Dear Doctor Damato:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

- (1) In applying for registration of your certificate to practice medicine or surgery for the current registration period, you certified that you had completed during the last registration period (January 1, 1991 - September 30, 1992) the requisite hours of Continuing Medical Education (CME) as required by Section 4731.281, Ohio Revised Code.
- (2) On April 26, 1993, your agent signed for the certified mail letter from the State Medical Board which informed you that you were required to complete a log listing your CME for the January 1, 1991 to September 30, 1992, registration period and to provide documentation that you had actually completed at least thirty (30) hours of Category 1 CME credits. By certified mail letter dated November 30, 1993, for which your agent signed on December 1, 1993, the State Medical Board again requested that you submit documentation of your CME credits for the registration period January 1, 1991, to September 30, 1992. You have not responded to either of the above notices. You have failed to submit any documentation of CME completed for the above registration period.
- (3) Your lack of response to the notices as detailed in the above paragraph (2) rebuts the presumption that you did complete the requisite hours of Continuing Medical Education, and/or demonstrates that you failed to keep detailed records of CME taken.

Your acts in certifying to the State Medical Board that you had completed the statutorily required Continuing Medical Education, as set forth in the above paragraph (1), when you had not, in fact, done so, constitute "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the board," as that clause is used in Section 4731.22(A), Ohio Revised Code.

Mailed 5/12/94

May 11, 1994

Further, such failure to obtain the requisite Continuing Medical Education and submit documentation of same constitutes "(v)iolating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board," as that clause is used in Section 4731.22(B)(20), Ohio Revised Code, to wit: Section 4731.281, Ohio Revised Code, and Rules 4731-10-03 and 4731-10-08, Ohio Administrative Code.

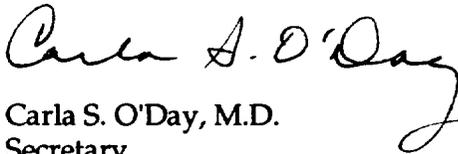

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation.

Copies of the applicable sections are enclosed for your information.

Very truly yours,

Carla S. O'Day, M.D.
Secretary
