STEP II
CONSENT AGREEMENT
BETWEEN
MARK D. BALDWIN, D.O.,
AND
THE STATE MEDICAL BOARD OF OHIO

This Consent Agreement is entered into by and between Mark D. Baldwin, D.O., [Dr. Baldwin], and the State Medical Board of Ohio [Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Baldwin enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

BASIS FOR ACTION

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

A. The Board is empowered by Section 4731.22(B), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for a violation of Section 4731.22(B)(26), Ohio Revised Code, for "impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice."

B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(26), Ohio Revised Code, as set forth in Paragraphs E, F, and G below, and expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Consent Agreement.

C. Dr. Baldwin is seeking reinstatement of his certificate to practice osteopathic medicine and surgery, license number 34.005880, which was indefinitely suspended, but not less than one year, pursuant to the Step I Consent Agreement Between Mark D. Baldwin, D.O., and the State Medical Board of Ohio [October 2008 Step I Consent Agreement], effective October 8, 2008, a copy of which is attached hereto and incorporated herein.

D. Dr. Baldwin states that he is not licensed to practice in any other state or jurisdiction.

E. Dr. Baldwin admits that on or about September 16, 2008, he entered inpatient treatment for alcohol dependence at The Woods at Parkside [The Woods], a Board-approved treatment provider in Columbus, Ohio, and that he was discharged treatment complete on or about October 14, 2008. Dr. Baldwin states and the Board acknowledges receipt of information to support that he has remained compliant with the terms of his aftercare contract with The Woods, which is effective from on or about October 19, 2008, to October 19, 2010.

F. Dr. Baldwin states and the Board acknowledges that Craig Pratt, M.D., and Steven Clay, D.O., both Board-approved evaluators, have provided written reports indicating that Dr. Baldwin ability to practice has been assessed and that he has been found capable of practicing according to acceptable and prevailing standards of care, as long as certain treatment and monitoring requirements are in place.

G. Dr. Baldwin states and the Board acknowledges receipt of information to support that Dr. Baldwin has fulfilled the conditions for reinstatement of his certificate to practice osteopathic medicine and surgery in the State of Ohio, as established in the above-mentioned October 2008 Step I Consent Agreement between Dr. Baldwin and the Board.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, the certificate of Dr. Baldwin to practice osteopathic medicine and surgery in the State of Ohio shall be REINSTATED, and Dr. Baldwin knowingly and voluntarily agrees with the Board to the following PROBATIONARY terms, conditions and limitations:

1. Dr. Baldwin shall obey all federal, state, and local laws, and all rules governing the practice of osteopathic medicine in Ohio.

2. Dr. Baldwin shall submit quarterly declarations under penalty of Board disciplinary action and/or criminal prosecution, stating whether there has been compliance with all the conditions of this Consent Agreement. The first quarterly declaration must be received in the Board's offices on the date his quarterly declaration would have been due pursuant to his October 8, 2008 Consent Agreement with the Board, or as otherwise requested by the Board. Subsequent quarterly declarations must be received in the Board's offices on or before the first day of every third month.

3. Dr. Baldwin shall appear in person for an interview before the full Board or its designated representative. The first such appearance shall take place on the date his appearance would have been scheduled pursuant to his October 2008 Step I Consent Agreement with the Board. Subsequent personal appearances must occur every three months thereafter, and/or as otherwise requested by the Board. If an appearance is

missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled.

4. Dr. Baldwin shall obtain permission from the Board for departures or absences from Ohio. Such periods of absence shall not reduce the probationary term, unless otherwise determined by motion of the Board for absences of three months or longer, or by the Secretary or the Supervising Member of the Board for absences of less than three months, in instances where the Board can be assured that probationary monitoring is otherwise being performed. Further, the Secretary and Supervising Member of the Board shall have the discretion to grant a waiver of part or all of the probationary terms set forth in this Consent Agreement for occasional periods of absence of fourteen days or less. In the event that Dr. Baldwin resides and/or is employed at a location that is within fifty miles of the geographic border of Ohio and any of its contiguous states, Dr. Baldwin may travel between Ohio and that contiguous state without seeking prior approval of the Secretary or Supervising Member provided that Dr. Baldwin is able to otherwise maintain full compliance with all other terms, conditions and limitations set forth in this Consent Agreement.

5. In the event Dr. Baldwin is found by the Secretary of the Board to have failed to comply with any provision of this Consent Agreement, and is so notified of that deficiency in writing, such period(s) of noncompliance will not apply to the reduction of the probationary period under this Consent Agreement.

MONITORING OF REHABILITATION AND TREATMENT

Drug Associated Restrictions

6. Dr. Baldwin shall keep a log of all controlled substances prescribed. Such log shall be submitted, in the format approved by the Board, on the date upon which Dr. Baldwin's quarterly declaration is due, or as otherwise directed by the Board. Further, Dr. Baldwin shall make his patient records with regard to such prescribing available for review by an agent of the Board immediately upon request.

7. Dr. Baldwin shall not, without prior Board approval, administer, personally furnish, or possess (except as allowed under Paragraph 8 below) any controlled substances as defined by state or federal law. In the event that the Board agrees at a future date to modify this Consent Agreement to allow Dr. Baldwin to administer or personally furnish controlled substances, Dr. Baldwin shall keep a log of all controlled substances prescribed, administered or personally furnished. Such log shall be submitted in the format approved by the Board and shall be submitted to the Board no later than the date upon which Dr. Baldwin's quarterly declaration is due, or as otherwise directed by the Board. Further, Dr. Baldwin shall make his patient records with regard to such prescribing, administering, or personally furnishing available for review by an agent of the Board immediately upon request.

Sobriety

8. Dr. Baldwin shall abstain completely from the personal use or personal possession of drugs, except those prescribed, dispensed or administered to him by another so authorized by law who has full knowledge of Dr. Baldwin's history of chemical dependency. Further, in the event that Dr. Baldwin is so prescribed, dispensed or administered any controlled substance, carisoprodol, or tramadol, Dr. Baldwin shall notify the Board in writing within seven days, providing the Board with the identity of the prescriber; the name of the drug Dr. Baldwin received; the medical purpose for which he received said drug; the date such drug was initially received; and the dosage, amount, number of refills, and directions for use. Further, within thirty days of the date said drug is so prescribed, dispensed, or administered to him, Dr. Baldwin shall provide the Board with either a copy of the written prescription or other written verification from the prescriber, including the dosage, amount, number of refills, and directions for use.

9. Dr. Baldwin shall abstain completely from the use of alcohol.

Drug and Alcohol Screens/Drug Testing Facility and Collection Site

10. Dr. Baldwin shall submit to random urine screenings for drugs and alcohol at least two times per month, or as otherwise directed by the Board. Dr. Baldwin shall ensure that all screening reports are forwarded directly to the Board on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the Board, and shall include Dr. Baldwin's drug(s) of choice.

    Dr. Baldwin shall abstain from the use of any substance and the consumption of poppy seeds or any other food or liquid that may produce a low level positive result in a toxicology screen. Dr. Baldwin acknowledges that he understands that the consumption or use of such substances, including but not limited to substances such as mouthwash or hand cleaning gel, may cause a positive drug screen that may not be able to be differentiated from intentional ingestion, and therefore such consumption or use is prohibited under this Consent Agreement.

    All such urine screenings for drugs and alcohol shall be conducted through a Board-approved drug testing facility and collection site pursuant to the global contract between said facility and the Board, that provides for the Board to maintain ultimate control over the urine screening process and to preserve the confidentiality of all positive screening results in accordance with Section 4731.22(F)(5), Ohio Revised Code, and the screening process shall require a daily call-in procedure. Further, in the event that the Board exercises its discretion, as provided in Paragraph 11 below, to approve urine screenings to be conducted at an alternative drug testing facility and/or collection site or a supervising physician, such approval shall be expressly contingent

upon the Board retaining ultimate control over the urine screening process in a manner that preserves the aforementioned confidentiality of all positive screening results.

