

**STEP I
CONSENT AGREEMENT
BETWEEN
PETER C. JOHNSON, M.D.,
AND
THE STATE MEDICAL BOARD OF OHIO**

STATE MEDICAL BOARD OF OHIO
1000 EAST WASHINGTON AVENUE
COLUMBUS, OHIO 43260-1000
614.464.2000

This Consent Agreement is entered into by and between Peter C. Johnson, M.D., [Dr. Johnson], and the State Medical Board of Ohio [Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Johnson enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

BASIS FOR ACTION

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

- A. The Board is empowered by Section 4731.22(B), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for violation of Section 4731.22(B)(19), Ohio Revised Code, for “[i]nability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.”

- B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(19), Ohio Revised Code, as set forth in Paragraphs E below, and expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Agreement. Dr. Johnson attests that he has provided a full, complete, and honest account of the circumstances and facts involved in the underlying matter giving rise to this consent agreement; that no pertinent information has been withheld from the Board; and that the factual summary contained herein is an accurate representation of the information provided. Further, Dr. Johnson acknowledges he understands that in the event it is subsequently determined that he misrepresented the circumstances or facts of the instant matter, the Board intends to pursue by separate disciplinary action any violation of Section 4731.22(B)(34), Ohio Revised Code, and/or any other violations of the Medical Practices Act, even if such violations arise from the same common nucleus of operative fact contained in this consent agreement. Furthermore, Dr. Johnson acknowledges that such subsequent

disciplinary action may supersede this consent agreement and may result in additional discipline, up to and including permanent revocation of his certificate.

- C. Dr. Johnson is licensed to practice medicine and surgery in the State of Ohio, License number 35.066160.
- D. Dr. Johnson states that he is not licensed to practice in any other state or jurisdiction.
- E. Dr. Johnson admits that he had sexual encounters with three different patients he treated, with a resident he supervised and with an office assistant who worked for him. Dr. Johnson further admits that his sexual behaviors persisted even after he knew he was under investigation by the Board, and that his sexual behaviors have caused occupational problems for him as he is no longer allowed to supervise residents.

Dr. Johnson further admits that he voluntarily submitted to a psychiatric Independent Medical Examination with Stephen Noffsinger, M.D., a Board-approved psychiatrist, on or about May 12, 2015, and that he was diagnosed with Sexual Disorder Not Otherwise Specified (NOS). Dr. Johnson further admits that Dr. Noffsinger determined that he was impaired in his ability to practice according to acceptable and prevailing standards of care due to his Sexual Disorder NOS. However, Dr. Noffsinger further opined that Dr. Johnson's condition is amenable to treatment, recommending that he complete intensive residential treatment for sexually compulsive behavior, participate in aftercare meetings for sexual addiction, undertake individual counseling at least one hour per week, and submit to periodic polygraph testing. Dr. Noffsinger further opined that Dr. Johnson should have no sexual contact with his former patients, patients, or individuals with whom he has a prior or current professional relationship; and that he should have no social contact with his former patients or patients.

Dr. Johnson further admits that in or about July 2015, he began closing his practice and referring patients to other doctors. Dr. Johnson further admits that he has made arrangements to enter a facility that provides an intensive residential treatment program designed to treat sexual disorders and to provide boundary education in or about September 2015.

AGREED CONDITIONS

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of any formal proceedings at this time, Dr. Johnson knowingly and voluntarily agrees with the Board to the following terms, conditions and limitations:

SUSPENSION OF CERTIFICATE

1. The certificate of Dr. Johnson to practice medicine and surgery in the State of Ohio shall be **SUSPENDED** for an indefinite period of time but not less than two years.

Obey all Laws

2. Dr. Johnson shall obey all federal, state, and local laws.
3. Dr. Johnson shall have no sexual contact with any of his former patients, patients, or individuals with who he has a prior or current professional relationship. Further, Dr. Johnson shall have no social contact with his former patients or patients.

