Dear Doctor Hogenkamp:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

- (1) On or about October 15, 1984 upon submitting your application for the biennial renewal of your certificate for the biennium 1985-1986 you answered "No" to the question, "since you last renewed your Ohio Medical License, have you been convicted of or plead nolo contendere to a felony?" In fact, you entered a plea of nolo contendere to one (1) count of kidnapping, a class 4 felony pursuant to C.R.S. 1973, 18-3-302, on January 18, 1983.
- (2) On or about October 15, 1984 upon submitting your application for the biennial renewal of your certificate for the biennium 1985-1986, you answered "No" to the question, "at any time since the last renewal of your certificate have you had any disciplinary action taken or initiated against you by a state licensing agency?" In fact on November 17, 1982 the Colorado Board of Medical Examiners issued an Order placing you on probation for three (3) years, a copy of which is attached hereto and fully incorporated herein.

In fact on November 17, 1982 the Colorado Board of Medical Examiners issued an Order placing you on probation for three (3) years, a copy of which is attached hereto and fully incorporated herein.

Your acts, conduct, and/or omissions as alleged in paragraphs (1), (2), and (3) and above, individually and/or collectively, constitute "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the board," as that clause is used in Section 4731.22(A), Ohio Revised Code.

Further, your acts, conduct, and/or omissions as alleged in paragraphs (1), (2), and (3) above, individually and/or collectively, constitute "publishing a false, fraudulent, deceptive, or misleading statement," as that clause is used in Section 4731.22(B)(5), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. Proceeding No. RG ME DACPV

STIPULATION

PEOPLE OF THE STATE OF COLORADO ex rel., J. D. MACFARLANE,
Attorney General,

Complainant,

v.

JON HOGENKAMP, M.D.,

Respondent.

IT IS HEREBY STIPULATED, by and between Inquiry Panel B of the Colorado State Board of Medical Examiners ("board") and Jon Hogenkamp, M.D. ("respondent").

WHEREAS, respondent entered Colorado State Hospital, Pueblo, Colorado, on or about May 10, 1982 and, thereafter, Betheseda Hospital, Denver, Colorado for psychiatric evaluation of depression and suicidal tendencies and,

WHEREAS, board has summarily suspended the license of respondent to practice medicine and,

WHEREAS, respondent has sought professional treatment to correct his situation and to prevent his becoming a danger to himself or others and,

WHEREAS, respondent believes himself to be capable of practicing with reasonable skill and safety to his patients and,

WHEREAS, respondent has given evidence to board to demonstrate his ability to practice medicine and,

WHEREAS, respondent will continue to receive treatment during the course of this stipulation as directed by board and,

WHEREAS, board also referred this matter to the attorney general for the preparation and filing of formal charges for a disciplinary hearing before the Hearings Panel A of the Colorado State Board of Medical Examiners pursuant to C.R.S. 1973, 12-36-118 and,

STATE OF COLORADO
SEP 20 1982

WHEREAS, respondent desires to have his license to practice medicine restored in the State of Colorado and recognizes and accepts the need for board supervision pursuant to the statutory responsibility and obligations of board to protect the public health, safety and welfare as set forth in the Medical Practice Act, C.R.S. 1973, 12-36-101 et seq and,

WHEREAS, respondent has conferred with counsel and wishes to settle all issues posed in the formal complaint of the attorney general without hearing and,

WHEREAS, respondent specifically agrees that he be placed on probation for a period of thirty six (36) months from the date on which board accepts this stipulation;

NOW THEREFORE, the following stipulation is entered into and respectfully submitted for the purpose of allowing its terms to become the order of board herein.