Dr. Baldwin shall submit, at his expense and on the day selected, urine specimens for drug and/or alcohol analysis. All specimens submitted by Dr. Baldwin shall be negative, except for those substances prescribed, administered, or dispensed to him in conformance with the terms, conditions and limitations set forth in this Consent Agreement. Refusal to submit such specimen, or failure to submit such specimen on the day he is selected or in such manner as the Board may request, shall constitute a violation of this Consent Agreement.

Further, within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall enter into the necessary financial and/or contractual arrangements with the Board-approved drug testing facility and/or collection site in order to facilitate the urine screening process in the manner required by this Consent Agreement. Further, Dr. Baldwin shall promptly provide to the Board written documentation of completion of such arrangements, including a copy of any contract entered into between Dr. Baldwin and the Board-approved drug testing facility and/or collection site. Dr. Baldwin's failure to timely complete such arrangements, or failure to timely provide written documentation to the Board of completion of such arrangements, shall constitute a violation of this Consent Agreement. However, Dr. Baldwin and the Board further agree that in the event Dr. Baldwin previously entered into the aforementioned financial and contractual agreements pursuant to the requirements of a prior consent agreement with the Board under which Dr. Baldwin is currently participating in an ongoing urine screening process, then this requirement shall be waived under the instant consent agreement.

Dr. Baldwin shall ensure that the urine screening process performed through the Board-approved drug testing facility and/or collection site requires a daily call-in procedure; that the urine specimens are obtained on a random basis; and that the giving of the specimen is witnessed by a reliable person. In addition, Dr. Baldwin and the Board-approved drug testing facility and collection site shall assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

Dr. Baldwin shall ensure that the Board-approved drug testing facility and/or collection site provides quarterly reports to the Board, in a format acceptable to the Board, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, and whether all urine screens have been negative.

In the event that the Board-approved drug testing facility and/or collection site becomes unable or unwilling to serve as required by this Consent Agreement, Dr. Baldwin must immediately notify the Board in writing, and make arrangements

acceptable to the Board pursuant to Paragraph 11 below, as soon as practicable. Dr. Baldwin shall further ensure that the Board-approved drug testing facility and/or collection site also notifies the Board directly of its inability to continue to serve and the reasons therefore.

Dr. Baldwin acknowledges that the Board expressly reserves the right to withdraw its approval of any drug testing facility and/or collection site in the event that the Secretary and Supervising Member of the Board determine that the drug testing facility and/or collection site has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

11. Dr. Baldwin and the Board agree that it is the intent of this Consent Agreement that Dr. Baldwin shall submit his urine specimens to the Board-approved drug testing facility and collection site chosen by the Board. However, in the event that utilizing said Board-approved drug testing facility and/or collection site creates an extraordinary hardship upon Dr. Baldwin, as determined in the sole discretion of the Board, then subject to the following requirements, the Board may approve an alternate drug testing facility and/or collection site, or a supervising physician, to facilitate the urine screening process for Dr. Baldwin:

    a. Within thirty days of the date upon which Dr. Baldwin is notified of the Board's determination that utilizing the Board-approved drug testing facility and/or collection site constitutes an extraordinary hardship upon Dr. Baldwin, he shall submit to the Board in writing for its prior approval the identity of either an alternate drug testing facility and collection site, or the name of a proposed supervising physician, to whom Dr. Baldwin shall submit the required urine specimens. In approving a facility, entity, or an individual to serve in this capacity, the Board will give preference to a facility located near Dr. Baldwin's residence or employment location, or to a physician who practices in the same locale as Dr. Baldwin. Dr. Baldwin shall ensure that the urine screening process performed through the alternate drug testing facility and/or collection site, or through the supervising physician, requires a daily call-in procedure; that the urine specimens are obtained on a random basis; and that the giving of the specimen is witnessed by a reliable person. In addition, Dr. Baldwin acknowledges that the alternate drug testing facility and collection site, or the supervising physician, shall assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

    b. Dr. Baldwin shall ensure that the alternate drug testing facility and/or collection site, or the supervising physician, provides quarterly reports to the Board, in a format acceptable to the Board, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, and whether all urine screens have been negative.

c. In the event that the designated alternate drug testing facility and/or collection site, or the supervising physician, becomes unable or unwilling to so serve, Dr. Baldwin must immediately notify the Board in writing. Dr. Baldwin shall further ensure that the previously designated alternate drug testing facility and collection site, or the supervising physician, also notifies the Board directly of the inability to continue to serve and the reasons therefore. Further, in order to ensure that there will be no interruption in his urine screening process, upon the previously approved alternate drug testing facility, collection site, or supervising physician becoming unable to serve, Dr. Baldwin shall immediately commence urine screening at the Board-approved drug testing facility and collection site chosen by the Board, until such time, if any, that the Board approves a subsequent alternate drug testing facility, collection site, or supervising physician, if requested by Dr. Baldwin.

d. The Board expressly reserves the right to disapprove any entity or facility proposed to serve as Dr. Baldwin's designated alternate drug testing facility and/or collection site, or any person proposed to serve as his supervising physician, or to withdraw approval of any entity, facility or person previously approved to so serve in the event that the Secretary and Supervising Member of the Board determine that any such entity, facility or person has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

e. In the event that the Board approved an alternate drug testing facility and/or collection site, or a supervising physician, pursuant to the October 2008 Step I Consent Agreement between Dr. Baldwin and the Board, Dr. Baldwin and the Board agree that the entity, facility or person previously approved by the Board to so serve pursuant to the October 2008 Step I Consent Agreement is hereby approved to continue as Dr. Baldwin's designated alternate drug testing facility and collection site or as his supervising physician under this Consent Agreement.

12. All screening reports required under this Consent Agreement from the Board-approved drug testing facility and/or collection site, or from the alternate drug testing facility and/or collection site or supervising physician, must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declaration. It is Dr. Baldwin's responsibility to ensure that reports are timely submitted.

13. The Board retains the right to require, and Dr. Baldwin agrees to submit, blood, urine, breath, saliva and/or hair specimens for screening for drugs and alcohol, for analysis of therapeutic levels of medications that may be prescribed for Dr. Baldwin, or for any other purpose, at Dr. Baldwin's expense upon the Board's request and without prior notice. Dr. Baldwin's refusal to submit a specimen upon request of the Board

shall result in a minimum of one year of actual license suspension. Further, the collection of such specimens shall be witnessed by a representative of the Board, or another person acceptable to the Secretary or Supervising Member of the Board.

Monitoring Physician

14. Before engaging in any medical practice, Dr. Baldwin shall submit to the Board in writing the name and curriculum vitae of a monitoring physician for prior written approval by the Secretary or Supervising Member of the Board. In approving an individual to serve in this capacity, the Secretary and Supervising Member will give preference to a physician who practices in the same locale as Dr. Baldwin and who is engaged in the same or similar practice specialty.

    The monitoring physician shall monitor Dr. Baldwin and his medical practice, and shall review Dr. Baldwin's patient charts. The chart review may be done on a random basis, with the frequency and number of charts reviewed to be determined by the Board.

    Further, the monitoring physician shall provide the Board with reports on the monitoring of Dr. Baldwin and his medical practice, and on the review of Dr. Baldwin's patient charts. Dr. Baldwin shall ensure that the reports are forwarded to the Board on a quarterly basis and are received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declaration.

    In the event that the designated monitoring physician becomes unable or unwilling to serve in this capacity, Dr. Baldwin must immediately so notify the Board in writing. In addition, Dr. Baldwin shall make arrangements acceptable to the Board for another monitoring physician within thirty days after the previously designated monitoring physician becomes unable or unwilling to serve, unless otherwise determined by the Board. Furthermore, Dr. Baldwin shall ensure that the previously designated monitoring physician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

    The Board expressly reserves the right to disapprove any person proposed to serve as Dr. Baldwin's designated monitoring physician, or to withdraw approval of any person previously approved to serve as Dr. Baldwin's designated monitoring physician, in the event that the Secretary and Supervising Member of the Board determine that any such monitoring physician has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

Rehabilitation Program

15. Dr. Baldwin shall maintain participation in an alcohol and drug rehabilitation program, such as A.A., N.A., C.A., or Caduceus, no less than three times per week. Substitution of any other specific program must receive prior Board approval.

    Dr. Baldwin shall submit acceptable documentary evidence of continuing compliance with this program, including submission to the Board of meeting attendance logs, which must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declarations.

