Dear Doctor Coroneos:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio [Board] intends to determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

- (1) On or about June 7, 2005, the West Virginia Board of Medicine [West Virginia Board] adopted a Consent Order that issued a public reprimand against you based upon an accusation that you wrote a note in a patient's medical chart prior to the time the patient actually was treated. This medical record documentation issue occurred at a hospital in Pittsburgh, Pennsylvania, and resulted in an adverse action report. A copy of the West Virginia Board Consent Order is attached hereto and incorporated herein.
- (2) On or about November 9, 2005, the Illinois Department of Financial and Professional Regulation [Illinois Board] entered an Order refusing to renew your license to practice medicine in that jurisdiction. This action was based on the public reprimand issued by the West Virginia Board of Medicine by Consent Order adopted June 7, 2005. A copy of the Illinois Board Order is attached hereto and incorporated herein.
- (3) On or about February 3, 2006, the Texas Medical Board [Texas Board] adopted an Agreed Order that accepted your voluntary surrender of your medical license and further cancelled said license in that jurisdiction. This action was based on the public reprimand issued by the West Virginia Board of Medicine by Consent Order adopted June 7, 2005. A copy of the Texas Board Agreed Order is attached hereto and incorporated herein.

*Mailed 2-14-08*

- (4) On or about March 29, 2007, the Iowa Board of Medical Examiners [Iowa Board] approved a Settlement Agreement and Final Order that accepted your voluntary surrender of your Iowa medical license as a resolution to charges based upon the above-mentioned actions taken by the Boards of West Virginia and Texas. A copy of the Iowa Board Settlement Agreement and Final Order is attached hereto and incorporated herein.
- (5) On or about July 3, 2007, the Virginia Board of Medicine [Virginia Board] adopted a Consent Order that issued a public reprimand against you, which was based upon the above-mentioned actions taken by the Boards of West Virginia, Illinois, Iowa and Texas. A copy of the Virginia Board Consent Order is attached hereto and incorporated herein.

The West Virginia Board Consent Order, the Illinois Board Order, the Texas Board Agreed Order, the Iowa Board Settlement Agreement and Final Order, and the Virginia Board Consent Order as alleged in paragraphs 1 through 5 above, individually and/or collectively, constitute “[a]ny of the following actions taken by the agency responsible for regulating the practice of medicine and surgery, osteopathic medicine and surgery, podiatry, or the limited branches of medicine in another state, for any reason other than the nonpayment fees: the limitation, revocation, or suspension of an individual’s license to practice; acceptance of an individual’s license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand,” as that clause is used in Section 4731.22(B)(22), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of mailing of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that “[w]hen the board refuses to grant a certificate to an

applicant, revokes an individual's certificate to practice, refuses to register an applicant, or refuses to reinstate an individual's certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate."

Copies of the applicable sections are enclosed for your information.

Very truly yours,

Lance A. Talmage, M.D.  
Secretary

**BEFORE THE WEST VIRGINIA BOARD OF MEDICINE**

**IN RE: EMMANOUEL J. CORONEOS, M.D.**

**CONSENT ORDER**

The West Virginia Board of Medicine ("Board") and, Emmanouel J. Coroneos, M.D., ("Dr. Coroneos") freely and voluntarily enter into the following Consent Order pursuant to West Virginia Code §30-3-1, et seq.:

**FINDINGS OF FACT**

1. Dr. Coroneos holds a license to practice medicine and surgery in the State of West Virginia, License No. 20507, issued originally in 2001, and his address of record with the Board is Pittsburgh, Pennsylvania.

2. In November, 2004, the Complaint Committee of the Board initiated a Complaint against Dr. Coroneos, based upon his answer in the affirmative to question number seven (7) on the Licensure Renewal Application to practice medicine in West Virginia for the period from July 1, 2004, to June 30, 2006. The question asks whether during the prior two (2) year period, July 1, 2002, to June 30, 2004, Dr. Coroneos "voluntarily resigned from any medical staff or voluntarily limited such staff privileges while under investigation by any health care institution or committee thereof or prior to any final decision by a hospital or health care facility's governing board."