IT IS STIPULATED AND AGREED:

1. Board has jurisdiction over the person of respondent and the subject matter herein.
2. Respondent admits that board had reasonable grounds to summarily suspend his license and that such suspension was lawful.
3. Respondent admits that he has undergone psychiatric evaluation and treatment for conditions which, if untreated, would cause respondent to present a danger to the public health, safety and welfare.
4. Respondent admits that he needs to continue to have professional treatment for his psychiatric problems, has voluntarily sought such treatment and agrees to the imposition of the following conditions as part of his probation herein:
 - a. The period of this stipulated probation is 36 months from the date of the acceptance of this stipulation by board.
 - b. Respondent shall secure at his expense, and see on a regular and professional basis, a psychiatrist who shall be licensed to practice medicine in the State of Colorado and who shall be acceptable to the board and who shall agree to report to the board. It is further agreed that Respondent shall follow the treatment recommended by his psychiatrist. Said psychiatrist shall report to the board in writing according to this schedule:

(1) An initial report shall be submitted to board thirty (30) days after the board accepts this stipulation and subsequent reports shall be submitted quarterly thereafter.

(2) All reports shall set forth the number, frequency and length of respondent's visits with the reporting physician and shall set forth respondent's progress and physical and mental condition and whether respondent is able to practice medicine with reasonable skill and safety to his patients. Should the reporting physician have cause to believe respondent is unable to practice medicine with skill and safety to his patients, he will immediately report the same to the board.

c. In the event any report submitted pursuant to subparagraph (b) of this paragraph 4 indicates the respondent is not complying with the terms of his probation, respondent shall be deemed to be not in compliance with the terms of his probation and board, in its discretion, may go forward with a formal hearing as set forth in paragraph 7 below.

5. Respondent shall at all times keep the board advised as to his place of residence and location of practice.

6. If at the end of the thirty six (36) month probationary period, respondent has adhered to all the terms of this stipulation, then this proceeding shall be closed and concluded in all respects.

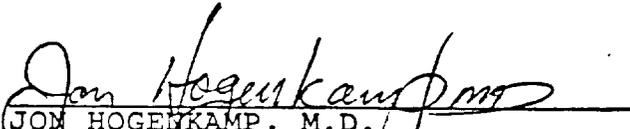

7. Any violation of this stipulation may, at the discretion of board, following a hearing, constitute grounds for disciplinary proceedings pursuant to C.R.S. 1973, 12-36-118 and shall have the same effect and consequence as those actions constituting unprofessional conduct pursuant to C.R.S. 1973, 12-36-117. In the event an alleged violation of this stipulation is taken to a hearing and the facts which constitute that violation are determined to be not proven no disciplinary action shall be taken by the board and the stipulation previously entered into by the parties shall again be operative and have, full force and effect.

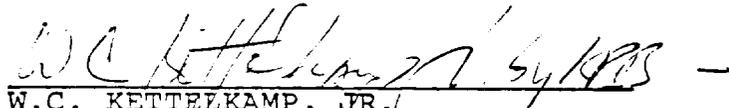

8. Parties are agreed that respondent is presently charged with felony offenses in the Tenth Judicial District at Pueblo, Colorado. Board reserves the right, following a hearing, to review, alter or revoke this stipulation when the outcome of those charges is known. Respondent has the right to receive a hearing before the board with regard to the alteration or revocation of this stipulation.

9. Respondent has been advised by legal counsel and is fully aware and understands his right to a formal disciplinary hearing pursuant to C.R.S. 1973, 12-36-118 and hereby voluntarily waives a formal disciplinary hearing and requests that this stipulation be accepted by the board with the same force and effect as an order entered as the result of a formal disciplinary and hearing pursuant to C.R.S. 1973, 12-36-118.

10. Notwithstanding any provisions of this stipulation to the contrary, nothing herein is intended to prevent or contradict the right of the applicant to file for reconsideration and review by the board any provision of this stipulation, pursuant to C.R.S. 1973, 12-36-119.

11. This stipulation is entered into by respondent voluntarily and without coercion and after having been advised by counsel as to the legal consequences of this stipulation and respondent's right to a formal hearing on all matters herein.