Aftercare

16. Dr. Baldwin shall contact an appropriate impaired physicians committee, approved by the Board, to arrange for assistance in recovery or aftercare.

17. Dr. Baldwin shall maintain continued compliance with the terms of the aftercare contract entered into with a Board-approved treatment provider, provided that, where terms of the aftercare contract conflict with terms of this Consent Agreement, the terms of this Consent Agreement shall control.

Releases

18. Dr. Baldwin shall provide authorization, through appropriate written consent forms, for disclosure of evaluative reports, summaries, and records, of whatever nature, by any and all parties that provide treatment or evaluation for Dr. Baldwin's chemical dependency or related conditions, or for purposes of complying with this Consent Agreement, whether such treatment or evaluation occurred before or after the effective date of this Consent Agreement. To the extent permitted by law, the above-mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. Dr. Baldwin further agrees to provide the Board written consent permitting any treatment provider from whom he obtains treatment to notify the Board in the event he fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this Consent Agreement.

Required Reporting by Licensee

19. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall provide a copy of this Consent Agreement to all employers or entities with which he is under contract to provide health care services (including but not limited to third party payors) or is receiving training, and the Chief of Staff at each hospital where he has privileges or appointments. Further, Dr. Baldwin shall promptly provide a copy

of this Consent Agreement to all employers or entities with which he contracts to provide health care services, or applies for or receives training, and the Chief of Staff at each hospital where he applies for or obtains privileges or appointments. In the event that Dr. Baldwin provides any health care services or health care direction or medical oversight to any emergency medical services organization or emergency medical services provider, within thirty days of the effective date of this Consent Agreement Dr. Baldwin shall provide a copy of this Consent Agreement to the Ohio Department of Public Safety, Division of Emergency Medical Services. Further, Dr. Baldwin shall provide the Board with one of the following documents as proof of each required notification within thirty days of the date of each such notification: (1) the return receipt of certified mail within thirty days of receiving that return receipt, (2) an acknowledgement of delivery bearing the original ink signature of the person to whom a copy of the Consent Agreement was hand delivered, (3) the original facsimile-generated report confirming successful transmission of a copy of the Consent Agreement to the person or entity to whom a copy of the Consent Agreement was faxed, or (4) an original computer-generated printout of electronic mail communication documenting the email transmission of a copy of the Consent Agreement to the person or entity to whom a copy of the Consent Agreement was emailed.

20. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall provide a copy of this Consent Agreement to the proper licensing authority of any state or jurisdiction in which he currently holds any professional license, as well as any federal agency or entity, including but not limited to the Drug Enforcement Agency, through which he currently holds any license or certificate. Dr. Baldwin further agrees to provide a copy of this Consent Agreement at time of application to the proper licensing authority of any state in which he applies for any professional license or for reinstatement of any professional license. Further, Dr. Baldwin shall provide the Board with one of the following documents as proof of each required notification within thirty days of the date of each such notification: (1) the return receipt of certified mail within thirty days of receiving that return receipt, (2) an acknowledgement of delivery bearing the original ink signature of the person to whom a copy of the Consent Agreement was hand delivered, (3) the original facsimile-generated report confirming successful transmission of a copy of the Consent Agreement to the person or entity to whom a copy of the Consent Agreement was faxed, or (4) an original computer-generated printout of electronic mail communication documenting the email transmission of a copy of the Consent Agreement to the person or entity to whom a copy of the Consent Agreement was emailed.

21. Dr. Baldwin shall promptly provide a copy of this Consent Agreement to all persons and entities that provide Dr. Baldwin chemical dependency treatment or monitoring. Further, Dr. Baldwin shall provide the Board with one of the following documents as

proof of each required notification within thirty days of the date of each such notification: (1) the return receipt of certified mail within thirty days of receiving that return receipt, (2) an acknowledgement of delivery bearing the original ink signature of the person to whom a copy of the Consent Agreement was hand delivered, (3) the original facsimile-generated report confirming successful transmission of a copy of the Consent Agreement to the person or entity to whom a copy of the Consent Agreement was faxed, or (4) an original computer-generated printout of electronic mail communication documenting the email transmission of a copy of the Consent Agreement to the person or entity to whom a copy of the Consent Agreement was emailed.

22. Dr. Baldwin shall notify the Board in writing of any change of principal practice address or residence address within thirty days of such change.

FAILURE TO COMPLY

If, in the discretion of the Secretary and Supervising Member of the Board, Dr. Baldwin appears to have violated or breached any term or condition of this Consent Agreement, the Board reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including, but not limited to, alleged violations of the laws of Ohio occurring before the effective date of this Consent Agreement.

If the Secretary and Supervising Member of the Board determine that there is clear and convincing evidence that Dr. Baldwin has violated any term, condition or limitation of this Consent Agreement, Dr. Baldwin agrees that the violation, as alleged, also constitutes clear and convincing evidence that his continued practice presents a danger of immediate and serious harm to the public for purposes of initiating a summary suspension pursuant to Section 4731.22(G), Ohio Revised Code.

DURATION/MODIFICATION OF TERMS

Dr. Baldwin shall not request termination of this Consent Agreement for a minimum of five years. In addition, Dr. Baldwin shall not request modification to the probationary terms, limitations, and conditions contained herein for at least one year. Otherwise, the above-described terms, limitations and conditions may be amended or terminated in writing at any time upon the agreement of both parties.

In the event that the Board initiates future formal proceedings against Dr. Baldwin, including but not limited to issuance of a Notice of Opportunity for Hearing, this Consent Agreement shall continue in full force and effect until such time that it is superseded by ratification by the Board of a subsequent Consent Agreement or issuance by the Board of a final Board Order.

ACKNOWLEDGMENTS/LIABILITY RELEASE

Dr. Baldwin acknowledges that he has had an opportunity to ask questions concerning the terms of this Consent Agreement and that all questions asked have been answered in a satisfactory manner.

Any action initiated by the Board based on alleged violations of this Consent Agreement shall comply with the Administrative Procedure Act, Chapter 119., Ohio Revised Code.

Dr. Baldwin hereby releases the Board, its members, employees, agents, officers and representatives jointly and severally from any and all liability arising from the within matter.

This Consent Agreement shall be considered a public record as that term is used in Section 149.43, Ohio Revised Code. Further, this information may be reported to appropriate organizations, data banks and governmental bodies. Dr. Baldwin acknowledges that his social security number will be used if this information is so reported and agrees to provide his social security number to the Board for such purposes.

STEP I
CONSENT AGREEMENT
BETWEEN
MARK D. BALDWIN, D.O.,
AND
THE STATE MEDICAL BOARD OF OHIO

This Consent Agreement is entered into by and between Mark D. Baldwin, D.O., [Dr. Baldwin], and the State Medical Board of Ohio [Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Baldwin enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

BASIS FOR ACTION

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

A. The Board is empowered by Section 4731.22(B), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for violation of Section 4731.22(B)(26), Ohio Revised Code, for "impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice."

B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(26), Ohio Revised Code, as set forth in Paragraphs E and F below, and expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Agreement.

C. Dr. Baldwin is licensed to practice osteopathic medicine and surgery in the State of Ohio, License number 34.005880.

D. Dr. Baldwin states that he is not licensed to practice osteopathic medicine and surgery in any other state or jurisdiction.

E. Dr. Baldwin admits that in September 2008, three co-workers who are physicians conducted an intervention with him based upon their suspicion that he relapsed and was consuming alcohol. Dr. Baldwin further admits that the co-workers witnessed occasions

where Dr. Baldwin's patient care was questionable, specifically, his failure to remember the details on a patient despite having been called the previous night by the admitting resident. Dr. Baldwin further admits that during or about August 2008, he relapsed by consuming alcohol at a party and continued to drink approximately one liter of wine every night until he blacked out, and that this conduct constitutes the second relapse in his history of chemical dependency. Dr. Baldwin admits that on or about September 12, 2008, he self-reported to the Board that he relapsed on alcohol. Dr. Baldwin further admits that on or about September 19, 2008, he entered inpatient treatment at The Woods at Parkside, a Board-approved treatment provider in Columbus, Ohio, where he remains to date.

