

CONSENT AGREEMENT

BY AND BETWEEN

NAGIN RANCHOD, M.D.

AND

THE STATE MEDICAL BOARD OF OHIO

THIS CONSENT AGREEMENT is entered into, by and between NAGIN RANCHOD, M.D., and the STATE MEDICAL BOARD OF OHIO, a state agency charged with enforcing Chapters 4730. and 4731. of the Ohio Revised Code.

NAGIN RANCHOD, M.D., represents that he has retained counsel and having retained counsel, been advised prior to entering into this Agreement.

This Agreement is entered into on the basis of the following statements, admissions, and understandings:

1. In lieu of going forward with a formal adjudication hearing at this time, NAGIN RANCHOD, M.D., and the BOARD have agreed to enter into this Consent Agreement which the parties have resolved to be in their mutual best interests.
2. NAGIN RANCHOD, M.D., admits to no acts of wrongdoing or violation of laws;
3. THE BOARD makes no findings of any violation of laws or acts of wrongdoing by NAGIN RANCHOD, M.D.
4. This Agreement is expressly conditioned upon the Court of Common Pleas of Richland County vacating its Order of January 10, 1985 relating to a subpoena and subpoena duces tecum issued by the BOARD and served upon NAGIN RANCHOD, M.D. The BOARD reserves its right to withdraw from this Agreement should said Order of the Court not be vacated.

WHEREFORE, in consideration of the foregoing and of mutual promises hereinafter set forth, NAGIN RANCHOD, M.D., and the STATE MEDICAL BOARD hereby CONSENT and AGREE to the following terms and conditions relating to NAGIN RANCHOD, M.D.'s license to practice medicine and surgery in Ohio:

(A) During the six (6) month period immediately following the effective date of this agreement, Doctor Ranchod's Certificate to Practice Medicine or Surgery Number 27287 shall be limited in that he shall be ineligible to prescribe, dispense, administer, or handle Controlled Substances listed in Schedules II and IIN, except that Doctor Ranchod may order the administration of Schedule II and IIN Controlled Substances, when appropriate, to patients admitted by him to a hospital during the course of such hospitalization, and may order the administration of such Controlled Substances to patients seen by him in a hospital emergency room.

(B) NAGIN RANCHOD, M.D., shall keep a drug log reflecting all Schedule II, IIN, III, IIN, IV and V substances prescribed, administered, or dispensed for a period of two (2) years, commencing on the effective date of this agreement, said log stating the date, patient name, substance, quantity, and reason for prescribing, administering or dispensing each Controlled Substance utilized.

(C) NAGIN RANCHOD, M.D., shall submit to the STATE MEDICAL BOARD, or a member thereof, the drug log required in Paragraph B, every three (3) months during the effective term of this Agreement, and shall remain available to answer any questions of the Secretary of the BOARD relating to his prescribing, administering, or dispensing of Controlled Substances. The STATE MEDICAL BOARD shall not make

public names or other identifying information about patients named in said drug log unless proper consent is given or a waiver of the patient privilege exists under division (B) of Section 2317.02 of the Revised Code, except that no such consent or waiver is required if the Board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

(D) If, in the discretion of the Secretary and the Supervising Member of the STATE MEDICAL BOARD, NAGIN RANCHOD, M.D., appears to have violated or breached any terms or conditions of this CONSENT AGREEMENT, or to have prescribed, administered, or dispensed drugs in violation of Sections 4731.22(B) (2), 4731.22 (B)(3), or 4731.22 (B)(6) of the Revised Code, the BOARD reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including, but not limited to, alleged violations occurring before the effective date of this Agreement.

(E) IT IS AGREED AND UNDERSTOOD by and between the parties that the portion of this CONSENT AGREEMENT setting forth the action to be taken shall be presented to the Hearing Member, Joseph P. Yut, M.D., for his approval. If the Hearing Member rejects this proposed CONSENT AGREEMENT, said Agreement shall be rendered a nullity, and the hearing shall proceed as scheduled.

Upon consent of both parties, the terms and conditions of this Agreement may be modified or terminated in writing.

The terms and conditions of this Agreement shall become effective on February 11, 1985.

IT IS AGREED AND UNDERSTOOD by and between the parties that this CONSENT AGREEMENT shall be considered a public record as that term is used in Section 149.43, Ohio Revised Code.

Dear Doctor Ranchod:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine under the provisions of Section 4731.22, Ohio Revised Code, whether or not to limit, reprimand, revoke, suspend, place on probation, refuse to register, or reinstate your certificate to practice medicine or surgery for one (1) or more of the following reasons:

1. You did prescribe the controlled substances listed in Attachment #1 on or around the dates indicated and in the amounts and strengths indicated, in the names of the patients who are identified in Attachment #2 (to be withheld from public disclosure). Said Attachments #1 and #2 are attached hereto and incorporated herein.

As concerns each of the patients designated in Attachment #1 by a double asterisk (**) in the left hand margin, the above described acts, conduct, or omissions, individually or collectively, constitute, "Failure to use reasonable care discrimination in the administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease", as one or all of those clauses are used in Section 4731.22(B)(2), Ohio Revised Code.

Further, such acts concerning such (**) designated patients, individually or collectively, constitute, "Selling, prescribing, giving away, or administering drugs for other than legal and legitimate therapeutic purposes...", as that clause is used in Section 4731.22(B)(3), Ohio Revised Code.

Further, such acts concerning such (**) designated patients, individually or collectively, constitute, "A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established", as that clause is used in Section 4731.22(B)(6), Ohio Revised Code.

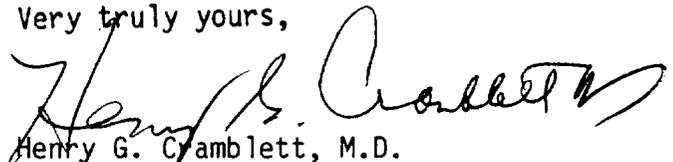

Pursuant to Chapter 119., Ohio Revised Code, please be advised that you may request a hearing on this matter. If you wish to request such a hearing, that request must be made within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such a hearing in person, or by your attorney, or you may present your position, arguments, or contentions in writing, or that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event there is no request for such a hearing made within thirty (30) days of the time of mailing of this notice, the State Medical Board of Ohio may, in your absence and upon consideration of this matter, determine whether or not to limit, reprimand, revoke, suspend, place on probation, refuse to register, or reinstate your certificate to practice medicine or surgery in the State of Ohio.

Copies of all referenced statutes are enclosed.

Very truly yours,

Henry G. Cramblett, M.D.
Secretary
