If the Secretary and Supervising Member of the Board determine that there is clear and convincing evidence that Dr. Wolf has violated any term, condition or limitation of this Consent Agreement, Dr. Wolf agrees that the violation, as alleged, also constitutes clear and convincing evidence that her continued practice presents a danger of immediate and serious harm to the public for purposes of initiating a summary suspension pursuant to Section 4731.22(G), Ohio Revised Code.

DURATION/MODIFICATION OF TERMS

Dr. Wolf shall not request termination of this Consent Agreement for a minimum of five years. In addition, Dr. Wolf shall not request modification to the probationary terms, limitations, and conditions contained herein for at least one year. Further, DOCTOR WOLF ADMITS that on February 5, 2001, she was admitted to Shepherd Hill Hospital, a BOARD approved treatment provider in Newark, Ohio, for initial treatment for her chemical dependency. DOCTOR WOLF further ADMITS that such treatment at Shepherd Hill Hospital continues to date.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, LESLIE R. WOLF, M.D., knowingly and voluntarily agrees with THE STATE MEDICAL BOARD OF OHIO, (hereinafter BOARD), to the following terms, conditions and limitations:

SUSPENSION OF CERTIFICATE

1. The certificate of DOCTOR WOLF to practice medicine and surgery in the State of Ohio shall be SUSPENDED for an indefinite period of time, but not less than six (6) months;

Sobriety

2. DOCTOR WOLF shall abstain completely from the personal use or possession of drugs, except those prescribed, dispensed or administered to her by another so authorized by law who has full knowledge of DOCTOR WOLF's history of chemical dependency;
3. DOCTOR WOLF shall abstain completely from the use of alcohol;

Releases; Quarterly Declarations and Appearances

4. DOCTOR WOLF shall provide authorization, through appropriate written consent forms, for disclosure of evaluative reports, summaries, and records, of whatever nature, by any and all parties that provide treatment or evaluation for DOCTOR WOLF's chemical dependency or related conditions, or for purposes of complying with the CONSENT AGREEMENT, whether such treatment or evaluation occurred before or after the effective date of this CONSENT AGREEMENT. The above-

mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. DOCTOR WOLF further agrees to provide the BOARD written consent permitting any treatment provider from whom she obtains treatment to notify the BOARD in the event she fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this CONSENT AGREEMENT.

5. DOCTOR WOLF shall submit quarterly declarations under penalty of BOARD disciplinary action or criminal prosecution, stating whether there has been compliance with all the conditions of this CONSENT AGREEMENT. The first quarterly declaration must be received in the BOARD's offices on the first day of the third month following the month in which the CONSENT AGREEMENT becomes effective, provided that if the effective date is on or after the 16th day of the month, the first quarterly declaration must be received in the BOARD's offices on the first day of the fourth month following. Subsequent quarterly declarations must be received in the BOARD's offices on or before the first day of every third month;
6. DOCTOR WOLF shall appear in person for quarterly interviews before the BOARD or its designated representative, or as otherwise directed by the BOARD.

If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled. (Example: The first quarterly appearance is scheduled for February, but based upon the doctor's serious personal illness she is permitted to delay appearance until April. The next appearance will still be scheduled for May, three months after the appearance as originally scheduled.) Although the BOARD will normally give DOCTOR WOLF written notification of scheduled appearances, it is DOCTOR WOLF's responsibility to know when personal appearances will occur. If she does not receive written notification from the BOARD by the end of the month in which the appearance should have occurred, DOCTOR WOLF shall immediately submit to the BOARD a written request to be notified of her next scheduled appearance;

Drug & Alcohol Screens; Supervising Physician

7. DOCTOR WOLF shall submit to random urine screenings for drugs and alcohol on a weekly basis or as otherwise directed by the BOARD. DOCTOR WOLF shall ensure that all screening reports are forwarded

directly to the BOARD on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the BOARD;

Within thirty (30) days of the effective date of this CONSENT AGREEMENT, DOCTOR WOLF shall submit to the BOARD for its prior approval the name of a supervising physician to whom DOCTOR WOLF shall submit the required urine specimens. In approving an individual to serve in this capacity, the BOARD will give preference to a physician who practices in the same locale as DOCTOR WOLF. The supervising physician shall ensure that the urine specimens are obtained on a random basis, that the giving of the specimen is witnessed by a reliable person, and that appropriate control over the specimen is maintained. In addition, the supervising physician shall immediately inform the BOARD of any positive screening results;

