent permitting any treatment provider from whom he obtains treatment to notify the Board in the event he fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this Consent Agreement.

5. Dr. Schlotterer shall submit quarterly declarations under penalty of Board disciplinary action and/or criminal prosecution, stating whether there has been compliance with all the conditions of this Consent Agreement. The first quarterly declaration must be received in the Board's offices on the first day of the third month following the month in which this Consent Agreement becomes effective, provided that if the effective date is on or after the sixteenth day of the month, the first quarterly declaration must be received in the Board's offices on the first day of the fourth month following. If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled.

Drug & Alcohol Screens; Supervising Physician

7. Dr. Schlotterer shall submit to random urine screenings for drugs and alcohol on a weekly basis or as otherwise directed by the Board. Dr. Schlotterer shall ensure that all screening reports are forwarded directly to the Board on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the Board.

Dr. Schlotterer shall abstain from consumption of poppy seeds or any other food or liquid that may produce false results in a toxicology screen.

Within thirty days of the effective date of this Consent Agreement, Dr. Schlotterer shall submit to the Board for its prior approval the name of a supervising physician to whom Dr. Schlotterer shall submit the required urine specimens. In approving an individual to serve in this capacity, the Board will give preference to a physician who practices in the same locale as Dr. Schlotterer. Dr. Schlotterer and the supervising physician shall ensure that the urine specimens are obtained on a random basis and that the giving of the specimen is witnessed by a reliable person. In addition, the supervising physician shall

assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

Dr. Schlotterer shall ensure that the supervising physician provides quarterly reports to the Board, in a format acceptable to the Board, as set forth in the materials provided by the Board to the supervising physician, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, whether all urine screens have been negative, and whether the supervising physician remains willing and able to continue in his or her responsibilities.

In the event that the designated supervising physician becomes unable or unwilling to so serve, Dr. Schlotterer must immediately notify the Board in writing, and make arrangements acceptable to the Board for another supervising physician as soon as practicable. Dr. Schlotterer shall further ensure that the previously designated supervising physician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

All screening reports and supervising physician reports required under this paragraph must be received in the Board's offices no later than the due date for Dr. Schlotterer's quarterly declaration. It is Dr. Schlotterer's responsibility to ensure that reports are timely submitted.

8. The Board retains the right to require, and Dr. Schlotterer agrees to submit, blood or urine specimens for analysis at Dr. Schlotterer's expense upon the Board's request and without prior notice.

Rehabilitation Program

9. Within thirty days of the effective date of this Consent Agreement, Dr. Schlotterer shall undertake and maintain participation in an alcohol and drug rehabilitation program, such as A.A., N.A., C.A., or Caduceus, no less than three times per week. Substitution of any other specific program must receive prior Board approval.

Dr. Schlotterer shall submit acceptable documentary evidence of continuing compliance with this program which must be received in the Board's offices no later than the due date for Dr. Schlotterer's quarterly declarations.

CONDITIONS FOR REINSTATEMENT

10. The Board shall not consider reinstatement of Dr. Schlotterer's certificate to practice osteopathic medicine and surgery until all of the following conditions are met:
 - a. Dr. Schlotterer shall submit an application for reinstatement, accompanied by appropriate fees, if any.

- b. Dr. Schlotterer shall demonstrate to the satisfaction of the Board that he can resume practice in compliance with acceptable and prevailing standards of care under the provisions of his certificate. Such demonstration shall include but shall not be limited to the following:

The reports shall be made by physicians knowledgeable in the area of addictionology and who are either affiliated with a current Board-approved treatment provider or otherwise have been approved in advance by the Board to provide an assessment of Dr. Schlotterer. Prior to the assessments, Dr. Schlotterer shall provide the evaluators with copies of patient records from any evaluations and/or treatment that he has received, and a copy of this Consent Agreement. The reports from the evaluators shall include any recommendations for treatment, monitoring, or supervision of Dr. Schlotterer, and any conditions, restrictions, or limitations that should be imposed on Dr. Schlotterer's practice. The reports shall also describe the basis for the evaluator's determinations.
- All reports required pursuant to this paragraph shall be based upon examinations occurring within the three months immediately preceding any application for reinstatement.
- c. Dr. Schlotterer shall enter into a written consent agreement including probationary terms, conditions and limitations as determined by the Board or, if the Board and Dr. Schlotterer are unable to agree on the terms of a written Consent Agreement, then Dr. Schlotterer further agrees to abide by any terms, conditions and limitations imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Ohio Revised Code.

Further, upon reinstatement of Dr. Schlotterer's certificate to practice osteopathic
