**REPORT AND RECOMMENDATION
IN THE MATTER OF ANGEL L. BRUNO, M.D.**

The Matter of Angel L. Bruno, M.D., was heard by Sharon W. Murphy, Attorney Hearing Examiner for the State Medical Board of Ohio, on April 25, 2001.

INTRODUCTION

I. Basis for Hearing

- A. By letter dated February 14, 2001, the State Medical Board of Ohio [Board] notified Angel L. Bruno, M.D., that it had proposed to take disciplinary action against his certificate to practice medicine and surgery in Ohio. The Board based its proposed action on the following allegations:

On or about July 27, 2000, the Oklahoma State Board of Medical Licensure and Supervision [Oklahoma Board] adopted an Order formally reprimanding Dr. Bruno and providing that he shall not be allowed to practice as an anesthesiologist in Oklahoma without express approval of the Oklahoma Board.

The Order included Dr. Bruno's agreement and stipulation that, in the course of his practice as acting anesthesiologist at Grady Memorial Hospital in Chickasha, Oklahoma, during the period August through November 1999, patient care was jeopardized due to Dr. Bruno's acts of negligence or his inability to perform the required anesthesia procedures with appropriate skill or knowledge. Therefore, the Oklahoma Board concluded that Dr. Bruno was guilty of unprofessional conduct in that he had engaged in gross or repeated negligence in the practice of medicine and surgery.

The Board alleged that the Oklahoma Board Order constitutes "[a]ny of the following actions taken by the state agency responsible for regulating the practice of medicine and surgery, osteopathic medicine and surgery, podiatry, or the limited branches of medicine in another state, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code."

Accordingly, the Board advised Dr. Bruno of his right to request a hearing in this matter. (State's Exhibit 1A).

- B. By undated letter, which the Board received on March 13, 2001, Dr. Bruno requested a hearing. (State's Exhibit 1B).

II. Appearances

- A. On behalf of the State of Ohio: Betty D. Montgomery, Attorney General, by Rebecca J. Albers, Assistant Attorney General.
- B. On behalf of the Respondent: Dr. Bruno, having been apprised of his right to attend the hearing or to be represented by counsel, did not appear in person or by representative. Instead, Dr. Bruno presented his defense in writing.

EVIDENCE EXAMINED

I. Testimony Heard

No testimony was presented.

II. Exhibits Examined

A. Presented by the State

- 1. State's Exhibits 1A-1F: Procedural exhibits.
- 2. State's Exhibit 2: Certified copies of documents pertaining to Dr. Bruno maintained by the Oklahoma State Board of Medical Licensure and Supervision.

B. Presented by the Respondent

- 1. Respondent's Exhibit A: Copy of an undated letter from Dr. Bruno received by the Board on March 27, 2001.
- 2. Respondent's Exhibit B: Copy of an April 23, 2001, letter from Dr. Bruno's Oklahoma counsel to the Board.

SUMMARY OF THE EVIDENCE

All exhibits and transcripts of testimony, even if not specifically mentioned, were thoroughly reviewed and considered by the Hearing Examiner prior to preparing this Report and Recommendation.

1. On June 15, 2000, the Oklahoma State Board of Medical Licensure and Supervision [Oklahoma Board] issued a Complaint against Angel Luis Bruno, M.D. (State's Exhibit [St. Ex.] 2).
2. On July 27, 2000, Dr. Bruno and the Oklahoma Board considered Dr. Bruno's Voluntary Submittal to Jurisdiction, which contains an "Agreement and Acknowledgement by Defendant" [Agreement]. In the Agreement, Dr. Bruno pleaded guilty to the allegations in the Complaint, as amended. (St. Ex. 2 at 3). Moreover, Dr. Bruno and the Oklahoma Board agreed to the following Findings of Fact:

From August through November 1999, [Dr. Bruno] was employed as an anesthesiologist at Grady Memorial Hospital in Chickasha, Oklahoma. During this time, [Dr. Bruno] was the acting anesthesiologist for numerous procedures at which time patient care was jeopardized due to [Dr. Bruno's] acts of negligence or his inability to perform the required procedures with appropriate skill or knowledge.

(St. Ex. 2 at 4). The parties further agreed that Dr. Bruno had been guilty of "unprofessional conduct" because he had "[e]ngaged in gross or repeated negligence in the practice of medicine and surgery in violation of [Oklahoma law]." (St. Ex. 2 at 4). [Note: the hearing record contains no other information regarding Dr. Bruno's conduct which led to the Oklahoma Board action.]

The Oklahoma Board adopted an Order formally reprimanding Dr. Bruno. In addition, the Order provided that Dr. Bruno shall not be allowed to practice as an anesthesiologist in Oklahoma without express approval of the Oklahoma Board. The Order further provided that Dr. Bruno would allow the Oklahoma Board to monitor his practice to verify that he had maintained compliance with the terms of the Voluntary Submittal to Jurisdiction. Finally, the Order noted that the Order "in no way affects [Dr. Bruno's] license to practice general medicine." (St. Ex. 2 at 5).

3. In an undated letter, received by the Board on March 27, 2001, Dr. Bruno wrote, in part, as follows:

I was educated initially in Puerto Rico and then moved to Oklahoma. I was employed by the Federal Government, working as a general practitioner at the Indian clinic. In 1996, I decided to attend and take anesthesiology training in

Cleveland, Ohio. I graduated in June 1999, on time, and was offered a job to stay at the hospital. I was also offered a job to return to the same area of Oklahoma as a contract physician in anesthesiology.

