Dear Dr. Ketchum:

In accordance with Chapter 119, Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not your license to practice medicine and surgery should be suspended or revoked under the provisions of Section 4731.22, Revised Code, for the following reason:

1. On or about October 3, 1973 in the Supreme Court in and for the County of Erie, in the City of Buffalo, in the State of New York, you were found guilty of a felony, to wit: criminally negligent homicide (indictment number 37,011-A).

Such a finding constitutes grounds for revocation or suspension of your license to practice medicine and surgery pursuant to Section 4731.22, Ohio Revised Code, which provides that the State Medical Board "may revoke or suspend a certificate of a person at any time guilty of felony".

You are advised that you are entitled to a hearing in this matter if you request such hearing within thirty (30) days of the time of mailing of this notice.
