Dear Doctor Fleischman:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation for one or more of the following reasons:

1. In applying for registration of your certificate to practice medicine and surgery for the current registration period, you certified that you had completed during the last registration period (January 1, 1985 through December 31, 1986) the requisite hours of Continuing Medical Education, as required by Section 4731.281, Ohio Revised Code.
2. By letter dated December 9, 1987, you were notified by the State Medical Board that you were required to complete a log listing your Continuing Medical Education, and to provide documentation that you had actually attended 40 hours of Category I credits. A second letter, dated March 1, 1988, was mailed to you repeating notification of this requirement. You responded by submitting a log, received by the State Medical Board on March 31, 1988, listing twenty-one (21) hours of Category I credits and thirty-three (33) hours of Category II credits. You failed to submit any documentation of the Category I credits listed.
3. Your response to the notices as detailed in the above Paragraph 2 established that you did not complete the requisite hours of Continuing Medical Education, and/or that you failed to keep detailed records of C.M.E. hours taken.

The acts and omissions as alleged in the above Paragraphs (1) and (3), individually and/or collectively, constitute "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the Board", as that clause is used in Section 4731.22(A), Ohio Revised Code.

Further, such acts as alleged in the above paragraphs (1) and (3), individually and/or collectively, constitute "publishing a false, fraudulent, deceptive, or misleading statement", as that clause is used in Section 4731.22(B)(5), Ohio Revised Code.

Further, such acts as alleged in the above Paragraph (2), individually and/or collectively, constitute "violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of this Chapter or any rule promulgated by the Board," as that clause is used in Section 4731.22(B)(20), Ohio Revised Code, (Section 4731.22(B)(16), Ohio Revised Code, prior to March 17, 1987) to wit: Section 4731.281, Ohio Revised Code, and Rule 4731-10-08, Ohio Administrative Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, that request must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before the agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation.
