Address: 5555 Wellington woods blvd, Columbus, OH, 43213
Phone: (61) 427-1011
Email: trequancalhoun16@gmail.com

Specific Disease or Condition:

Type 1 diabetes

Information from experts who specialize in the disease or condition.

Doctor bradley of osu medical center

Relevant medical or scientific evidence pertaining to the disease or condition.

I've been dealing with this since I was 23 and I've been smoking I never had a problem it actually helps me

Consideration of whether conventional medical therapies are insufficient to treat or alleviate the disease or condition.

Marijuana had actually help with me being able to eat and help keep my sugar just right the only time I would go the hospital is because I didn't have enough medicine

Evidence supporting the use of medical marijuana to treat or alleviate the disease or condition, including journal articles, peer-reviewed studies, and other types of medical or scientific documentation.

I never read anybody that has what I have and smoke and had a problem I've actually read there are more people that have what I have and smoke and have no problem at all

Letters of support provided by physicians with knowledge of the disease or condition. This may include a letter provided by the physician treating the petitioner, if applicable.