3. On or about June 28, 2004, Dr. Coroneos submitted an "Adverse Action Report" from the National Practitioner's Data Bank ("Data Bank") to the Board.

4. The Adverse Action Report was reported by Allegheny General Hospital on or about March 15, 2004, and the type of adverse action reported related to clinical privileges and stated "voluntary surrender of clinical privileges while under, or to avoid, investigation relating to professional competence or conduct."

5. Allegheny General Hospital stated that the specific reason for the said action was that Dr. Coroneos had allegedly falsified a medical record.

6. On or about December 8, 2004, Dr. Coroneos responded to the Complaint by letter, in which he stated that he did voluntarily resign his medical privileges at Allegheny General Hospital. He admitted that he had made an error in writing a note prematurely in a dialysis patient's medical record prior to the dialysis, and unbeknownst to Dr. Coroneos another physician canceled the dialysis without consulting him. Dr. Coroneos later corrected the medical record to indicate that he had not seen the patient at that time.

7. On March 13, 2005, Dr. Coroneos appeared before the Complaint Committee for a full discussion of his actions in this matter.

#### CONCLUSIONS OF LAW

1. The Board has a mandate pursuant to West Virginia Code §30-3-1 to protect the public interest.

2. Probable cause exists to substantiate charges of disqualification from the practice of medicine pursuant to the provisions of West Virginia Code §30-3-14(c)(17) and 11 CSR 1A 12.1(e) and (j), relating to unprofessional and unethical conduct.

OHIO STATE MEDICAL BOARD

JUN 27 2005

3. It is appropriate to waive the commencement of proceedings against Dr. Coroneos and to proceed without the filing of formal charges in a Complaint and Notice of Hearing as Dr. Coroneos has decided to accept the terms of this Consent Order.

### CONSENT

EMMANOUEL J. CORONEOS, M.D., by affixing his signature hereon, agrees solely and exclusively for purposes of this agreement and the entry of the Order provided for and stated herein, and proceedings conducted in accordance with this Order, to the following:

1. Dr. Coroneos acknowledges that he is fully aware that, without his consent, here given, no permanent legal action may be taken against him except after a hearing held in accordance with West Virginia Code §30-3-14(h) and West Virginia Code §29A-5-1, et seq.;

2. Dr. Coroneos acknowledges that he has the following rights, among others: the right to a formal hearing before the West Virginia Board of Medicine, the right to reasonable notice of said hearing, the right to be represented by counsel at his own expense, and the right to cross-examine witnesses against him;

3. Dr. Coroneos waives all rights to such a hearing;

4. Dr. Coroneos consents to the entry of this Order relative to his practice of medicine and surgery in the State of West Virginia; and,

5. Dr. Coroneos understands that this Order is considered public information, and that matters contained herein may be reported, as required by law, to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

**ORDER**

**WHEREFORE**, on the basis of the foregoing Findings of Fact and Conclusions of Law of the Board, and on the basis of the consent of Dr. Coroneos, the West Virginia Board of Medicine hereby **ORDERS** as follows:

1. Dr. Coroneos is **PUBLICLY REPRIMANDED** for writing a note in a patient's medical chart prior to actually treating said patient on the date at issue.

IN THE MATTER OF  
THE LICENSE OF

BEFORE THE  
TEXAS MEDICAL  
BOARD

AGREED ORDER

On the 3 day of February, 2006, came on to be heard before the Texas Medical Board ("the Board"), duly in session, the matter of the license of Emmanuel Coroneos, M.D. ("Respondent").

By the signature of Respondent on this Order, Respondent waives the right to appear at an Informal Show Compliance Proceeding and Settlement Conference pursuant to TEX. OCC. CODE, Title 3, Subtitle B, § 164.004 and 22 TEX. ADMIN. CODE, § 187.18 and all rights pursuant to TEX. GOV'T CODE, § 2001.051 and § 2001.054, including, but not limited to the right to notice and hearing, and instead agrees to the entry of this Order to resolve the matters addressed in this Order. Nancy Leshikar represented Board staff.