DOCTOR WOLF shall ensure that the supervising physician provides quarterly reports to the BOARD, on forms approved or provided by the BOARD, verifying whether all urine screens have been conducted in compliance with this CONSENT AGREEMENT, whether all urine screens have been negative, and whether the supervising physician remains willing and able to continue in his responsibilities;

In the event that the designated supervising physician becomes unable or unwilling to so serve, DOCTOR WOLF must immediately notify the BOARD in writing, and make arrangements acceptable to the BOARD for another supervising physician as soon as practicable. DOCTOR WOLF shall further ensure that the previously designated supervising physician also notifies the BOARD directly of the inability to continue to serve and the reasons therefore;

All screening reports and supervising physician reports required under this paragraph must be received in the BOARD's offices no later than the due date for DOCTOR WOLF's quarterly declaration. It is DOCTOR WOLF's responsibility to ensure that reports are timely submitted;

CONDITIONS FOR REINSTATEMENT

8. The BOARD shall not consider reinstatement of DOCTOR WOLF's certificate to practice medicine and surgery unless and until all of the following conditions are met:
 - a. DOCTOR WOLF shall submit an application for reinstatement, accompanied by appropriate fees, if any;

- b. DOCTOR WOLF shall demonstrate to the satisfaction of the BOARD that she can resume practice in compliance with acceptable and prevailing standards of care under the provisions of her certificate. Such demonstration shall include but shall not be limited to the following:
- i. Certification from a treatment provider approved under Section 4731.25 of the Revised Code that DOCTOR WOLF has successfully completed any required inpatient treatment;
 - ii. Evidence of continuing full compliance with an aftercare contract and consent agreement;
 - iii. Two written reports indicating that DOCTOR WOLF's ability to practice has been assessed and that she has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the BOARD for making such assessments and shall describe the basis for this determination.
- c. DOCTOR WOLF shall enter into a written consent agreement including probationary terms, conditions and limitations as determined by the BOARD or, if the BOARD and DOCTOR WOLF are unable to agree on the terms of a written CONSENT AGREEMENT, then DOCTOR WOLF further agrees to abide by any terms, conditions and limitations imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Ohio Revised Code.

Further, upon reinstatement of DOCTOR WOLF's certificate to practice medicine and surgery in this state, the BOARD shall require continued monitoring which shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Revised Code and, upon termination of the consent agreement or Board Order, submission to the BOARD for at least two years of annual progress reports made under penalty of BOARD disciplinary action or criminal prosecution stating whether DOCTOR WOLF has maintained sobriety.

9. In the event that DOCTOR WOLF has not been engaged in the active practice of medicine and surgery for a period in excess of two years prior to application for reinstatement, the BOARD may exercise its discretion under Section 4731.222, Ohio Revised Code, to require additional evidence of DOCTOR WOLF's fitness to resume practice.

REQUIRED REPORTING BY LICENSEE

10. Within thirty (30) days of the effective date of this CONSENT AGREEMENT, DOCTOR WOLF shall provide a copy of this CONSENT AGREEMENT by certified mail, return receipt requested, to the proper licensing authority of any state or jurisdiction in which she currently holds any professional license. DOCTOR WOLF further agrees to provide a copy of this CONSENT AGREEMENT by certified mail, return receipt requested, at time of application to the proper licensing authority of any state in which she applies for any professional license or reinstatement of any professional license. Further, DOCTOR WOLF shall provide this BOARD with a copy of the return receipt as proof of notification within thirty (30) days of receiving that return receipt.
11. Within thirty (30) days of the effective date of this CONSENT AGREEMENT, DOCTOR WOLF shall provide a copy of this CONSENT AGREEMENT to all employers or entities with which she is under contract to provide health care services or is receiving training; and the Chief of Staff at each hospital where she has privileges or appointments. Further, DOCTOR WOLF shall provide a copy of this CONSENT AGREEMENT to all employers or entities with which she contracts to provide health care services, or applies for or receives training, and the Chief of Staff at each hospital where she applies for or obtains privileges or appointments.