F. Dr. Baldwin further admits that he previously was disciplined and monitored by the Board, related to his first relapse on alcohol, pursuant to a Step I Consent Agreement with the Board that was effective on or about April 10, 2002, and a Step II Consent Agreement with the Board that was effective on or about August 14, 2002, from which he was released on or about August 8, 2007.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, Dr. Baldwin knowingly and voluntarily agrees with the Board to the following terms, conditions and limitations:

SUSPENSION OF CERTIFICATE

1. The certificate of Dr. Baldwin to practice osteopathic medicine and surgery in the State of Ohio shall be SUSPENDED for an indefinite period of time, but not less than one year.

Obey all Laws

2. Dr. Baldwin shall obey all federal, state, and local laws.

Sobriety

3. Dr. Baldwin shall abstain completely from the personal use or personal possession of drugs, except those prescribed, dispensed or administered to him by another so authorized by law who has full knowledge of Dr. Baldwin's history of chemical dependency. Further, in the event that Dr. Baldwin is so prescribed, dispensed or administered any controlled substance, carisoprodol, or tramadol, Dr. Baldwin shall notify the Board in writing within seven days, providing the Board with the identity of the prescriber; the name of the drug Dr. Baldwin received; the medical purpose for which he received said drug; the date such drug was initially received; and the dosage, amount, number of refills, and directions for use. Further, within thirty days of the date said drug

is so prescribed, dispensed, or administered to him, Dr. Baldwin shall provide the Board with either a copy of the written prescription or other written verification from the prescriber, including the dosage, amount, number of refills, and directions for use.

4. Dr. Baldwin shall abstain completely from the use of alcohol.

Absences from Ohio

5. Dr. Baldwin shall obtain permission from the Board for departures or absences from Ohio. Such periods of absence shall not reduce the probationary term, unless otherwise determined by motion of the Board for absences of three months or longer, or by the Secretary or the Supervising Member of the Board for absences of less than three months, in instances where the Board can be assured that probationary monitoring is otherwise being performed. Further, the Secretary and Supervising Member of the Board shall have the discretion to grant a waiver of part or all of the monitoring terms set forth in this Consent Agreement for occasional periods of absence of fourteen days or less. In the event that Dr. Baldwin resides and/or is employed at a location that is within fifty miles of the geographic border of Ohio and any of its contiguous states, Dr. Baldwin may travel between Ohio and that contiguous state without seeking prior approval of the Secretary or Supervising Member provided that Dr. Baldwin is able to otherwise maintain full compliance with all other terms, conditions and limitations set forth in this Consent Agreement.

Releases; Quarterly Declarations and Appearances

6. Dr. Baldwin shall provide authorization, through appropriate written consent forms, for disclosure of evaluative reports, summaries, and records, of whatever nature, by any and all parties that provide treatment or evaluation for Dr. Baldwin's chemical dependency or related conditions, or for purposes of complying with this Consent Agreement, whether such treatment or evaluation occurred before or after the effective date of this Consent Agreement. To the extent permitted by law, the above-mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. Dr. Baldwin further agrees to provide the Board written consent permitting any treatment provider from whom he obtains treatment to notify the Board in the event he fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this Consent Agreement.

7. Dr. Baldwin shall submit quarterly declarations under penalty of Board disciplinary action and/or criminal prosecution, stating whether there has been compliance with all the conditions of this Consent Agreement. The first quarterly declaration must be received in the Board's offices on the first day of the third month following the month in which this Consent Agreement becomes effective, or as otherwise requested by the

Board. Subsequent quarterly declarations must be received in the Board's offices on or before the first day of every third month.

8. Dr. Baldwin shall appear in person for an interview before the full Board or its designated representative during the third month following the effective date of this Consent Agreement. Subsequent personal appearances must occur every three months thereafter, and/or as otherwise requested by the Board. If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled.

Drug & Alcohol Screens; Drug Testing Facility and Collection Site

9. Dr. Baldwin shall submit to random urine screenings for drugs and alcohol at least four times per month, or as otherwise directed by the Board. Dr. Baldwin shall ensure that all screening reports are forwarded directly to the Board on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the Board, and shall include Dr. Baldwin's drug(s) of choice.

   Dr. Baldwin shall abstain from the use of any substance and the consumption of poppy seeds or any other food or liquid that may produce a low level positive result in a toxicology screen. Dr. Baldwin acknowledges that he understands that the consumption or use of such substances, including but not limited to substances such as mouthwash or hand cleaning gel, may cause a positive drug screen that may not be able to be differentiated from intentional ingestion, and therefore such consumption or use is prohibited under this Consent Agreement.

   All such urine screenings for drugs and alcohol shall be conducted through a Board-approved drug testing facility and collection site, except as provided in Paragraph 10 below, and the screening process shall require a daily call-in procedure.

   Dr. Baldwin shall submit, at his expense and on the day selected, urine specimens for drug and/or alcohol analysis. All specimens submitted by Dr. Baldwin shall be negative, except for those substances prescribed, administered, or dispensed to him in conformance with the terms, conditions and limitations set forth in this Consent Agreement. Refusal to submit such specimen, or failure to submit such specimen on the day he is selected or in such manner as the Board may request, shall constitute a violation of this Consent Agreement.

   Further, within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall enter into the necessary financial and/or contractual arrangements with the Board-approved drug testing facility and/or collection site in order to facilitate the urine screening process in the manner required by this Consent Agreement. Further, within thirty days of making such arrangements, Dr. Baldwin shall provide to the Board written documentation of completion of such arrangements, including a copy of any contract

entered into between Dr. Baldwin and the Board-approved drug testing facility and/or collection site. Dr. Baldwin's failure to timely complete such arrangements, or failure to timely provide written documentation to the Board of completion of such arrangements, shall constitute a violation of this Consent Agreement.

Dr. Baldwin shall ensure that the urine screening process performed through the Board-approved drug testing facility and/or collection site requires a daily call-in procedure; that the urine specimens are obtained on a random basis; and that the giving of the specimen is witnessed by a reliable person. In addition, Dr. Baldwin and the Board-approved drug testing facility and collection site shall assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

Dr. Baldwin shall ensure that the Board-approved drug testing facility and/or collection site provides quarterly reports to the Board, in a format acceptable to the Board, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, and whether all urine screens have been negative.

In the event that the Board-approved drug testing facility and/or collection site becomes unable or unwilling to serve as required by this Consent Agreement, Dr. Baldwin must immediately notify the Board in writing, and make arrangements acceptable to the Board, pursuant to Paragraph 10 below, as soon as practicable. Dr. Baldwin shall further ensure that the Board-approved drug testing facility and/or collection site also notifies the Board directly of its inability to continue to serve and the reasons therefore.

Dr. Baldwin acknowledges that the Board expressly reserves the right to withdraw its approval of any drug testing facility and/or collection site in the event that the Secretary and Supervising Member of the Board determine that the drug testing facility and/or collection site has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

10. Dr. Baldwin and the Board agree that it is the intent of this Consent Agreement that Dr. Baldwin shall submit his urine specimens to the Board-approved drug testing facility and collection site chosen by the Board. However, in the event that utilizing said Board-approved drug testing facility and/or collection site creates an extraordinary hardship upon Dr. Baldwin, as determined in the sole discretion of the Board, then subject to the following requirements, the Board may approve an alternate drug testing facility and/or collection site, or a supervising physician, to facilitate the urine screening process for Dr. Baldwin:

    a. Within thirty days of the date upon which Dr. Baldwin is notified of the Board's determination that utilizing the Board-approved drug testing facility and/or collection site constitutes an extraordinary hardship upon Dr. Baldwin, he shall submit to the Board in writing for its prior approval the identity of either an

alternate drug testing facility and collection site, or the name of a proposed supervising physician, to whom Dr. Baldwin shall submit the required urine specimens. In approving a facility, entity, or an individual to serve in this capacity, the Board will give preference to a facility located near Dr. Baldwin's residence or employment location, or to a physician who practices in the same locale as Dr. Baldwin. Dr. Baldwin shall ensure that the urine screening process performed through the alternate drug testing facility and/or collection site, or through the supervising physician, requires a daily call-in procedure; that the urine specimens are obtained on a random basis; and that the giving of the specimen is witnessed by a reliable person. In addition, Dr. Baldwin acknowledges that the alternate drug testing facility and collection site, or the supervising physician, shall assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

b. Dr. Baldwin shall ensure that the alternate drug testing facility and/or collection site, or the supervising physician, provides quarterly reports to the Board, in a format acceptable to the Board, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, and whether all urine screens have been negative.

