DOCTOR MILLER shall submit with each quarterly declaration required under Paragraph IV. B. of this CONSENT AGREEMENT acceptable documentary evidence of continuing compliance with this program.

- N. DOCTOR MILLER shall obtain the approval of the BOARD for any medical practice or employment related to the health care fields. The BOARD shall consider, among other factors, the adequacy and continuity of supervision and the feasibility of restricted access to controlled substances, which will ensure the protection of the public, prior to approval or disapproval of proposed employment.
- O. DOCTOR MILLER shall contact an appropriate impaired physicians committee, approved by the BOARD, to arrange for assistance in recovery or aftercare.
- P. DOCTOR MILLER shall maintain continued compliance with the terms of the aftercare contract entered into with his treatment provider, provided, that where terms of the aftercare contract conflict with terms of this AGREEMENT, the terms of this AGREEMENT shall control.

DOCTOR MILLER shall provide continuing authorization, through appropriate written consent forms, for disclosure by his treatment provider to the BOARD, to treating and monitoring physicians, and to others involved in the monitoring process, of information necessary for them to fulfill their respective duties and obligations.
- R. DOCTOR MILLER agrees that if any declaration or report required by this AGREEMENT is not received in the BOARD's offices on or before its due date, DOCTOR MILLER shall cease practicing beginning the day

next following receipt from the BOARD of notice of non-receipt, either by writing, by telephone, or by personal contact until the declaration or report is received in the BOARD offices. Any practice during this time period shall be considered unlicensed practice in violation of Section 4731.41 of the Revised Code.

This paragraph does not limit the Board's authority to suspend, revoke or permanently revoke DOCTOR MILLER's certificate based on other violations of this CONSENT AGREEMENT.

Columbus, OH 43202

Dear Doctor Miller:

In accordance with Sections 2929.17 and/or 3719.12(B), Ohio Revised Code, the Office of the Prosecuting Attorney of Franklin County, Ohio reported that on or about December 14, 1995, the Franklin County Court of Common Pleas found you Eligible for Treatment in Lieu of Conviction for violations of Section 2925.23, Ohio Revised Code, Illegal Processing of Drug Documents, and Section 2921.12, Ohio Revised Code, Tampering With Evidence, pursuant to Section 2951.041 of the Ohio Revised Code.

Therefore, pursuant to Section 3719.121(C), Ohio Revised Code, you are hereby notified that your license to practice medicine and surgery in the State of Ohio is immediately suspended. Furthermore, in accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine or surgery, or to reprimand or place you on probation for one or more of the following reasons:

- (1) On or about December 14, 1995, in the Franklin County Court of Common Pleas, you pleaded guilty to four felony counts of Illegal Processing of Drug Documents in violation of Section 2925.23, Ohio

Revised Code, and one felony count of Tampering With Evidence in violation of Section 2921.12, Ohio Revised Code, and were granted Treatment in Lieu of Conviction pursuant to Section 2951.041, Ohio Revised Code.

- (2) Moreover, in order to grant your request for Treatment in Lieu of Conviction, the Court was required by statute to find that your "drug dependence was a factor leading to the criminal activity with which (you were) charged, and rehabilitation through treatment would substantially reduce the likelihood of additional criminal activity."

The acts, conduct, and/or omissions underlying this judicial finding of Eligibility for Treatment in Lieu of Conviction for violations of Section 2925.23, Ohio Revised Code, Illegal Processing of Drug Documents, and Section 2921.12, Ohio Revised Code, Tampering With Evidence, as alleged in paragraph (1) above, individually and/or collectively, constitute "(c)ommission of an act that constitutes a felony in this state regardless of the jurisdiction in which the act was committed," as that clause is used in Section 4731.22(B)(10), Ohio Revised Code, to wit: Section 2925.23, Ohio Revised Code, Illegal Processing of Drug Documents, and Section 2921.12, Ohio Revised Code, Tampering With Evidence.

Further, the acts, conduct, and/or omissions underlying this judicial finding of Eligibility for Treatment in Lieu of Conviction for violations of Section 2925.23, Ohio Revised Code, Illegal Processing of Drug Documents, and Section 2921.12, Ohio Revised Code, Tampering With Evidence, as alleged in paragraphs (1) and (2) above, individually and/or collectively, constitute "(i)mpairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice," as that clause is used in Section 4731.22(B)(26), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

February 14, 1996

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation.

Copies of the applicable sections are enclosed for your information.

Very truly yours,