I worked at Grady Memorial Hospital in Oklahoma for three (3) months in 1999. Near the end of my time at Grady, several complaints were filed that resulted in a peer review hearing. These complaints focused only on my work at Grady as an anesthesiologist. My previous attorney, unfortunately, advised me not to attend the hearing. I now know this was a mistake, but I want to make it clear I accept fully the decision of the hospital. I was terminated by the Hospital. Thereafter, the hospital reported its action to the Oklahoma Board.

After leaving the employment of the hospital, I went back to work as a general practitioner for the federal government, where I am currently employed. After a thorough investigation, the Oklahoma Board was convinced that my practice in general medicine was in no way a risk to public safety. In fact, I believe the facts are that I am an excellent physician in my current field.

(Respondent's Exhibit A).

FINDINGS OF FACT

On or about July 27, 2000, the Oklahoma State Board of Medical Licensure and Supervision [Oklahoma Board] adopted an Order formally reprimanding Angel L. Bruno, M.D. The Oklahoma Board Order further provided that Dr. Bruno shall not be allowed to practice as an anesthesiologist in Oklahoma without express approval of the Oklahoma Board. The Order included Dr. Bruno's agreement and stipulation that, in the course of Dr. Bruno's practice as acting anesthesiologist for numerous procedures at Grady Memorial Hospital in Chickasha, Oklahoma, during the period August through November 1999, patient care was jeopardized due to Dr. Bruno's acts of negligence or his inability to perform the required anesthesia procedures with appropriate skill or knowledge. The Oklahoma Board concluded that Dr. Bruno was guilty of unprofessional conduct in that Dr. Bruno had engaged in gross or repeated negligence in the practice of medicine and surgery.

CONCLUSIONS OF LAW

The Order of the Oklahoma State Board of Medical Licensure and Supervision in the matter of Angel L. Bruno, M.D., as alleged in the Findings of Fact, constitutes "[a]ny of the following actions taken by the state agency responsible for regulating the practice of medicine and surgery, osteopathic medicine and surgery, podiatry, or the limited branches of medicine in another state, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license;

refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand,” as that clause is used in Section 4731.22(B)(22), Ohio Revised Code.

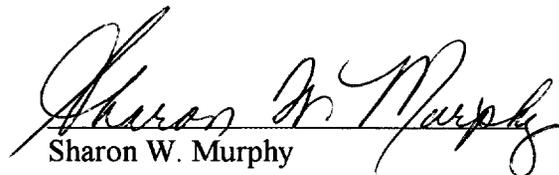

PROPOSED ORDER

It is hereby ORDERED that:

The certificate of Angel L. Bruno, M.D., to practice medicine and surgery in the State of Ohio shall be LIMITED and RESTRICTED as follows:

1. Dr. Bruno shall not commence practice in Ohio without prior Board approval.
2. The Board shall not consider granting approval for Dr. Bruno to commence practice in Ohio unless all of the following minimum requirements have been met:
 - a. Dr. Bruno shall hold a current certificate to practice medicine and surgery in the State of Ohio.
 - b. Dr. Bruno shall notify the Board in writing that he intends to commence practice in Ohio.
 - c. Dr. Bruno shall submit to the Board certification from the Oklahoma State Board of Medical Licensure and Supervision, dated no earlier than sixty days prior to Dr. Bruno’s request to commence practice in Ohio, that Dr. Bruno has maintained full compliance with the Oklahoma Board Order.
 - d. Dr. Bruno shall enter into a written consent agreement with the Board. The consent agreement shall include probationary terms, conditions, and limitations, as determined by the Board.

This Order shall become effective immediately upon the mailing of notification of approval by the Board.

Dear Doctor Bruno:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand or place you on probation for one or more of the following reasons:

- (1) On or about July 27, 2000, the Oklahoma State Board of Medical Licensure and Supervision (hereinafter the "Oklahoma Board") adopted an Order formally reprimanding you and providing that you shall not be allowed to practice as an anesthesiologist in Oklahoma without express approval of the Oklahoma Board.

The Order included your agreement and stipulation that, in the course of your practice as acting anesthesiologist for numerous procedures at Grady Memorial Hospital in Chickasha, Oklahoma, during the period August through November 1999, patient care was jeopardized due to your acts of negligence or your inability to perform the required anesthesia procedures with appropriate skill or knowledge.

Therefore, the Oklahoma Board concluded that you were guilty of unprofessional conduct in that you engaged in gross or repeated negligence in the practice of medicine and surgery.

Copies of the Oklahoma Board Voluntary Submittal to Jurisdiction and Order are attached hereto and incorporated herein.

The Oklahoma Board Order, as alleged in paragraph (1) above, constitutes "[a]ny of the following actions taken by the state agency responsible for regulating the practice of medicine and surgery, osteopathic medicine and surgery, podiatry, or the limited branches of medicine in another state, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty (30) days of the time of mailing of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, effective March 9, 1999, provides that "[w]hen the board refuses to grant a certificate to an applicant, revokes an individual's certificate to practice, refuses to register an applicant, or refuses to reinstate an individual's certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate."