c. In the event that the designated alternate drug testing facility and/or collection site, or the supervising physician, becomes unable or unwilling to so serve, Dr. Baldwin must immediately notify the Board in writing. Dr. Baldwin shall further ensure that the previously designated alternate drug testing facility and collection site, or the supervising physician, also notifies the Board directly of the inability to continue to serve and the reasons therefore. Further, in order to ensure that there will be no interruption in his urine screening process, upon the previously approved alternate drug testing facility, collection site, or supervising physician becoming unable to serve, Dr. Baldwin shall immediately commence urine screening at the Board-approved drug testing facility and collection site chosen by the Board, until such time, if any, that the Board approves a subsequent alternate drug testing facility, collection site, or supervising physician, if requested by Dr. Baldwin.

d. The Board expressly reserves the right to disapprove any entity or facility proposed to serve as Dr. Baldwin's designated alternate drug testing facility and/or collection site, or any person proposed to serve as his supervising physician, or to withdraw approval of any entity, facility or person previously approved to so serve in the event that the Secretary and Supervising Member of the Board determine that any such entity, facility or person has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

11. All screening reports required under this Consent Agreement from the Board-approved drug testing facility and/or collection site, or from the alternate drug testing facility

and/or collection site or supervising physician, must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declaration. It is Dr. Baldwin's responsibility to ensure that reports are timely submitted.

12. The Board retains the right to require, and Dr. Baldwin agrees to submit, blood, urine, breath, saliva and/or hair specimens for screening for drugs and alcohol, for analysis of therapeutic levels of medications that may be prescribed for Dr. Baldwin, or for any other purpose, at Dr. Baldwin's expense upon the Board's request and without prior notice. Dr. Baldwin's refusal to submit a specimen upon request of the Board shall result in a minimum of one year of actual license suspension. Further, the collection of such specimens shall be witnessed by a representative of the Board, or another person acceptable to the Secretary or Supervising Member of the Board.

Rehabilitation Program

13. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall undertake and maintain participation in an alcohol and drug rehabilitation program, such as A.A., N.A., C.A., or Caduceus, no less than three times per week. Substitution of any other specific program must receive prior Board approval.

    Dr. Baldwin shall submit acceptable documentary evidence of continuing compliance with this program, including submission to the Board of meeting attendance logs, which must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declarations.

14. Immediately upon completion of any required treatment for chemical dependency, Dr. Baldwin shall enter into an aftercare contract with a Board-approved treatment provider and shall maintain continued compliance with the terms of said aftercare contract, provided that, where the terms of the aftercare contract conflict with the terms of this Consent Agreement, the terms of this Consent Agreement shall control.

CONDITIONS FOR REINSTATEMENT

15. The Board shall not consider reinstatement or restoration of Dr. Baldwin's certificate to practice osteopathic medicine and surgery until all of the following conditions are met:

    a. Dr. Baldwin shall submit an application for reinstatement or restoration, as appropriate, accompanied by appropriate fees, if any.

    b. Dr. Baldwin shall demonstrate to the satisfaction of the Board that he can resume practice in compliance with acceptable and prevailing standards of care under the provisions of his certificate. Such demonstration shall include but shall not be limited to the following:

i. Certification from a treatment provider approved under Section 4731.25 of the Revised Code that Dr. Baldwin has successfully completed any required inpatient treatment, including at least twenty-eight days of inpatient or residential treatment for chemical abuse/dependence, as set forth in Rules 4731-16-02(B)(4) and 4731-16-08(A)(13), Ohio Administrative Code, completed consecutively.

ii. Evidence of continuing full compliance with, or successful completion of, a post-discharge aftercare contract with a treatment provider approved under Section 4731.25 of the Revised Code. Such evidence shall include, but not be limited to, a copy of the signed aftercare contract. The aftercare contract must comply with rule 4731-16-10 of the Administrative Code.

iii. Evidence of continuing full compliance with this Consent Agreement.

iv. Two written reports indicating that Dr. Baldwin's ability to practice has been assessed and that he has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by physicians knowledgeable in the area of addictionology and who are either affiliated with a current Board-approved treatment provider or otherwise have been approved in advance by the Board to provide an assessment of Dr. Baldwin. Further, the two aforementioned physicians shall not be affiliated with the same treatment provider or medical group practice. Prior to the assessments, Dr. Baldwin shall provide the evaluators with copies of patient records from any evaluations and/or treatment that he has received, and a copy of this Consent Agreement. The reports from the evaluators shall include any recommendations for treatment, monitoring, or supervision of Dr. Baldwin, and any conditions, restrictions, or limitations that should be imposed on Dr. Baldwin's practice. The reports shall also describe the basis for the evaluator's determinations.

All reports required pursuant to this paragraph shall be based upon examinations occurring within the three months immediately preceding any application for reinstatement. Further, at the discretion of the Secretary and Supervising Member of the Board, the Board may request an updated assessment and report if the Secretary and Supervising Member determine that such updated assessment and report is warranted for any reason.

c. Dr. Baldwin shall enter into a written consent agreement including probationary terms, conditions and limitations as determined by the Board within 180 days of the date upon which all the above-specified conditions for reinstatement or restoration have been completed or, if the Board and Dr. Baldwin are unable to agree on the terms of a written Consent Agreement, then Dr. Baldwin further agrees to abide by any terms, conditions and limitations imposed by Board Order

after a hearing conducted pursuant to Chapter 119. of the Ohio Revised Code. The Board shall provide notice to Dr. Baldwin that said hearing has been scheduled, advising Dr. Baldwin of his hearing rights, and stating the date, time, and location of the hearing at which the Board will present its evidence, after which the Board will make a determination of the matter by Board Order.

Further, upon reinstatement of Dr. Baldwin's certificate to practice osteopathic medicine and surgery in this state, the Board shall require continued monitoring which shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Revised Code. Moreover, upon termination of the consent agreement or Board Order, Dr. Baldwin shall submit to the Board for at least two years annual progress reports made under penalty of Board disciplinary action or criminal prosecution stating whether Dr. Baldwin has maintained sobriety.

16. In the event that Dr. Baldwin has not been engaged in the active practice of osteopathic medicine and surgery for a period in excess of two years prior to application for reinstatement, the Board may exercise its discretion under Section 4731.222, Ohio Revised Code, to require additional evidence of Dr. Baldwin's fitness to resume practice.

REQUIRED REPORTING BY LICENSEE

17. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall provide a copy of this Consent Agreement to all employers or entities with which he is under contract to provide health care services (including but not limited to third party payors) or is receiving training; and the Chief of Staff at each hospital where he has privileges or appointments. Further, Dr. Baldwin shall promptly provide a copy of this Consent Agreement to all employers or entities with which he contracts to provide health care services, or applies for or receives training, and the Chief of Staff at each hospital where he applies for or obtains privileges or appointments. The above-described terms, conditions and limitations may be amended or terminated in writing at any time upon the agreement of both parties. In the event that the Board initiates future formal proceedings against Dr. Baldwin, including but not limited to issuance of a Notice of Opportunity for Hearing, this Consent Agreement shall continue in full force and effect until such time that it is

FAILURE TO COMPLY

If, in the discretion of the Secretary and Supervising Member of the Board, Dr. Baldwin appears to have violated or breached any term or condition of this Consent Agreement, the Board reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violations of the laws of Ohio occurring before the effective date of this Consent Agreement.

CONSENT AGREEMENT
BETWEEN
MARK D. BALDWIN, D.O.
AND
THE STATE MEDICAL BOARD OF OHIO

This Consent Agreement is entered into by and between Mark D. Baldwin, D.O., and the State Medical Board of Ohio [Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Baldwin enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

BASIS FOR ACTION

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

A. The Board is empowered by Section 4731.22(B), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for violation of Section 4731.22(B)(26), "[i]mpairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice," or Section 4731.22(B)(5), making "a false, fraudulent, deceptive, or misleading statement." Further, the Board is empowered by Section 4731.22(A), Ohio Revised Code, to revoke a certificate for "fraud, misrepresentation, or deception in applying for or securing any" license or certificate issued by the Board.