The above described terms, conditions and limitations may be amended or terminated in writing at any time upon the agreement of both parties.

FAILURE TO COMPLY

If, in the discretion of the Secretary and Supervising Member of the BOARD, DOCTOR WOLF appears to have violated or breached any term or condition of this CONSENT AGREEMENT, the BOARD reserves the right to institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violations of the laws of Ohio occurring before the effective date of this CONSENT AGREEMENT.

ACKNOWLEDGMENTS/LIABILITY RELEASE

DOCTOR WOLF acknowledges that she has had an opportunity to ask questions concerning the terms of this CONSENT AGREEMENT and that all questions asked have been answered in a satisfactory manner.

Any action initiated by the BOARD based on alleged violations of this CONSENT AGREEMENT shall comply with the Administrative Procedure Act, Chapter 119., Ohio Revised Code.

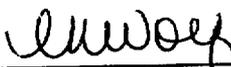

DOCTOR WOLF hereby releases THE STATE MEDICAL BOARD OF OHIO, its members, employees, agents, officers and representatives jointly and severally from any and all liability arising from the within matter.

This CONSENT AGREEMENT shall be considered a public record as that term is used in Section 149.43, Ohio Revised Code.

Waynesville, Ohio 45068

Dear Doctor Wolf:

In accordance with Sections 2929.24 and/or 3719.12, Ohio Revised Code, the Office of the Prosecuting Attorney of Warren County, Ohio, reported that on or about May 23, 2001, in the Common Pleas Court of Warren County, Ohio, you were found guilty of seven (7) felony counts of Deception to Obtain a Dangerous Drug, in violation of Section 2925.22, Ohio Revised Code.

Therefore, pursuant to Section 3719.121(C), Ohio Revised Code, you are hereby notified that your license to practice medicine and surgery in the State of Ohio is immediately suspended. Continued practice after this suspension shall be considered practicing medicine without a certificate in violation of Section 4731.41, Ohio Revised Code.

Furthermore, in accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

Copies of the Information, Waiver of Indictment, Plea Entry, Entry, and Judgment Entry of Sentence are attached hereto and fully incorporated herein.

The judicial findings of guilt as alleged in paragraph (1) above, individually and/or collectively, constitute “[a] plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony,” as that clause is used in Section 4731.22(B)(9), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

This CONSENT AGREEMENT is entered into on the basis of the following stipulations, admissions and understandings:

- A. THE STATE MEDICAL BOARD OF OHIO is empowered by Section 4731.22(B)(26), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for “impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice.”

- C. LESLIE R. WOLF, M.D., is licensed to practice medicine and surgery in the State of Ohio.

- E. LESLIE R. WOLF, M.D., ADMITS that she has been diagnosed with opiate dependence, alcohol abuse, and depression. DOCTOR WOLF further ADMITS that her inappropriate use of controlled substances began in or about 1999 and that her drugs of choice have included Vicodin and Ambien.

Further, DOCTOR WOLF ADMITS that on February 5, 2001, she was admitted to Shepherd Hill Hospital, a BOARD approved treatment provider in Newark, Ohio, for initial treatment for her chemical dependency. DOCTOR WOLF further ADMITS that such treatment at Shepherd Hill Hospital continues to date.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, LESLIE R. WOLF, M.D., knowingly and voluntarily agrees with THE STATE MEDICAL BOARD OF OHIO, (hereinafter BOARD), to the following terms, conditions and limitations:

SUSPENSION OF CERTIFICATE

1. The certificate of DOCTOR WOLF to practice medicine and surgery in the State of Ohio shall be SUSPENDED for an indefinite period of time, but not less than six (6) months;

mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. DOCTOR WOLF further agrees to provide the BOARD written consent permitting any treatment provider from whom she obtains treatment to notify the BOARD in the event she fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this CONSENT AGREEMENT.