Releases: Quarterly Declarations and Appearances

4. Dr. Johnson shall provide authorization, through appropriate written consent forms, for disclosure of evaluative reports, summaries, and records, of whatever nature, by any and all parties that provide treatment or evaluation for Dr. Johnson's sexual disorder, mental health or related conditions, or for purposes of complying with this Consent Agreement, whether such treatment or evaluation occurred before or after the effective date of this Consent Agreement. To the extent permitted by law, the above-mentioned evaluative reports, summaries, and records are considered medical records for purposes of Section 149.43 of the Ohio Revised Code and are confidential pursuant to statute. Dr. Johnson further agrees to provide the Board written consent permitting any treatment provider from whom he obtains treatment to notify the Board in the event he fails to agree to or comply with any treatment contract or aftercare contract. Failure to provide such consent, or revocation of such consent, shall constitute a violation of this Consent Agreement.
5. Dr. Johnson shall submit quarterly declarations under penalty of Board disciplinary action and/or criminal prosecution, stating whether there has been compliance with all the conditions of this Consent Agreement. The first quarterly declaration must be received in the Board's offices on the first day of the third month following the month in which this Consent Agreement becomes effective, or as otherwise requested by the Board. Subsequent quarterly declarations must be received in the Board's offices on or before the first day of every third month.
6. Dr. Johnson shall appear in person for an interview before the full Board or its designated representative during the third month following the effective date of this Consent Agreement. Subsequent personal appearances must occur every three months thereafter, and/or as otherwise requested by the Board. If an appearance is missed or is rescheduled for any reason, ensuing appearances shall be scheduled based on the appearance date as originally scheduled.

Mental Health Treatment

7. Within thirty days of the effective date of this Consent Agreement, Dr. Johnson shall submit to the Board for its prior approval the name and qualifications of a psychiatrist of his choice. Upon approval by the Board, Dr. Johnson shall undergo and continue psychiatric treatment, including individual psychotherapy, at least one hour of individual

counseling each week to address and evaluate his ongoing treatment needs relating to his sexual addiction, and/or as otherwise directed by the Board. Dr. Johnson shall comply with his psychiatric treatment plan, including taking medications as prescribed and/or ordered. Dr. Johnson shall ensure that psychiatric reports are forwarded by his treating psychiatrist to the Board on a quarterly basis, or as otherwise directed by the Board. The psychiatric reports shall contain information describing Dr. Johnson's current treatment plan and any changes that have been made to the treatment plan since the prior report; Dr. Johnson's compliance with his treatment plan; Dr. Johnson's mental status; Dr. Johnson's progress in treatment; and results of any laboratory studies that have been conducted since the prior report. Dr. Johnson shall ensure that his treating psychiatrist immediately notifies the Board of his failure to comply with his psychiatric treatment plan and/or any determination that Dr. Johnson is unable to practice due to his psychiatric disorder. It is Dr. Johnson's responsibility to ensure that quarterly reports are received in the Board's offices no later than the due date for Dr. Johnson's quarterly declaration.

The psychotherapy required as part of Dr. Johnson's psychiatric treatment pursuant to this paragraph may be delegated by Dr. Johnson's treating psychiatrist to an appropriately licensed mental health professional who specializes in the treatment of sexual addictions and is approved in advance by the Board, so long as Dr. Johnson's treating psychiatrist oversees/supervises such psychotherapy; includes information concerning Dr. Johnson's participation and progress in psychotherapy in his or her quarterly reports; and continues to meet personally with Dr. Johnson at least monthly. Should the psychotherapy required pursuant to this provision be delegated to a licensed mental health professional, Dr. Johnson shall ensure that psychotherapy reports are forwarded by his treating licensed mental health professional to the Board on a quarterly basis, or as otherwise directed by the Board. The psychotherapy reports shall contain information describing Dr. Johnson's current treatment plan and any changes that have been made to the treatment plan since the prior report; Dr. Johnson's compliance with his treatment plan; Dr. Johnson's mental status; Dr. Johnson's progress in treatment; and results of any laboratory studies that have been conducted since the prior report. Dr. Johnson shall ensure that his treating licensed mental health professional immediately notifies the Board of his failure to comply with his psychotherapy treatment plan and/or any determination that Dr. Johnson is unable to practice due to his psychiatric disorder. These psychotherapy reports shall be in addition to the reports submitted by Dr. Johnson's treating psychiatrist. It is Dr. Johnson's responsibility to ensure that all quarterly reports are received in the Board's offices no later than the due date for Dr. Johnson's quarterly declaration.

In the event that the designated treating psychiatrist and/or licensed mental health professional becomes unable or unwilling to serve in this capacity, Dr. Johnson must immediately so notify the Board in writing. In addition, Dr. Johnson shall make arrangements acceptable to the Board for another treating psychiatrist and/or licensed mental health professional within thirty days after the previously designated treating psychiatrist and/or licensed mental health professional becomes unable or unwilling to

serve, unless otherwise determined by the Board. Furthermore, Dr. Johnson shall ensure that the previously designated treating psychiatrist and/or licensed mental health professional also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

The Board expressly reserves the right to disapprove any psychiatrist proposed to serve as Dr. Johnson's designated treating psychiatrist and/or any licensed mental health professional proposed to serve as Dr. Johnson's designated treating licensed mental health professional, or to withdraw approval of any such psychiatrist or licensed mental health professional previously approved to serve as Dr. Johnson's designated treating psychiatrist or licensed mental health professional, in the event that the Secretary and Supervising Member of the Board determine that any such psychiatrist or licensed mental health professional has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

The Board retains the right to require, and Dr. Johnson agrees to submit, blood, urine, breath, saliva and/or hair specimens for analysis of therapeutic levels of medications that may be prescribed for Dr. Johnson, or for any other purpose, at Dr. Johnson's expense upon the Board's request and without prior notice. Dr. Johnson's refusal to submit a specimen upon request of the Board shall result in a minimum of one year of actual license suspension. Further, the collection of such specimens shall be witnessed by a representative of the Board, or another person acceptable to the Secretary or Supervising Member of the Board.