B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(26), (B)(5), and (A), Ohio Revised Code, as set forth in Paragraphs E and F of the April 10, 2002 Step I Consent Agreement Between Mark D. Baldwin, D.O., and The State Medical Board of Ohio, and expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Consent Agreement.

C. Dr. MDB is applying for reinstatement of his license to practice osteopathic medicine and surgery in the State of Ohio, License # 34-005880, which was suspended pursuant to the terms of the above-referenced April 2002 Step I Consent Agreement.

D. Dr. Baldwin states that he is not licensed to practice osteopathic medicine and surgery in any other State or jurisdiction.

E. Dr. Baldwin admits that he was evaluated from May 14, 2002, to May 17, 2002, at Parkside Behavioral Healthcare, a Board approved treatment provider in Columbus, Ohio; that no treatment needs were identified at that time; and that he subsequently entered into a continuing care contract with Parkside Behavioral Healthcare. Dr. Baldwin states, and the Board acknowledges receipt of information to support, that he has been compliant with his continuing care contract and the advocacy contract into which he entered with the Ohio Physicians Effectiveness Program in or about June 2002. Dr. Baldwin admits that such aftercare and advocacy contracts remain in effect to date.

F. Dr. Baldwin admits that, in addition to alcohol dependence, currently in remission, he has also been diagnosed with Major Depression, Recurrent, currently in remission, and adjustment disorder with anxious and depressed mood. Dr. Baldwin further admits that he currently participates in therapy with Evelyn White, Ph.D., once every two weeks, and that he is taking Prozac as prescribed and monitored by Lawrence Shoemaker, M.D.

G. Dr. Baldwin states, and the Board acknowledges, that Richard N. Whitney, M.D., of Shepherd Hill Hospital, a Board approved treatment provider in Newark, Ohio; David Goldberg, D.O., of Greene Hall at Greene Memorial Hospital, a Board approved treatment provider in Xenia, Ohio; and Patrice Arehart, M.D., a psychiatrist approved by the Board for purposes of evaluating Dr. Baldwin, have provided written reports indicating that Dr. Baldwin's ability to practice has been assessed and that he has been found capable of practicing osteopathic medicine and surgery according to acceptable and prevailing standards of care, so long as certain treatment and monitoring requirements are in place.

H. Dr. Baldwin states, and the Board acknowledges receipt of information to support, that he has fulfilled the conditions for reinstatement of his certificate to practice osteopathic medicine and surgery in the State of Ohio, as established in the above-referenced April 2002 Step I Consent Agreement.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, the certificate of Dr. Baldwin to practice osteopathic medicine and surgery in the State of Ohio shall be reinstated, and Dr. Baldwin knowingly and voluntarily agrees with the Board to the following PROBATIONARY terms, conditions and limitations:

1. Dr. Baldwin shall obey all federal, state, and local laws, and all rules governing the practice of osteopathic medicine in Ohio.

2. Dr. Baldwin shall submit quarterly declarations under penalty of Board disciplinary action and/or criminal prosecution, stating whether there has been compliance with all the conditions of this Consent Agreement. The first quarterly declaration must be received in the Board's offices on the date his quarterly declaration would have been due pursuant to his April 2002 Step I Consent Agreement with the Board. Subsequent quarterly declarations must be received in the Board's offices on or before the first day of every third month.

3. Dr. Baldwin shall appear in person for an interview before the full Board or its designated representative. The first such appearance shall take place on the date his appearance would have been scheduled pursuant to his April 2002 Step I Consent Agreement with the Board. Subsequent personal appearances must occur every three months thereafter, and/or as otherwise requested by the Board. If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled.

4. In the event that Dr. Baldwin should leave Ohio for three continuous months, or reside or practice outside the State, Dr. Baldwin must notify the Board in writing of the dates of departure and return. Periods of time spent outside Ohio will not apply to the reduction of this period under this Consent Agreement, unless otherwise determined by motion of the Board in instances where the Board can be assured that probationary monitoring is otherwise being performed.

5. In the event Dr. Baldwin is found by the Secretary of the Board to have failed to comply with any provision of this Consent Agreement, and is so notified of that deficiency in writing, such period(s) of noncompliance will not apply to the reduction of the probationary period under this Consent Agreement.

MONITORING OF REHABILITATION AND TREATMENT

Dr. Baldwin shall ensure that all screening reports are forwarded directly to the Board on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the Board.

   Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall submit to the Board for its prior approval the name and curriculum vitae of a supervising physician to whom Dr. Baldwin shall submit the required urine specimens. In approving an individual to serve in this capacity, the Board will give preference to a physician who practices in the same locale as Dr. Baldwin. Dr. Baldwin and the supervising physician shall ensure that the urine specimens are obtained on a random basis and that the giving of the specimen is witnessed by a reliable person. In addition, the supervising physician shall assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

   Dr. Baldwin shall ensure that the supervising physician provides quarterly reports to the Board, in a format acceptable to the Board, as set forth in the materials provided by the Board to the supervising physician, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, whether all urine screens have been negative, and whether the supervising physician remains willing and able to continue in his or her responsibilities.

   In the event that the designated supervising physician becomes unable or unwilling to so serve, Dr. Baldwin must immediately notify the Board in writing, and make arrangements acceptable to the Board for another supervising physician as soon as practicable. Dr. Baldwin shall further ensure that the previously designated supervising physician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

   All screening reports and supervising physician reports required under this paragraph must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declaration. It is Dr. Baldwin's responsibility to ensure that reports are timely submitted.

9. The Board retains the right to require, and Dr. Baldwin agrees to submit, blood or urine specimens for analysis at Dr. Baldwin's expense upon the Board's request and without prior notice. Dr. Baldwin's refusal to submit a blood or urine specimen upon request of the Board shall result in a minimum of one year of actual license suspension.

Monitoring Physician

10. Before engaging in any medical practice, Dr. Baldwin shall submit the name and curriculum vitae of a monitoring physician for prior written approval by the Secretary or Supervising Member of the Board. In approving an individual to serve in this capacity, the Secretary and Supervising Member will give preference to a physician who practices in the same locale as Dr. Baldwin and who is engaged in the same or similar practice specialty.

    The monitoring physician shall monitor Dr. Baldwin and his medical practice, and shall review Dr. Baldwin's patient charts. The chart review may be done on a random basis, with the frequency and number of charts reviewed to be determined by the Board.

    Further, the monitoring physician shall provide the Board with reports on the monitoring of Dr. Baldwin and his medical practice, and on the review of Dr. Baldwin's patient charts. Dr. Baldwin shall ensure that the reports are forwarded to the Board on a quarterly basis and are received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declaration.

    In the event that the designated monitoring physician becomes unable or unwilling to serve in this capacity, Dr. Baldwin must immediately so notify the Board in writing. In addition, Dr. Baldwin shall make arrangements acceptable to the Board for another monitoring physician within thirty days after the previously designated monitoring physician becomes unable or unwilling to serve, unless otherwise determined by the Board. Furthermore, Dr. Baldwin shall ensure that the previously designated monitoring physician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

Rehabilitation Program

11. Dr. Baldwin shall participate in an alcohol and drug rehabilitation program, such as A.A., N.A., C.A., or Caduceus, no less than three times per week. Substitution of any other specific program must receive prior Board approval.

    Dr. Baldwin shall submit acceptable documentary evidence of continuing compliance with this program which must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declarations.

Aftercare/Physicians Health Program

12. Dr. Baldwin shall maintain continued compliance with the terms of the aftercare contract entered into with his treatment provider and the advocacy contract entered into with the Ohio Physicians Effectiveness Program, provided that, where terms of

the aftercare or advocacy contracts conflict with terms of this Consent Agreement, the terms of this Consent Agreement shall control.