Upon the recommendation of the Board's representatives and with the consent of Respondent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order.

FINDINGS OF FACT

The Board finds that:

1. Respondent received all notice required by law. All jurisdictional requirements have been satisfied. Respondent waives any defect in notice and any further right to notice or hearing under TEX. OCC. CODE ANN. Title 3, Subtitle B (Vernon 2004) (the "Act") or the Rules of the Board.

2. Respondent currently holds Texas Medical License No. J - 9649. Respondent was originally issued this license to practice medicine in Texas on March 2, 1996. Respondent is licensed to practice in Pennsylvania and West Virginia.

STATE MEDICAL BOARD  
OF OHIO  
2006 MAR 7 10:27

3. Respondent is board certified in the area of nephrology.

4. Respondent has no hospital privileges in any Texas hospitals and/or facilities and has not practiced in the State of Texas for approximately nine years. Respondent has been residing in the western Pennsylvania area for the past five years and practices extensively in the Western Pennsylvania area.

5. Respondent allowed his physician's permit in Texas to expire as of May 31, 2005.

6. Respondent has not previously been the subject of disciplinary action by the Texas Medical Board.

7. Respondent voluntarily surrendered his privileges at the Allegheny General Hospital in Pittsburgh, Pennsylvania as a result of a dispute regarding his medical record documentation.

8. On July 7, 2005, the West Virginia Board of Medicine and Respondent entered a Consent Order related to the medical record documentation issue at Allegheny General Hospital. That Consent Order, and its underlying incident, were reported to the National Practitioner Data Bank by both the West Virginia Board of Medicine and the Allegheny General Hospital.

9. Although Respondent has disputed the adverse action reports noted by the National Practitioner Data Bank, Respondent does not wish to carry that dispute to Texas given that he does not intend to return to Texas to practice.

10. Respondent has indicated that he wishes to voluntarily surrender his Texas license.

11. Respondent has cooperated in the investigation of the allegations related to this Agreed Order. Respondent's cooperation, through consent to this Agreed Order, pursuant to the provisions of Section 164.002 the Act, will save money and resources for the State of Texas. To

STATE MEDICAL BOARD  
OF OHIO  
JAN 27 10:27 AM '07

avoid further investigation, hearings, and the expense and inconvenience of litigation, Respondent agrees to the entry of this Agreed Order and to comply with its terms and conditions.

CONCLUSIONS OF LAW

Based on the above Findings of Fact, the Board concludes that:

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.

2. Section 164.061 of the Act and 22 TEX. ADMIN. CODE, § 196.1 authorizes the Board to accept the voluntary surrender of Respondent's Texas medical license.

3. Section 196.2 of 22 TEX. ADMIN. CODE provides that when a licensee surrenders his Texas medical license in lieu of a hearing or further investigation of alleged violations of the Medical Practice Act, the surrender shall be considered surrender associated with a disciplinary action. In order to return to the practice of medicine in the State of Texas, a licensee must meet the terms of Section 196.4 of 22 TEX. ADMIN. CODE, as well as demonstrate that his return to the practice of medicine is in the best interest of the public as defined under Section 165.5 of the Act.

4. Section 164.002(a) of the Act authorizes the Board to resolve and make a disposition of this matter through an Agreed Order.

ORDER

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that:

1. The voluntary surrender of Respondent's Texas license should be, and is, hereby accepted by the Board, effective as of the date of this Order.

2. Respondent's Texas license, No. J - 9649, shall, therefore, be cancelled, effective of the date of this Order.

2006 MAR 27 A 10:27

STATE MEDICAL BOARD  
OF OHIO

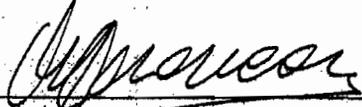

3. Respondent shall not practice medicine in Texas until such time that he meets the requirements of Section 196.24 of 22 TEX. ADMIN. CODE and Section 165.5 of the Act. Any practice of medicine in the State of Texas after this date shall constitute a violation of this Order, subjecting Respondent to disciplinary action by the Board or prosecution for practicing without a license in Texas.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.

