Dear Doctor Hendrixson:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio [Board] intends to determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery, or to fine, reprimand or place you on probation for one or more of the following reasons:

- (1) In applying for registration of your certificate to practice osteopathic medicine and surgery for the October 2, 2002 – October 1, 2004 period, you certified that you had completed or would complete during the 2000 – 2002 registration period (July 2, 2000 – July 1, 2002) the requisite hours of Continuing Medical Education [CME] as required by Section 4731.281, Ohio Revised Code.
- (2) By a certified mail letter dated March 12, 2003, the Board informed you that you were required to complete and submit a log demonstrating that you had completed at least one hundred hours of CME during the 2000 - 2002 period and to provide documentation that you had actually completed at least forty hours of Category I CME credits. On April 21, 2003, the Board received CME documentation of thirty-four hours of Category I CME credits.

By certified mail letter dated April 28, 2003, the Board requested that you submit documentation for the remaining six hours of Category I CME credits for the 2000 - 2002 period. The Board subsequently received documentation of 2.5 Category I CME credits.

Further, by certified mail letter dated June 11, 2003, the Board requested that you submit documentation for the remaining 3.5 hours of Category I CME credits for the 2000 – 2002 period. You failed to respond to the Board's request that you submit the remaining 3.5 hours of Category I CME credits completed for the above period.

*Mailed 12-11-03*

- (3) Your lack of response to the June 11, 2003, notice as detailed in the above paragraph (2) rebuts the presumption under Rule 4731-10-08(A), Ohio Administrative Code, that you did complete the requisite hours of CME, and/or demonstrates that you failed to keep detailed records of CME taken.

Your acts, conduct and/or omissions in certifying to the Board that you had completed the statutorily required CME, as set forth in the above paragraph (1), when you had not, in fact, done so, constitute "fraud, misrepresentation, or deception in applying for or securing any certificate to practice or certificate of registration issued by the board," as that clause is used in Section 4731.22(A), Ohio Revised Code.

Further, your acts, conduct and/or omissions in certifying to the Board that you had completed the statutorily required CME, as set forth in the above paragraph (1), when you had not, in fact, done so, constitute "[m]aking a false, fraudulent, deceptive, or misleading statement," as that clause is used in Section 4731.22(B)(5), Ohio Revised Code.

Further, your failure to respond to the June 11, 2003 audit notice, to obtain the requisite CME, and/or to submit documentation of same, as alleged in the above paragraphs (2) and (3) constitutes "violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board," as that clause is used in Section 4731.22(B)(20), Ohio Revised Code, to wit: Section 4731.281, Ohio Revised Code, and Rules 4731-10-03 and 4731-10-08, Ohio Administrative Code, as in effect prior to February 28, 2003.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of mailing of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice osteopathic medicine and surgery, or to fine, reprimand or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that “[w]hen the board refuses to grant a certificate to an applicant, revokes an individual’s certificate to practice, refuses to register an applicant, or refuses to reinstate an individual’s certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate.”

Copies of the applicable sections are enclosed for your information.

Very truly yours,

*Lance A. Talmage, MD*