Psychiatric Treatment

13. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall submit to the Board for its prior approval the name and qualifications of a psychiatrist of his choice. Upon approval by the Board, Dr. Baldwin shall undergo and continue psychiatric treatment at least monthly or as otherwise directed by the Board. Dr. Baldwin shall comply with his psychiatric treatment plan, including taking medications as prescribed and/or ordered for his psychiatric disorder and participating in therapy as recommended. Dr. Baldwin shall ensure that psychiatric reports are forwarded by his treating psychiatrist to the Board on a quarterly basis, or as otherwise directed by the Board. The psychiatric reports shall contain information describing Dr. Baldwin's current treatment plan and any changes that have been made to the treatment plan since the prior report; Dr. Baldwin's compliance with his treatment plan; Dr. Baldwin's mental status; Dr. Baldwin's progress in treatment; and results of any laboratory studies that have been conducted since the prior report. Dr. Baldwin shall ensure that his treating psychiatrist immediately notifies the Board of his failure to comply with his treatment plan and/or any determination that Dr. Baldwin is unable to practice due to his psychiatric disorder. It is Dr. Baldwin's responsibility to ensure that quarterly reports are received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declaration.

Releases

14. Dr. Baldwin shall provide continuing authorization, through appropriate written consent forms, for disclosure by his treatment provider to the Board, to treating and monitoring physicians, and to others involved in the monitoring process, of information necessary for them to fulfill their respective duties and obligations.

16. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall provide a copy of this Consent Agreement by certified mail, return receipt requested,

to the proper licensing authority of any state or jurisdiction in which he currently holds any professional license. Dr. Baldwin further agrees to provide a copy of this Consent Agreement by certified mail, return receipt requested, at time of application to the proper licensing authority of any state in which he applies for any professional license or for reinstatement of any professional license. Further, Dr. Baldwin shall provide this Board with a copy of the return receipt as proof of notification within thirty days of receiving that return receipt.

FAILURE TO COMPLY

If, in the discretion of the Secretary and Supervising Member of the Board, Dr. Baldwin appears to have violated or breached any term or condition of this Consent Agreement, the Board reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including, but not limited to, alleged violations of the laws of Ohio occurring before the effective date of this Consent Agreement.

If the Secretary and Supervising Member of the Board determine that there is clear and convincing evidence that Dr. Baldwin has violated any term, condition or limitation of this Consent Agreement, Dr. Baldwin agrees that the violation, as alleged, also constitutes clear and convincing evidence that his continued practice presents a danger of immediate and serious harm to the public for purposes of initiating a summary suspension pursuant to Section 4731.22(G), Ohio Revised Code.

DURATION/MODIFICATION OF TERMS

Dr. Baldwin shall not request termination of this Consent Agreement for a minimum of five years. In addition, Dr. Baldwin shall not request modification to the probationary terms, limitations, and conditions contained herein for at least one year. Otherwise, the above-described terms, limitations and conditions may be amended or terminated in writing at any time upon the agreement of both parties.

ACKNOWLEDGMENTS/LIABILITY RELEASE

Dr. Baldwin acknowledges that he has had an opportunity to ask questions concerning the terms of this Consent Agreement and that all questions asked have been answered in a satisfactory manner.

Any action initiated by the Board based on alleged violations of this Consent Agreement shall comply with the Administrative Procedure Act, Chapter 119., Ohio Revised Code.

STEP I
CONSENT AGREEMENT
BETWEEN
MARK D. BALDWIN, D.O.
AND
THE STATE MEDICAL BOARD OF OHIO

This Consent Agreement is entered into by and between Mark D. Baldwin, D.O., and the State Medical Board of Ohio [the Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Baldwin enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

BASIS FOR ACTION

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

A. The Board is empowered by Section 4731.22(B), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for violation of Section 4731.22(B)(26), "[i]mpairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice," or Section 4731.22(B)(5), making "a false, fraudulent, deceptive, or misleading statement." Further, the Board is empowered by Section 4731.22(A), Ohio Revised Code, to revoke a certificate for "fraud, misrepresentation, or deception in applying for or securing any," license or certificate issued by the Board.

B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(26), (B)(5), and (A) Ohio Revised Code, as set forth in Paragraphs E and F below, and expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Agreement.

C. Dr. Baldwin is licensed to practice osteopathic medicine and surgery in the State of Ohio, License # 34-005880.

D. Dr. Baldwin states that he is also licensed to practice osteopathic medicine and surgery in the State(s) of AR MS.

E. Dr. Baldwin states that he was initially treated for alcohol dependence at Shepherd Hill Hospital, a Board approved treatment provider in Newark, Ohio, on an inpatient/residential basis, from on or about February 17, 1995 to on or about April 28, 1995. Dr. Baldwin further states that after successfully completing such treatment, he participated in and completed aftercare at Shepherd Hill Hospital and entered into an advocacy contract with the Ohio Physicians Effectiveness Program [OPEP].

Dr. Baldwin states he thereafter maintained sobriety until in or about October 2000, at which time he relapsed on alcohol. Dr. Baldwin further states that he discontinued use of alcohol in January 2001, and that he has maintained sobriety since that time. Dr. Baldwin admits that he has not participated in treatment for his alcohol dependence since his relapse, but states that he has sought treatment for depression. In addition, Dr. Baldwin admits that he did not report his relapse to the Board or OPEP until April 5, 2002.

F. Dr. Baldwin admits that in March 2001, in completing his application card for renewal of his certificate to practice medicine or surgery, he answered "No" to Question 2 which asks "At any time since signing your last application for renewal of your certificate have you been addicted to or dependent upon alcohol or any chemical substance; or been treated for, or been diagnosed as suffering from, drug or alcohol dependency or abuse?" Dr. Baldwin further admits that he signed such application card certifying that the information provided on the application for renewal was true and correct in every respect.

Dr. Baldwin further admits that he had, in fact, since signing his last application for renewal, been addicted to or dependent upon alcohol, and treated for, or diagnosed as suffering from, alcohol dependency or abuse.

Dr. Baldwin further admits that at the time he signed such application he had not successfully completed treatment at a program approved by this Board and subsequently adhered to all statutory requirements as contained in Sections 4731.224 and 4731.25, Ohio Revised Code, and related provisions, and was not currently enrolled in a Board approved program.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, Dr. Baldwin knowingly and voluntarily agrees with the Board to the following terms, conditions and limitations:

REPRIMAND

1. Dr. Baldwin is hereby REPRIMANDED for his violations of Sections 4731.22(A) and (B)(5), Ohio Revised Code.

SUSPENSION OF CERTIFICATE

2. The certificate of Dr. Baldwin to practice osteopathic medicine and surgery in the State of Ohio shall be SUSPENDED for an indefinite period of time, but not less than ninety days. Such period of suspension shall commence on the thirtieth day following the effective date of this Consent Agreement.

MONITORING OF REHABILITATION; EXAMINATION/TREATMENT/AFTERCARE

Sobriety

3. Dr. Baldwin shall abstain completely from the personal use or possession of drugs, except those prescribed, dispensed or administered to him by another so authorized by law who has full knowledge of Dr. Baldwin's history of chemical dependency.

4. Dr. Baldwin shall abstain completely from the use of alcohol.

Releases; Quarterly Declarations and Appearances

5. Dr. Baldwin shall provide authorization, through appropriate written consent forms, for disclosure of evaluative reports, summaries, and records, of whatever nature, by any and all parties that provide treatment or evaluation for Dr. Baldwin's chemical dependency, depression, or related conditions, or for purposes of complying with this Consent Agreement, whether such treatment or evaluation occurred before or after the effective date of this Consent Agreement. The above-mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. Dr. Baldwin further agrees to provide the Board written consent permitting any treatment provider from whom he obtains treatment to notify the Board in the event he fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this Consent Agreement.

6. Dr. Baldwin shall submit quarterly declarations under penalty of Board disciplinary action and/or criminal prosecution, stating whether there has been compliance with all the conditions of this Consent Agreement. The first quarterly declaration must be received in the Board's offices on the first day of the third month following the month in which this Consent Agreement becomes effective, provided that if the effective date is on or after the 16th day of the month, the first quarterly declaration must be received in the Board's offices on the first day of the fourth month following. Subsequent quarterly declarations must be received in the Board's offices on or before the first day of every third month.