THIS ORDER IS A PUBLIC RECORD.

I, EMMANUEL CORONEOS, M.D., HAVE READ AND UNDERSTAND THE FOREGOING AGREED ORDER. I UNDERSTAND THAT BY SIGNING, I WAIVE CERTAIN RIGHTS. I SIGN IT VOLUNTARILY. I UNDERSTAND THIS AGREED ORDER CONTAINS THE ENTIRE AGREEMENT AND THERE IS NO OTHER AGREEMENT OF ANY KIND, VERBAL, WRITTEN OR OTHERWISE.

CONSENT ORDER

The Virginia Board of Medicine ("Board") and Emmanouel Coroneos, M.D., as evidenced by their signatures affixed below, agree to enter into this Consent Order affecting the license of Dr. Coroneos to practice medicine in Virginia.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

The Board makes the following findings and conclusions in this matter:

1. Dr. Coroneos was issued license number 0101-054718 by the Board to practice medicine and surgery in the Commonwealth of Virginia on August 30, 1996. Said license expired on March 31, 2006, due to non-renewal.
2. On or about June 7, 2005, the West Virginia Board of Medicine adopted a Consent Order that issued a public reprimand against Dr. Coroneos. This action was based on an accusation that Dr. Coroneos wrote a note in a patient's medical chart prior to the time the patient was actually treated.
3. Dr. Coroneos violated Section 54.1-2915.A(5) of the Code, in that his license to practice medicine in Illinois was restricted. Specifically, on or about November 9, 2005, the Illinois Department of Financial and Professional Regulation entered an Order refusing to renew Dr. Coroneos' license to practice medicine in that jurisdiction. This action was based on the public reprimand issued by the West Virginia Board of Medicine by Consent Order adopted June 7, 2005.
4. Dr. Coroneos violated Section 54.1-2915.A(5) of the Code, in that his license to practice medicine in Texas was restricted. Specifically, on or about February 3, 2006, the Texas

Medical Board adopted an Agreed Order that accepted Dr. Coroneos' voluntary surrender of his medical license and further cancelled said license in that jurisdiction. This action was based on the public reprimand issued by the West Virginia Board of Medicine by Consent Order adopted June 7, 2005.

5. Dr. Coroneos violated Section 54.1-2915.A(5) of the Code, in that his license to practice medicine in Iowa was restricted. Specifically, on or about March 29, 2007, the Iowa Board of Medical Examiners approved a Settlement Agreement and Final Order that accepted the voluntary surrender of his medical license in that jurisdiction. This action was based on a public reprimand issued by the West Virginia Board of Medicine by Consent Order adopted June 7, 2005.

6. The aforementioned medical record documentation issue occurred at a hospital in Pittsburgh, Pennsylvania, and resulted in an adverse action report submitted to the National Practitioner Data Bank by the hospital.

7. The Consent Order adopted by the West Virginia Board of Medicine, as well as the restrictions placed upon Dr. Coroneos' license in other states, is a direct result of the issue that arose at the hospital concerning his medical record documentation.

8. Although Dr. Coroneos has disputed the adverse actions noted by the National Practitioner Data Bank, he does not wish to carry that dispute to the Commonwealth of Virginia.

4. I waive all rights to an informal conference;

5. I admit the truth of the above Findings of Fact; and

6. I consent to the following Order affecting my license to practice medicine in the Commonwealth of Virginia.

ORDER

WHEREFORE, based on the foregoing Findings of Fact and Conclusions of Law, and with the consent of the licensee, it is hereby ORDERED that Dr. Coroneos be issued a REPRIMAND.

Pursuant to Section 54.1-2400.2 of the Code, the signed original of this Consent Order shall remain in the custody of the Department of Health Professions as a public record and shall be made available for public inspection and copying upon request.
