OHIO STATE
MEDICAL BOARD

THIS CONSENT AGREEMENT is entered into by and between CARL F. SCHILLING, M.D. and THE STATE MEDICAL BOARD OF OHIO, a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

CARL F. SCHILLING, M.D., enters into this Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

2. The Board may refuse to issue a certificate to an applicant who fails to furnish proof satisfactory to the BOARD that he is of good moral character, as required by Section 4731.08, Ohio Revised Code, and may further limit, reprimand, revoke, a certificate on the grounds of selling, prescribing, giving away, or administering drugs for other than legal and legitimate therapeutic purposes, as provided by Section 4731.22(B)(3), Ohio Revised Code.

5. In the event that DOCTOR SCHILLING should leave Ohio for three continuous months, or reside or practice outside the State, DOCTOR SCHILLING must notify THE STATE MEDICAL BOARD OF OHIO in writing of the dates of departure and return. Periods of time spent outside of Ohio will not apply to the reduction of this period under the Consent Agreement.

- 6. DOCTOR SCHILLING shall abstain completely from the personal use or possession of drugs, except those prescribed, administered, or dispensed to him by his personal physician.
- 7. DOCTOR SCHILLING shall provide all employers and the Chief of Staff at each institution where he has or obtains employment with a copy of this Consent Agreement.

The above described terms, limitations and conditions may be amended or terminated in writing at any time upon the agreement of both parties. Upon the request of either party, the STATE MEDICAL BOARD shall schedule an appearance of CARL F. SCHILLING, M.D., before the BOARD at its formal meeting to discuss the appropriateness of modifying or terminating the above stated terms or conditions. This Agreement shall remain in effect as long as DOCTOR SCHILLING holds a certificate to practice medicine and surgery.

CARL F. SCHILLING, M.D. hereby releases the STATE MEDICAL BOARD, its Members, employees, agents and officers jointly and severally from any and all liability arising from the within matter.

If, in the discretion of the Secretary of the STATE MEDICAL BOARD OF OHIO, CARL F. SCHILLING, M.D., appears to have violated or breached any terms or conditions of this Agreement, the STATE MEDICAL BOARD OF OHIO reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violations of the laws of Ohio occurring before the effective date of this Agreement.

Any action initiated by the BOARD based on alleged violations of this Consent Agreement shall comply with the Administrative Procedure Act, Chapter 119., Ohio Revised Code.

REPORT AND RECOMMENDATION
IN THE MATTER OF CARL F. SCHILLING, M.D.

'84 JUL -2 P12124

The matter of Carl F. Schilling, M.D., came before me, Leonard L. Lovshin, M.D., Member of the State Medical Board of Ohio, on April 24, 1984.

INTRODUCTION AND SUMMARY OF EVIDENCE

1. Dr. Carl F. Schilling voluntarily surrendered his license to practice medicine and surgery on July 23, 1980 due to reasons of health. (State's Exhibit 5)
2. On September 5, 1981, Dr. Schilling entered into a Consent Agreement with the State Medical Board of Ohio. (State's Exhibit 6) In exchange for limited reinstatement of his certificate, he agreed to abide by the following terms and conditions:
 - A. That he refrain from applying for a Drug Enforcement Administration (D.E.A.) Certificate of Registration;
 - B. That he restrict his practice of medicine to a salaried, institutional setting;
 - C. That he arrange for the Board to receive a monthly letter from his treating psychiatrist;
 - D. That he appear personally before the Board upon request approximately three (3) months after the effective date of the agreement and as otherwise requested by the Board.
3. In response to a request by Dr. Schilling to have D.E.A. license restored, the Board notified him of its proposal to deny unrestricted certification by letter of February 18, 1983. (State's Exhibit 1)
4. Dr. Schilling requested a hearing on the Board's proposed action by letter of April 2, 1983. (State's Exhibit 3)
5. The Medical Board acknowledged receipt of Dr. Schilling's hearing request by letter of April 11, 1983, and scheduled and continued his hearing pursuant to Section 119.09, Ohio Revised Code. (State's Exhibit 4)
6. By letter of March 5, 1984, the Medical Board scheduled Dr. Schilling's hearing for April 11, 1984. (State's Exhibit 2)

