Dear Doctor Pritt:

In accordance with Chapter 119, Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio intends to determine under the provisions of Sections 4731.22 and 4731.61, Ohio Revised Code, whether or not to limit, revoke, suspend, refuse to register or reinstate your certificate to practice medicine or surgery, or to reprimand or place you on probation, for the following reason:

1. After formal hearings were held by the West Virginia Board of Medicine on November 4, 1981 and continuing to June 16, 1982, you were found to have committed the following violations on September 12, 1983 by the same Board:
 - A. That you had engaged in injudicious treatment and surgical procedures upon patients, both professionally and with regard to the particular disease or injury, resulting in injury and unnecessary suffering.
 - B. That you had negligently failed to exercise a reasonable degree of professional skill in your treatment of patients and thus had demonstrated a gross disregard of established practices or principles of the profession of podiatry.

Pursuant to the Findings of Fact, Conclusions of Law and Final Order of the West Virginia Board, attached hereto and incorporated herein, your license to practice podiatry in the State of West Virginia was revoked on September 14, 1983.

The disciplinary action taken against you in the State of West Virginia, as set out in paragraph 1 above, constitutes "The revocation or suspension by another state of a license or certificate to practice issued by the proper licensing authority of that State for an action that would have also been a violation of this chapter except for nonpayment of fees", pursuant to Section 4731.22(B)(18), Ohio Revised Code, to wit:

- (a) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established, pursuant to Section 4731.22(B)(6), Ohio Revised Code.

October 10, 1984

- (b) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice, pursuant to Section 4731.22(B)(8), Ohio Revised Code.

Your acts, conduct, or omissions, forming the basis of the West Virginia Board action are hereby alleged to constitute "A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established", pursuant to Section 4731.22(B)(6), Ohio Revised Code.

Further, your acts, conduct, or omissions forming the basis of the West Virginia Board of Medicine action constitute "The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice", pursuant to Section 4731.22(B)(8), Ohio Revised Code.

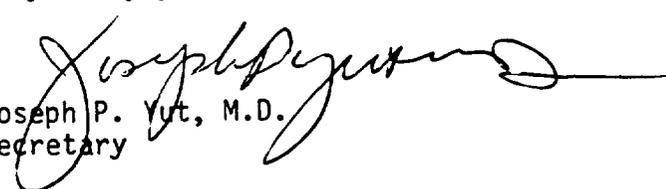

Pursuant to Chapter 119., Ohio Revised Code, please be advised that you may request a hearing on this matter. If you wish to request such a hearing, that request must be made within thirty (30) days of the time of mailing of this notice.

You are further advised that you are entitled to appear at such a hearing in person, or by your attorney, or you may present your position, arguments, or contentions in writing, or that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event there is no request for such a hearing made within thirty (30) days of the time of mailing of this notice, the State Medical Board of Ohio, may, in your absence and upon consideration of this matter, determine whether or not to limit, reprimand, revoke, suspend, place on probation, refuse to register, or reinstate your certificate to practice medicine or surgery in the State of Ohio.

A copy of the appropriate versions of Section 4731.22, Ohio Revised Code, is enclosed for your review.

Very truly yours,

Joseph P. Yut, M.D.