Maintenance Polygraph Testing

8. Within thirty days of the effective date of this Consent Agreement, Dr. Johnson shall submit to the Board in writing the name and curriculum vitae of a polygraph technician for prior written approval by the Secretary or Supervising Member of the Board.

Dr. Johnson shall submit, at his expense, to polygraph testing at least once every twelve weeks, or as otherwise directed by the Board. Such polygraph testing shall include inquiry that encompasses the general nature of conduct which gave rise to this Consent Agreement, as described in Paragraph E herein, including any questions suggested by Dr. Johnson's Board-approved treating psychiatrist and/or licensed mental health professional, as described in Paragraph 7 herein, and the following specific questions:

Has Dr. Johnson engaged in any sexual conduct with patients or former patients since his most recent preceding polygraph examination?

Has Dr. Johnson engaged in any sexual conduct with persons with whom he has or had a professional relationship at any time since his most recent preceding polygraph examination?

Has Dr. Johnson had any social contact with patients or former patients at any time since his most recent preceding polygraph examination?

Has Dr. Johnson lent money to or entered into a financial agreement with patients or former patients at any time since his most recent preceding polygraph examination?

Dr. Johnson shall ensure that all polygraph testing reports are forwarded directly to the Board on a quarterly basis. Further, Dr. Johnson shall ensure that all polygraph testing reports are also forwarded directly to Dr. Johnson's Board-approved treating psychiatrist on a quarterly basis.

Refusal to submit such polygraph testing, or failure to submit for such polygraph testing as scheduled or in such manner as the Board may request, shall constitute a violation of this Consent Agreement. Further, said refusal or failure to submit shall result in a minimum of one year of actual license suspension.

In addition, Dr. Johnson shall immediately inform the Board of any polygraph testing results that indicate Dr. Johnson has been untruthful in a polygraph examination. Further, Dr. Johnson shall ensure that the designated polygraph technician also provides quarterly reports to the Board, in a format acceptable to the Board, verifying whether all polygraph testing has been conducted in compliance with this Consent Agreement, whether all such polygraph testing results have demonstrated that Dr. Johnson has been truthful.

In the event that the designated polygraph technician becomes unable or unwilling to serve in this capacity, Dr. Johnson must immediately so notify the Board in writing. In addition, Dr. Johnson shall make arrangements acceptable to the Board for another polygraph technician within thirty days after the previously designated polygraph technician becomes unable or unwilling to serve, unless otherwise determined by the Board. Furthermore, Dr. Johnson shall ensure that the previously designated polygraph technician also notifies the Board directly of his or her inability to continue to serve and the reasons therefore.

The Board expressly reserves the right to disapprove any person proposed to serve as Dr. Johnson's designated polygraph technician, or to withdraw approval of any person previously approved to serve as Dr. Johnson's designated polygraph technician, in the event that the Secretary and Supervising Member of the Board determine that any such polygraph technician has demonstrated a lack of cooperation in providing information to the Board or for any other reason.

Rehabilitation Program

9. Within thirty days after completing an intensive residential treatment program, Dr. Johnson shall undertake and maintain participation in 12-Step aftercare meetings for persons with sexual addictions such as, Sexaholics Anonymous, Sex Addicts Anonymous, and Sex and Love Addicts Anonymous no less than three times per week. Substitution of any other specific program must receive prior Board approval.

Dr. Johnson shall submit acceptable documentary evidence of continuing compliance with this program, including submission to the Board of meeting attendance logs, which must be received in the Board's offices no later than the due date for Dr. Johnson's quarterly declarations.

