NOTICE OF SUSPENSION **PURSUANT TO R.C. 2301.373 & 4731.76**

The State Medical Board of Ohio has received notice from the Butler County Child Support Enforcement Agency that you have been determined in default under a child support order. Pursuant to Ohio Revised Code Sections 2301.373 and 4731.76, this Board is prohibited from issuing a license, permit, certificate or other authorization as a result of this determination. The Board is also required to suspend any license that has been issued. This decision to suspend, or refusal to issue a new license, will remain in effect until the Board receives notice from the Butler County Child Support Enforcement Agency that you are no longer determined to be in default.

When will the Board issue or reinstate my license?

Before a license can be issued or reinstated, the Board must receive notice from the Butler County Child Support Enforcement Agency that you are no longer in default. The Butler County Child Support Enforcement Agency will issue such a notice when payment of the determined arrearage has been paid in full, or when a new, or appropriate, order has been issued for the collection of current support and arrearage.

Once I am determined not to be in default, how long will it take to get my license?

The Board will issue or reinstate your license within seven days of receiving the notice from the Butler County Child Support Enforcement Agency that you are no longer in default. A fee of up to \$50 may be assessed to issue or reinstate the license.
