Specific Disease or Condition:
anxiety, depression, bi-polar disorder

Information from experts who specialize in the disease or condition.

I have not looked for documentation for this, I am only going by information I have discussed with my physicians

Relevant medical or scientific evidence pertaining to the disease or condition.

I have not looked for documentation for this, I am only going by information I have discussed with my physicians

Consideration of whether conventional medical therapies are insufficient to treat or alleviate the disease or condition.

I have not looked for documentation for this, I am only going by information I have discussed with my physicians, and my personal experience with other medications not working well at all.

Evidence supporting the use of medical marijuana to treat or alleviate the disease or condition, including journal articles, peer-reviewed studies, and other types of medical or scientific documentation.

I have not looked for documentation for this, I am only going by information I have discussed with my physicians, and my personal experience with other medications not working well at all.

Letters of support provided by physicians with knowledge of the disease or condition. This may include a letter provided by the physician treating the petitioner, if applicable.

I have not looked for documentation for this, I am only going by information I have discussed with my physicians, and my personal experience with other medications not working well at all.