CONDITIONS FOR REINSTATEMENT

10. The Board shall not consider reinstatement or restoration of Dr. Johnson's certificate to practice medicine and surgery until all of the following conditions are met:
 - a. Dr. Johnson shall submit an application for reinstatement or restoration, as appropriate, accompanied by appropriate fees, if any, and shall demonstrate to the satisfaction of the Board that he is in compliance with all the Continuing Medical Education (CME) requirements for re-licensure contained in Section 4731.281, Ohio Revised Code.
 - b. Dr. Johnson shall demonstrate to the satisfaction of the Board that he can resume practice in compliance with acceptable and prevailing standards of care under the provisions of his certificate. Such demonstration shall include but shall not be limited to the following:
 - i. Certification from a facility, which provides an intensive treatment program designed to treat sexual disorders and to provide boundary education, which is acceptable to the Board, that Dr. Johnson has successfully completed an intensive behavioral treatment program designed to treat his sexually compulsive behavior. The treatment will include immersion and redirection for at least three weeks, with appropriate follow-up care as recommended by the provider.
 - ii. Evidence of continuing full compliance with this Consent Agreement.
 - iii. Two written reports indicating that Dr. Johnson's ability to practice has been assessed and that he has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by psychiatrists knowledgeable in the area of diagnosis and treatment of sexual disorders, who have been approved in advance by the Board, and who shall conduct a psychiatric/psychosexual examination of Dr. Johnson. Prior to the examination, Dr. Johnson shall provide the psychiatrist with copies of patient records from any prior evaluations and/or treatment that he has received, and a copy of this Consent Agreement. The report from the evaluating psychiatrist shall include the psychiatrist's diagnoses and conclusions; any recommendations for care, counseling, and treatment for the psychiatric diagnoses; any conditions, restrictions, or limitations that should be imposed on Dr. Johnson's practice; and the basis for the psychiatrist's determinations.

All reports required pursuant to this paragraph shall be based upon examinations occurring within the three months immediately preceding any application for reinstatement. Further, at the discretion of the Secretary and Supervising Member of the Board, the Board may request an updated assessment and report if the Secretary and Supervising Member determine that such updated assessment and report is warranted for any reason.

- iv. At the time he submits his application for reinstatement or restoration, Dr. Johnson shall provide acceptable documentation of successful completion of a course or courses on maintaining professional physician/patient boundaries. The exact number of hours and the specific content of the course or courses shall be subject to the prior approval of the Board or its designee. Any courses taken in compliance with this provision shall be in addition to the CME requirements for re-licensure for the CME period(s) in which they are completed.

In addition, at the time Dr. Johnson submits the documentation of successful completion of the course or courses dealing with professional physician/patient boundaries, he shall also submit to the Board a written report describing the course, setting forth what he has learned from the course, and identifying with specificity how he will apply what he has learned to his practice of medicine in the future.

- v. At the time Dr. Johnson submits his application for reinstatement or restoration, he shall provide acceptable documentation of successful completion of a course or courses dealing with personal and professional ethics. The exact number of hours and the specific content of the course or courses shall be subject to the prior approval of the Board or its designee. Any courses taken in compliance with this provision shall be in addition to the CME requirements for re-licensure for the CME period(s) in which they are completed.

In addition, at the time Dr. Johnson submits the documentation of successful completion of the course or courses dealing with personal and professional ethics, he shall also submit to the Board a written report describing the course, setting forth what he has learned from the course, and identifying with specificity how he will apply what he has learned to his practice of medicine in the future.

- vi. In the event that the Board initiates future formal proceedings against Dr. Johnson, including but not limited to issuance of a Notice of Opportunity for Hearing, Dr. Johnson shall be ineligible for reinstatement until such proceedings are fully resolved by ratification by the Board of a subsequent Consent Agreement or issuance by the Board of a final Board Order.

- c. Dr. Johnson shall enter into a written consent agreement including probationary terms, conditions and limitations as determined by the Board within 180 days of the date upon which all the above-specified conditions for reinstatement or restoration have been completed or, if the Board and Dr. Johnson are unable to agree on the terms of a written Consent Agreement, then Dr. Johnson further agrees to abide by any terms, conditions and limitations imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Ohio Revised Code. The Board shall provide notice to Dr. Johnson that said hearing has been scheduled, advising Dr. Johnson of his hearing rights, and stating the date, time, and location of the hearing at which the Board will present its evidence, after which the Board will make a determination of the matter by Board Order.

Further, upon reinstatement of Dr. Johnson's certificate to practice medicine and surgery in this state, the Board shall require continued monitoring which shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by Board Order after a hearing conducted pursuant to Chapter 119. of the Revised Code.

11. As Dr. Johnson will not have been engaged in the active practice of medicine and surgery for a period in excess of two years, Dr. Johnson shall provide proof acceptable to the Board that he has taken and passed the Special Purpose Examination (SPEX), or any similar written examination which the Board deems appropriate to assess Dr. Johnson's clinical competency within six months immediately preceding the application for reinstatement.

Further, as Dr. Johnson's certificate will have been in a suspended or inactive status for more than two years prior to his reinstatement, the Board may also exercise its discretion under Section 4731.222, Ohio Revised Code, to require additional evidence of Dr. Johnson's fitness to resume practice.