7. Dr. Baldwin shall appear in person for an interview before the full Board or its designated representative during the third month following the effective date of this Consent Agreement. Subsequent personal appearances must occur every three months thereafter, and/or as otherwise requested by the Board. If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled.

Drug & Alcohol Screens; Supervising Physician

8. Prior to the commencement of the suspension of his certificate to practice, Dr. Baldwin shall submit to daily urine screenings for drugs and alcohol. Upon commencement of the suspension of his certificate to practice, and throughout the duration of this Consent Agreement, Dr. Baldwin shall submit to random urine screenings for drugs and alcohol on a weekly basis or as otherwise directed by the Board. Dr. Baldwin shall ensure that all screening reports are forwarded directly to the Board on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the Board.

   The Ohio Physicians Effectiveness Program shall serve as the "supervising physician" to whom Dr. Baldwin shall submit the required urine specimens, unless and until Dr. Baldwin submits to the Board for its prior approval the name of an alternate supervising physician to whom Dr. Baldwin shall submit the required urine specimens. In approving an individual to serve in this capacity, the Board will give preference to a physician who practices in the same locale as Dr. Baldwin.

   Dr. Baldwin and the supervising physician shall ensure that the urine specimens are obtained on a random basis and that the giving of the specimen is witnessed by a reliable person. In addition, the supervising physician shall assure that appropriate control over the specimen is maintained and shall immediately inform the Board of any positive screening results.

   Dr. Baldwin shall ensure that the supervising physician provides quarterly reports to the Board, in a format acceptable to the Board, as set forth in the materials provided by the Board to the supervising physician, verifying whether all urine screens have been conducted in compliance with this Consent Agreement, whether all urine screens have been negative, and whether the supervising physician remains willing and able to continue in his or her responsibilities.

   In the event that the designated supervising physician becomes unable or unwilling to so serve, Dr. Baldwin must immediately notify the Board in writing, and make arrangements acceptable to the Board for another supervising physician as soon as practicable. Dr. Baldwin shall further ensure that the previously designated supervising physician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

All screening reports and supervising physician reports required under this paragraph must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declaration. It is Dr. Baldwin's responsibility to ensure that reports are timely submitted.

Rehabilitation Program

9. Dr. Baldwin shall undertake and maintain participation in an alcohol and drug rehabilitation program, such as A.A., N.A., C.A., or Caduceus, no less than three times per week. Substitution of any other specific program must receive prior Board approval.

   Dr. Baldwin shall submit acceptable documentary evidence of continuing compliance with this program which must be received in the Board's offices no later than the due date for Dr. Baldwin's quarterly declarations.

Inpatient Examination/Treatment/Aftercare

10. Within seven days following the commencement of the suspension of his certificate to practice, or as otherwise approved by the Secretary or Supervising Member of the Board, Dr. Baldwin shall submit to a seventy-two hour inpatient examination to be conducted by a treatment provider approved under Section 4731.25, Ohio Revised Code, for purposes of determining his current treatment needs and/or requirements. Prior to the examination, Dr. Baldwin shall provide the approved treatment provider conducting such examination with copies of patient records from any evaluations and/or treatment that he has received, and a copy of this Consent Agreement.

    If current treatment needs and/or requirements are identified, Dr. Baldwin shall enter into treatment, to include inpatient or residential treatment provided in accordance with Rule 4731-16-08(A)(13), Ohio Administrative Code, to be provided by a treatment provider approved under Section 4731.25, Ohio Revised Code, within forty-eight hours of the determination that treatment is necessary; shall complete any required treatment without interruption; and shall enter into a post-discharge aftercare contract, which complies with Rule 4731-16-10, Ohio Administrative Code, with such treatment provider. If no current treatment needs are identified, Dr. Baldwin shall enter into an aftercare contract, which complies with Rule 4731-16-10, Ohio Administrative Code, with such treatment provider.

CONDITIONS FOR REINSTATEMENT

11. The Board shall not consider reinstatement of Dr. Baldwin's certificate to practice osteopathic medicine and surgery until all of the following conditions are met:

a. Dr. Baldwin shall submit an application for reinstatement, accompanied by appropriate fees, if any.

b. Dr. Baldwin shall demonstrate to the satisfaction of the Board that he can resume practice in compliance with acceptable and prevailing standards of care under the provisions of his certificate. Such demonstration shall include but shall not be limited to the following:

i. Certification from a treatment provider approved under Section 4731.25 of the Revised Code that Dr. Baldwin has successfully completed any required inpatient treatment.

ii. Evidence of continuing full compliance with a post-discharge aftercare contract with a treatment provider approved under Section 4731.25 of the Revised Code. Such evidence shall include, but not be limited to, a copy of the signed aftercare contract. The aftercare contract must comply with rule 4731-16-10 of the Administrative Code.

iii. Evidence of continuing full compliance with this Consent Agreement.

iv. Three written reports indicating that Dr. Baldwin's ability to practice has been assessed and that he has been found capable of practicing according to acceptable and prevailing standards of care.

Two reports shall be made by individuals or providers approved by the Board under Section 4731.25, Ohio Revised Code, for making such assessments. Prior to the assessments, Dr. Baldwin shall provide the evaluators with copies of patient records from any evaluations and/or treatment that he has received, and a copy of this Consent Agreement. The reports from the evaluators shall include any recommendations for treatment, monitoring, or supervision of Dr. Baldwin, and any conditions, restrictions, or limitations that should be imposed on Dr. Baldwin's practice. The reports shall also describe the basis for the evaluator's determinations.

One report shall be made by a psychiatrist, approved in advance by the Board, who shall conduct a psychiatric examination of Dr. Baldwin. Prior to the examination, Dr. Baldwin shall provide the psychiatrist with copies of patient records from any prior evaluations and/or treatment that he has received, and a copy of this Consent Agreement. The report from the evaluating psychiatrist shall include the psychiatrist's diagnoses and conclusions; any recommendations for care, counseling, and treatment for the psychiatric diagnoses; any conditions, restrictions, or limitations that

should be imposed on Dr. Baldwin's practice; and the basis for the psychiatrist's determinations.

All reports required pursuant to this paragraph shall be based upon examinations occurring within the three (3) months immediately preceding any application for reinstatement.

c. Dr. Baldwin shall enter into a written consent agreement including probationary terms, conditions and limitations as determined by the Board or, if the Board and Dr. Baldwin are unable to agree on the terms of a written Consent Agreement, then Dr. Baldwin further agrees to abide by any terms, conditions and limitations imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Ohio Revised Code.

Further, upon reinstatement of Dr. Baldwin's certificate to practice osteopathic medicine and surgery in this state, the Board shall require continued monitoring which shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Revised Code. Moreover, upon termination of the consent agreement or Board Order, Dr. Baldwin shall submit to the Board for at least two years annual progress reports made under penalty of Board disciplinary action or criminal prosecution stating whether Dr. Baldwin has maintained sobriety.

12. In the event that Dr. Baldwin has not been engaged in the active practice of osteopathic medicine and surgery for a period in excess of two years prior to application for reinstatement, the Board may exercise its discretion under Section 4731.222, Ohio Revised Code, to require additional evidence of Dr. Baldwin's fitness to resume practice.

REQUIRED REPORTING BY LICENSEE

13. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall provide a copy of this Consent Agreement by certified mail, return receipt requested, to the proper licensing authority of any state or jurisdiction in which he currently holds any professional license. Dr. Baldwin further agrees to provide a copy of this Consent Agreement by certified mail, return receipt requested, at time of application to the proper licensing authority of any state in which he applies for any professional license or reinstatement of any professional license. Further, Dr. Baldwin shall provide this Board with a copy of the return receipt as proof of notification within thirty days of receiving that return receipt.

14. Within thirty days of the effective date of this Consent Agreement, Dr. Baldwin shall provide a copy of this Consent Agreement to all employers or entities with which he

is under contract to provide health care services or is receiving training; and the Chief of Staff at each hospital where he has privileges or appointments. Further, Dr. Baldwin shall provide a copy of this Consent Agreement to all employers or entities with which he contracts to provide health care services, or applies for or receives training, and the Chief of Staff at each hospital where he applies for or obtains privileges or appointments.

The above-described terms, conditions and limitations may be amended or terminated in writing at any time upon the agreement of both parties.
