- a. DOCTOR FISK shall submit an application for reinstatement, accompanied by appropriate fees, if any;
- b. DOCTOR FISK shall demonstrate to the satisfaction of the BOARD that she can resume practice in compliance with acceptable and prevailing standards of care under the provisions of her certificate. Such demonstration shall include but shall not be limited to the following:

 - ii. Evidence of continuing full compliance with an aftercare contract or consent agreement;
 - iii. Two written reports indicating that DOCTOR FISK's ability to practice has been assessed and that she has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the BOARD for making such assessments and shall describe the basis for this determination;
5. DOCTOR FISK further agrees that before resuming the practice of medicine and surgery in the State of Ohio, she shall enter into a written consent agreement including probationary terms, conditions and limitations as determined by the BOARD, or if the BOARD and DOCTOR FISK are unable to agree on the terms of a written CONSENT AGREEMENT, then DOCTOR FISK further agrees to abide by any terms, conditions and limitations imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Ohio Revised Code;

The above-mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. DOCTOR FISK further agrees to provide the BOARD written consent permitting any treatment provider from whom she obtains treatment to notify the BOARD in the event she fails to agree to or comply with any treatment contract or aftercare contract. The above described terms, conditions and limitations may be amended or terminated in writing at any time upon the agreement of both parties.

If, in the discretion of the Secretary and Supervising Member of THE STATE MEDICAL BOARD OF OHIO, DOCTOR FISK appears to have violated or breached any terms or conditions of this Agreement, THE STATE MEDICAL BOARD OF OHIO reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violations of the laws of Ohio occurring before the effective date of this Agreement.

- D. Dr. Fisk further admits that a judicial finding of eligibility for Treatment in Lieu of Conviction of violations of Section 2925.23 of the Ohio Revised Code, and the acts, conduct, and/or admissions

underlying this finding, constitute "impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice," as that clause is used in Section 4731.22(B)(26) of the Ohio Revised Code.

- E. Dr. Fisk further admits that she has a history of chemical dependency, and that she has undergone treatment for that dependency since November 1991.  - d. In the event that Dr. Fisk should leave Ohio for three (3) continuous months, or reside or

practice outside the state, she must notify the Board in writing of the dates of departure and return and such period spent outside of Ohio will not apply to the reduction of this probationary period unless otherwise determined by motion of the Board in instances where the Board can be assured that probationary monitoring is otherwise being performed.

- e. Dr. Fisk shall immediately surrender her United States Drug Enforcement Administration certification. She shall be ineligible to hold, and shall not apply for, registration with the DEA to prescribe, dispense or administer controlled substances without prior written Board approval.

Dr. Fisk shall provide the Board with the certification from Shepherd Hill Hospital that she successfully completed her in-patient treatment at the Central Ohio Recovery Residence, and that she has been continuing full compliance with regard to the out-patient and/or aftercare required by Shepherd Hill Hospital. Dr. Fisk shall provide to the Board a copy of the treatment contract signed between herself and Shepherd Hill Hospital, or another program acceptable to the Board, establishing the terms of treatment and aftercare, and including any required supervision or restriction of practice during treatment or aftercare. Dr. Fisk shall provide to the Board, on a quarterly basis, acceptable documentation evidencing compliance with the plan of recommended treatment pursuant to this paragraph and paragraph i below.

The supervising physician shall ensure that the urine specimens are obtained on a random basis, that the giving of the specimen is witnessed by a reliable person, and that appropriate control over the specimen is maintained. In addition, the supervising physician shall immediately inform the Board of any positive screening results. The supervising physician shall also monitor Dr. Fisk and provide the Board with reports on the doctor's progress and status. In the event that the designated supervising physician becomes unable or unwilling to so serve, Dr. Fisk must immediately notify the Board in writing and make arrangements acceptable to the Board for another supervising physician as soon as practicable.

- k. The Board retains the right to require, and Dr. Fisk agrees to submit, additional blood or urine specimens for analysis upon request and without prior notice.
- l. Dr. Fisk shall submit to the Board and receive its prior written approval for a plan of practice in Ohio which, unless and until otherwise determined by the Board, shall be limited to a supervised structured environment in which Dr. Fisk's activities will be directly supervised and overseen by another physician approved by the Board. Dr. Fisk shall refrain from the practice of medicine or surgery unless and until the practice plan has been approved by the Board.

Dr. Fisk shall obtain the Board's prior approval for any alteration to the practice plan after its initial approval by the Board. In the event that Dr. Fisk's supervising physician under this plan becomes unable or unwilling to so serve, Dr. Fisk shall immediately notify the Board in writing, and make arrangements acceptable to the Board for another supervising physician as soon as practicable. Dr. Fisk shall refrain from practicing medicine unless and until such supervision is in place, unless otherwise determined by the Board.