7. Dr. Schilling was present at the April 11, 1984 hearing to represent himself, having been duly advised of his right to counsel, as well as of his right to present witnesses.
8. Mary Joseph Maxwell, Assistant Attorney General, appeared on behalf of the State. '84 JUL -2 P12:35
9. After identifying and admitting State's Exhibits 1-6, Ms. Maxwell stated that the Consent Agreement between Dr. Schilling and the Board was still in effect, and Dr. Schilling's D.E.A. license should not be restored.
10. In his remarks, Dr. Schilling outlined the following circumstances and events:
 - A. He had entered into the Consent Agreement with the Medical Board in September, 1981 after the Board discovered problems with his prescribing practices.
 - B. He is currently working with a group of doctors as an employee and is involved in various types of research as part of his practice.
 - C. He finds it inconvenient and embarrassing to be unable to write prescriptions for narcotics in the course of his work, although there are usually other physicians available who can write prescriptions for him.
 - D. Even if he had his D.E.A. number restored, he would not return to private solo practice because of his age (71).
 - E. He contends that his prescribing problems occurred at a time when he was not well. He now feels that his health has improved and his diabetes is under control. He is no longer seeing a psychiatrist.
 - F. He does not ordinarily have occasion to write prescriptions for narcotics, but would like to be free to use them in appropriate instances.
11. In further support of his contention that he is ready to have his D.E.A. restored, Dr. Schilling submitted the following documents:
 - A. Petitioner's Exhibit A is a letter of recommendation from Dr. David R. Lehrer, a former associate.
 - B. Petitioner's Exhibit B is a letter of recommendation from Dr. Warner A. Peck.
 - C. Petitioner's Exhibit C is a letter written by Dr. Schilling to his psychiatrist in March 1982 expressing his desire to get an unrestricted certificate and stressing that he is not concerned about his narcotics license.

After considering all of the testimony and evidence presented at the hearing and after having received the transcript and all exhibits introduced, I have reached the following Findings of Fact and Conclusions and offer the following Proposed Order:

'84 JUL -2 P12:25

FINDINGS OF FACT

1. Dr. Carl F. Schilling voluntarily surrendered his license to practice medicine and surgery on July 23, 1980.

This fact is established by State's Exhibit #5.
2. Dr. Schilling entered into a Consent Agreement with the State Medical Board on September 5, 1981. As one of the conditions for limited reinstatement of his license, Dr. Schilling agreed to refrain from applying for a D.E.A. certificate.

These facts are established by State's Exhibit #6.
3. The Consent Agreement arose out of a disciplinary proceeding instituted against Dr. Schilling because of his prescribing practices.

This fact is established by Dr. Schilling's testimony, Transcript at page 13.
4. Dr. Schilling is currently working as an employee of the Krengler Medical Center, a group medical practice in Cincinnati, Ohio.

This fact is established by Dr. Schilling's testimony, Transcript at page 10.
5. Dr. Schilling is no longer seeing a psychiatrist.

This fact is established by Dr. Schilling's testimony, Transcript at page 6.
6. Dr. Schilling does not ordinarily have occasion to write prescriptions for narcotics.

This fact is established by Dr. Schilling's testimony, Transcript at page 12.

CONCLUSIONS

The Consent Agreement entered into between Dr. Carl F. Schilling and the State Medical Board on September 5, 1981 arose out of a disciplinary proceeding instituted against Dr. Schilling because of his prescribing practices. In attempting to modify that Agreement, Dr. Schilling has taken on the burden of proving the following:

1. That the conditions which led Dr. Schilling to give up his D.E.A. certificate have changed so substantially that he is now ready to have his prescribing privileges reinstated.
2. That the public interest will be served rather than threatened by the reinstatement of Dr. Schilling's D.E.A. privileges. 84 JUL -2 P12:35

On the basis of the evidence presented to me in the course of this hearing, I am unable to conclude that Dr. Carl F. Schilling should have his Agreement altered when the primary argument advanced is that the lack of a D.E.A. creates inconvenience or embarrassment.

PROPOSED ORDER

It is hereby Ordered that:

1. Dr. Carl F. Schilling's request for an unrestricted license to practice medicine be and is hereby denied;
2. Further, Dr. Carl F. Schilling shall continue to practice medicine in accordance with the terms and conditions of the Consent Agreement entered into by the parties on September 5, 1981.