5. DOCTOR WOLF shall submit quarterly declarations under penalty of BOARD disciplinary action or criminal prosecution, stating whether there has been compliance with all the conditions of this CONSENT AGREEMENT. The first quarterly declaration must be received in the BOARD's offices on the first day of the third month following the month in which the CONSENT AGREEMENT becomes effective, provided that if the effective date is on or after the 16th day of the month, the first quarterly declaration must be received in the BOARD's offices on the first day of the fourth month following. Subsequent quarterly declarations must be received in the BOARD's offices on or before the first day of every third month;
6. DOCTOR WOLF shall appear in person for quarterly interviews before the BOARD or its designated representative, or as otherwise directed by the BOARD.

If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled. (Example: The first quarterly appearance is scheduled for February, but based upon the doctor's serious personal illness she is permitted to delay appearance until April. The next appearance will still be scheduled for May, three months after the appearance as originally scheduled.) Although the BOARD will normally give DOCTOR WOLF written notification of scheduled appearances, it is DOCTOR WOLF's responsibility to know when personal appearances will occur. If she does not receive written notification from the BOARD by the end of the month in which the appearance should have occurred, DOCTOR WOLF shall immediately submit to the BOARD a written request to be notified of her next scheduled appearance;

Drug & Alcohol Screens; Supervising Physician

7. DOCTOR WOLF shall submit to random urine screenings for drugs and alcohol on a weekly basis or as otherwise directed by the BOARD. DOCTOR WOLF shall ensure that all screening reports are forwarded

directly to the BOARD on a quarterly basis. The drug testing panel utilized must be acceptable to the Secretary of the BOARD;

Within thirty (30) days of the effective date of this CONSENT AGREEMENT, DOCTOR WOLF shall submit to the BOARD for its prior approval the name of a supervising physician to whom DOCTOR WOLF shall submit the required urine specimens. In approving an individual to serve in this capacity, the BOARD will give preference to a physician who practices in the same locale as DOCTOR WOLF. The supervising physician shall ensure that the urine specimens are obtained on a random basis, that the giving of the specimen is witnessed by a reliable person, and that appropriate control over the specimen is maintained. In addition, the supervising physician shall immediately inform the BOARD of any positive screening results;

DOCTOR WOLF shall ensure that the supervising physician provides quarterly reports to the BOARD, on forms approved or provided by the BOARD, verifying whether all urine screens have been conducted in compliance with this CONSENT AGREEMENT, whether all urine screens have been negative, and whether the supervising physician remains willing and able to continue in his responsibilities;

In the event that the designated supervising physician becomes unable or unwilling to so serve, DOCTOR WOLF must immediately notify the BOARD in writing, and make arrangements acceptable to the BOARD for another supervising physician as soon as practicable. DOCTOR WOLF shall further ensure that the previously designated supervising physician also notifies the BOARD directly of the inability to continue to serve and the reasons therefore;

All screening reports and supervising physician reports required under this paragraph must be received in the BOARD's offices no later than the due date for DOCTOR WOLF's quarterly declaration. It is DOCTOR WOLF's responsibility to ensure that reports are timely submitted;

The reports shall be made by individuals or providers approved by the BOARD for making such assessments and shall describe the basis for this determination.
- c. DOCTOR WOLF shall enter into a written consent agreement including probationary terms, conditions and limitations as determined by the BOARD or, if the BOARD and DOCTOR WOLF are unable to agree on the terms of a written CONSENT AGREEMENT, then DOCTOR WOLF further agrees to abide by any terms, conditions and limitations imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Ohio Revised Code.

Further, upon reinstatement of DOCTOR WOLF's certificate to practice medicine and surgery in this state, the BOARD shall require continued monitoring which shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Revised Code and, upon termination of the consent agreement or Board Order, submission to the BOARD for at least two years of annual progress reports made under penalty of BOARD disciplinary action or criminal prosecution stating whether DOCTOR WOLF has maintained sobriety.

9. In the event that DOCTOR WOLF has not been engaged in the active practice of medicine and surgery for a period in excess of two years prior to application for reinstatement, the BOARD may exercise its discretion under Section 4731.222, Ohio Revised Code, to require additional evidence of DOCTOR WOLF's fitness to resume practice.

REQUIRED REPORTING BY LICENSEE

The above described terms, conditions and limitations may be amended or terminated in writing at any time upon the agreement of both parties.
