FINDINGS, ORDER, AND JOURNAL ENTRY

This matter came on for consideration after a citation letter was sent to Charles R. Haworth, D.P.M., by the Ohio State Medical Board on July 14, 1983.

On July 14, 1983, notice was given to Charles R. Haworth, D.P.M., that the State Medical Board of Ohio intended to consider disciplinary action regarding his license to practice podiatry in Ohio and that he was entitled to a hearing if such hearing was requested within thirty (30) days of the mailing of said notice. Dr. Haworth has not requested a hearing, and thirty (30) days have elapsed since the mailing of the aforesaid notice.

WHEREFORE, it is hereby ORDERED that for the reasons outlined in the July 14, 1983 letter of notice which is attached hereto and incorporated herein, accordingly, the license of Charles R. Dear Doctor Haworth:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine under the provisions of Sections 4731.22 and 4731.281, Ohio Revised Code, whether or not to take action on your license to practice podiatry in Ohio for the following reasons:

On or about November 11, 1982 you registered your license to practice podiatry in Ohio and certified, under penalty of the loss of your right to practice, that you had completed during the last triennium the requisite hours of continuing medical education.

On or about April 19, 1983 you submitted your log of continuing medical education to the State Medical Board in response to the Board's March 16, 1983 audit of your continuing medical education certification. Your log, a copy of which is hereto attached and incorporated herein, listed the following total hours in the following categories for the triennium January 1, 1980-December 31, 1982:

A. Category I	45 hours
B. Category II	77 hours

According to the continuing medical education program, all of the hours you have logged in Category I would fall under Category I-C: Serving as a Teacher in any Approved Podiatric Medical Educational Program. The maximum total CME credits allowed under Category I-C is thirty (30) per three (3) year period. Thus, you have obtained only thirty (30) CME Category I credit hours of the required sixty (60) CME Category I hours.

According to the continuing medical education program, all of the hours you have logged in Category II would fall under II-F: Non-Supervised Individual CME Activities. The maximum total CME credits allowed under Category II-F is thirty (30) per three (3) year period. Thus, you have obtained only thirty (30) CME Category II credit hours of the required ninety (90) CME Category II hours.

Such acts, conduct, or omissions constitute grounds for discipline under Section 4731.22(A) which "The state medical board, by a vote of not less than six of its members may revoke or may refuse to grant a certificate to a person found by the board to have committed fraud in passing the examination, or to have committed fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the board."

July 14, 1983

Further, such acts, conduct or omissions constitute a failure to comply with Section 4731.281, Ohio Revised Code, which requires in part that "On or before the first day of January 1983, ...every doctor of podiatric medicine licensed to practice within this state shall certify to the board that in the preceding three years the practitioner has completed one hundred fifty hours of continuing medical education." Failure to comply with this section operates "automatically to suspend his certificate to practice, and the continued practice after the suspension of the certificate to practice shall be considered as practicing without a license."

Further, such acts, conduct, or omissions constitute "Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board", as those clauses are used in Section 4731.22(B)(16), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, please be advised that you may request a hearing on this matter. If you wish to request such a hearing, that request must be made within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event there is no request for such hearing made within thirty (30) days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, reprimand, revoke, suspend, place on probation, refuse to register, or reinstate your certificate to practice medicine and surgery.

Enclosed is a copy of the Medical Practice Act for your information.

Very truly yours,

Oscar W. Clarke, M.D.
President
