Dear Doctor Mina:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio proposes to deny your application for a certificate to practice medicine or surgery for one or more of the following reasons:

1. In completing your application for Ohio medical licensure, you responded in the negative to the question, "Have you ever withdrawn from, or been suspended, dismissed or expelled from a medical school or postgraduate training program?" You were, in fact, dismissed from your residency in anesthesiology at Foster G. McGaw Hospital, in May, 1981.
2. In completing Section 3 (Postgraduate Training) of your application for Ohio medical licensure, you failed to include your residency in anesthesiology at Foster G. McGaw Hospital, in which you were engaged from July 1980 to May 1981.
3. In completing Section 6 (Resume) of your application for Ohio medical licensure, you indicated that you spent the period beginning July 1980 and ending June 1982 at home taking care of a child, and attending conferences at Lutheran General Hospital, Parkridge, Illinois. In fact, you were engaged in a residency program in anesthesiology at Foster G. McGaw Hospital from July 1980 to May 1981.

Such acts, conduct, and omissions in the above paragraphs (1), (2) and (3), individually and/or collectively, constitute "fraud, misrepresentation, or deception in applying for or securing any license or certificate issued by the Board," as that clause is used in Section 4731.22(A), Ohio Revised Code.

Further, such acts, conduct, and omissions in the above paragraphs (1), (2) and (3), individually and/or collectively, demonstrate that you lack the good moral character required under Section 4731.08, Ohio Revised Code, for a certificate to be issued.

April 10, 1986

You are hereby advised that you have the right to a hearing in this matter. If you wish to request such a hearing, that request must be made within thirty (30) days of the time of mailing of this notice. Final action may be taken on the proposed denial if a timely request for hearing is not made.

You are further advised that you are entitled to appear at such hearing in person, or by your attorney, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

Very truly yours,

Henry G. Cramblett, M.D.
Secretary
