Specific Disease or Condition:

Panic disorder/anxiety

Information from experts who specialize in the disease or condition.

Previously submitted

Relevant medical or scientific evidence pertaining to the disease or condition.

Previously submitted

Consideration of whether conventional medical therapies are insufficient to treat or alleviate the disease or condition.

It seems silly to be forced to take synthetic medications for anxiety and panic when a natural plant can and does alleviate the often debilitating symptoms of mental illness.

Evidence supporting the use of medical marijuana to treat or alleviate the disease or condition, including journal articles, peer-reviewed studies, and other types of medical or scientific documentation.

Previously submitted.

Letters of support provided by physicians with knowledge of the disease or condition. This may include a letter provided by the physician treating the petitioner, if applicable.
