NOTICE OF SUSPENSION **PURSUANT TO R.C. 3123.47 & 4731.76**

The State Medical Board of Ohio has received notice pursuant to Section 3123.43 of the Ohio Revised Code from the Wood County Child Support Enforcement Agency that you have been determined in default under a child support order. Pursuant to Ohio Revised Code Sections 3123.47 and 4731.76, this Board is prohibited from issuing a license, permit, certificate or other authorization as a result of this determination. The Board is also required to suspend any license that has been issued. This decision to suspend, or refusal to issue a new license, will remain in effect until the Board receives notice from the Wood County Child Support Enforcement Agency that you are no longer determined to be in default.

When will the Board issue or reinstate my license?

Before a license can be issued or reinstated, the Board must receive notice from the Wood County Child Support Enforcement Agency that you are no longer in default. The Wood County Child Support Enforcement Agency will issue such a notice when payment of the determined arrearage has been paid in full, or when a new, or appropriate, order has been issued for the collection of current support and arrearage.

Once I am determined not to be in default, how long will it take to get my license?

The Board will issue or reinstate your license within seven days of receiving the notice from the Wood County Child Support Enforcement Agency that you are no longer in default. A fee of up to \$50 may be assessed to issue or reinstate the license.

Can I appeal this decision to the Board?

This suspension or refusal to issue a license is not subject to any hearing or review process of the Board. You must be determined not in default by the Wood County Child Support Enforcement Agency. Once they make this determination, they will notify the Board and your license will be reinstated or issued.

What do I do now?

You need to contact the Wood County Child Support Enforcement Agency. They will be able to tell you what you need to do in order to bring your child support payments up to date.

Pursuant to Sections 3123.47 and 4731.76, Ohio Revised Code, you are hereby notified that your license to practice medicine and surgery in the state of Ohio is immediately suspended. Continued practice after the date of this letter shall be considered practicing medicine without a certificate in violation of Section 4731.41, Ohio Revised Code.

Sincerely,

Lance A. Talmage, M.D.
Secretary