3. Dr. Fisk agrees to sign appropriate releases of information allowing the Board to obtain reports to demonstrate Dr. Fisk's compliance with this Consent Agreement.

The previous suspension of Dr. Fisk's license pursuant to Ohio Revised Code Section 3719.121 is vacated and terminated effective upon the acceptance of this Consent Agreement and its execution by all designated members of the Board.

If, in the discretion of the Board, Dr. Fisk appears to have violated or breached any terms or conditions of the Agreement, the State Medical Board of Ohio reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including, but not limited to, any alleged violation of the laws of Ohio occurring before the effective date of this Agreement.

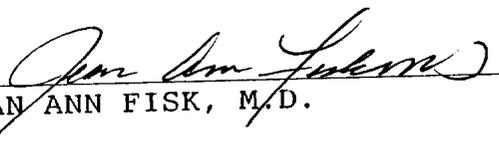

Dr. Fisk acknowledges that she has had an opportunity to ask questions concerning the terms of this Agreement and that all questions asked have been answered in a satisfactory manner.

Dr. Fisk waives and releases any and all claims or causes of action she may have against the State of Ohio, the Board and members, officers, employees and/or agents of either, arising out of matters which are the subject of this Agreement.

In the event the Board, in its discretion, does not approve this Agreement, this settlement offer is withdrawn and shall be of no evidentiary value and shall not be relied upon or introduced in any disciplinary action or appeal by either party. Dr. Fisk agrees that should the Board reject this Agreement and if this case proceeds to hearing, she will assert no claim that the Board was prejudiced by its review and discussion of this Agreement or any information relating thereto.

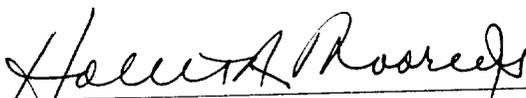

The above described terms, limitations, and conditions may be amended or terminated in writing at any time upon the agreement of both parties. However, this Agreement shall remain in force for a minimum of five (5) years.

NOTICE OF IMMEDIATE SUSPENSION AND OPPORTUNITY FOR HEARING

Jean Ann Fisk, M.D.
8303 Tidewater Court
Cincinnati, OH 45230

Dear Doctor Fisk:

In accordance with Sections 2929.17 and 4731.223(B), Ohio Revised Code, the Office of the Prosecuting Attorney of Clermont County, Ohio has submitted information which indicates that on or about March 12, 1992 the Clermont County Court of Common Pleas found you Eligible for Treatment in Lieu of Conviction for violations of Section 2925.23(B), Illegal Processing of Drug Documents, pursuant to Section 2951.041 of the Ohio Revised Code.

Therefore, pursuant to Section 3719.121(C), Ohio Revised Code, you are hereby notified that your license to practice medicine and surgery in the State of Ohio is immediately suspended. Continued practice after this suspension shall be considered practicing medicine without a certificate in violation of Section 4731.41, Ohio Revised Code.

Furthermore, in accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

- (1) On or about March 12, 1992, in the Clermont County Court of Common Pleas, you pleaded guilty to thirteen felony (13) counts of Illegal Processing of Drug Documents in violation of Section 2925.23(B) of the Ohio Revised Code. Subsequently, the Court found that you were Eligible for Treatment in Lieu of Conviction pursuant to Section 2951.041, Ohio Revised Code.

Mailed 6/18/92

June 17, 1992

Moreover, in granting your request for Treatment in Lieu of Conviction, the Court found that you were "a drug dependent person and (your) drug dependency was a factor leading to the criminal activity with which (you were) charged." The Court also found that you had "been accepted into an appropriate private care treatment program."

The judicial finding of Eligibility for Treatment in Lieu of Conviction of violations of Illegal Processing of Drug Documents in violation of Section 2925.23 of the Ohio Revised Code, and the acts, conduct, and/or omissions underlying this finding as alleged in paragraph (1) above, individually and/or collectively, constitute "impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice," as that clause is used in Section 4731.22(B)(26), Ohio Revised Code.

This judicial finding of Eligibility for Treatment in Lieu of Conviction of violations of Illegal Processing of Drug Documents pursuant to Section 2925.23 of the Ohio Revised Code, and the acts, conduct, and/or omissions underlying this finding as alleged in paragraph (1) above, individually and/or collectively, constitute "commission of an act that constitutes a felony in this state regardless of the jurisdiction in which the act was committed," as that clause is used in Section 4731.22(B)(10), Ohio Revised Code, to wit: Section 2925.23, Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

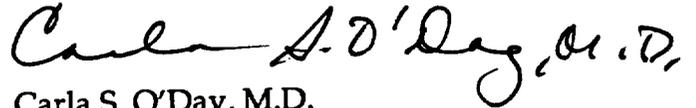

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation.
